Guests Enjoy Hotel Dinner Hour Concert

Dinner guests at the Hotel Medford Sunday evening greatly enjoyed a concert of Spanish vocal selections featuring Miss Dolores Rodriguez, formerly of Seville, Spain, now of this city. Miss Rodriguez was accompanied at the piano by Sebastian Apollo, and on the violin by Mrs. Bernice Bolger.

Although she had planned to sing only three numbers, the guests so enjoyed the program, that seven numbers were sung during the concert, for which Miss Rodriguez and her accompanists were highly complimented.

The vocal selections were: "Te Quiero Dilete," "My Hero" from the Chocolate Slicer, "Italian Street Song" from Naughty Marietta, "El Relicario" arranged by Jose Padilla, "Estrellita," arranged by Frank La-Forge, and "Amapolita," which was repeated.

Mrs. Bolger and Mr. Apollo offered a number, "Vagabond King," on the violin and piano, and Mr. Apollo played "Black Eyes" from Only a Rose.

Miss Rodriguez was born in Seville and since coming to this country has studied in many schools of music, singing extensively in the United States, Canada and Mexico. She was formerly with the Municipal Opera company of St. Louis.

SIX SENTENCED IN DRIVE ON ILLEGAL DRINK DISPENSERS

(Continued from page one.) and same suspended pending good behavior. The case of William S. Hahn, similarly charged, was deferred until the court can make a further investigation. Hahn is on parole for forgery committed in April, 1933. Hahn asked the court to investigate his record since the parole has been operative.

William King, arrested in the round up, was given a six months sentence, and Virgie Miller, was given a 90 days sentence, last Friday.

The court intimated it would consider granting further leniency if all concerned in the illicit liquor case would make arrangements for immediate departure from Oregon and Jackson county.

The defendants were arrested Christmas Eve, in raids, and charged with the illegal sale of liquor. They were operating resorts in the King's Highway district, on West Second street near the Junior high school, and on South Central avenue. A quantity of "moonshine" was seized in each place. Evidence in the case was collected by special agents of the Oregon State Liquor Commission.

Sentence of the accused, the district attorney's office reports, practically clears up the illicit liquor sale in this city. Eight violators were sentenced, as a result of the clean-up.

DANCES FEATURE NEW YEAR'S EVE

When the old year is sped on its way tonight, and the new welcomed in, large groups of Medford people will be celebrating at various entertainment places throughout the city.

There will be several large dances, chief of which will be those held at the Elks temple, featuring Merle Carlson and his famous band, the Veterans of Foreign Wars dance at the Oriental Gardens (where both halls will be open), and Dinty Moore's orchestra playing at Dreamland.

There will also be dancing at the Town club, for members and friends, with Al Stewart and his music. The Taverners, and other social groups will also hold dancing and watch parties to herald 1935.

A midnight show is in store for those who are lovers of the motion picture, to be held at the Craterian theater. The feature will be Francis Lederer, in the new show "Pursuit of Happiness."

V. F. W. BALL TONIGHT AN ELABORATE AFFAIR

The Oriental Gardens, gaily decorated for the event, will be the scene tonight of one of the most elaborate of the city's New Year's eve parties, the annual Gold Chevron ball sponsored by the Veterans of Foreign Wars.

Two dances are to be included in the celebration, as both the large and small halls of the Gardens will be in use, with two separate orchestras providing both modern and old-time music.

PLANES RESUME USUAL SCHEDULE

Clearing skies today enabled the first uninterrupted schedule in air transportation through Medford in several days, according to officials of the municipal airport, who stated that planes have made arrivals and departures on time during the last 24 hour period.

Local fog and low clouds have kept United Airline planes from attempting flights to Medford on several occasions during the past few days. Yesterday's unobstructed plane continuing over Medford without landing, enroute to an emergency field in northern California, but the midnight plane Sunday and this morning's plane were reported on time.

The Oregon Air Service plane from Klamath Falls made a trip to this city and returned today for the first time in nearly a week.
