DEPUTIES NAMED BY NEW SHERIFF ON DUTY MONDAY

Beckman, Moore and Laidley Appointed by Brown—Jailer Naming to Wait—Clerical Help Will Remain

Sheriff-elect Syd I. Brown late yesterday announced the appointment of three deputy sheriffs, as follows: Victor H. Beckman of this city, an accountant, who helped take the last general audit of the county books, who will be assigned to the tax collection department.

Herbert Moore of Ashland, former member of the state traffic department before it was embodied with the state police.

Glenn Laidley, former resident, until recently connected with the U. S. army post exchange at March Field, San Diego, Calif.

Beckman has been a resident of this city for the past eight years, and has been employed by the Lewis Super-Service station. He formerly lived in Salem. Beckman ran for county clerk on the Democratic ticket in the May, 1932, primary and was defeated.

Moore Former Officer. Moore acted as a state traffic officer from 1926 to 1931, and is a former deputy sheriff of Lane county. He has operated a delivery service in Ashland the past year. Moore, acting as a traffic officer, was the captor of James Kingsley, slayer of Sam Prescott, Ashland police officer, in January, 1931.

Laidley is the son of Mr. and Mrs. George Laidley, and has been a resident of the city for 24 years. He served in the navy during the war, and has since been active in local National Guard affairs.

Appointment of a county jailer, Sheriff-elect Brown said, would be deferred until the first of February.

Chris Gottlieb was previously named as chief deputy in the tax collection department, and Howard Gault as head of the legal department.

The new appointees of the sheriff, and that official himself, will assume their new duties next Monday.

One of the new deputy sheriffs will probably be assigned to the duty of collecting dog licenses, and rounding up unlicensed dogs in the rural areas in an effort to check sheep-killing activities of roving bands of canines that for several months have been playing havoc with many bands of sheep. A number of the dogs have been killed, and all found to bear no license tag.

Bonds of Sheriff-elect Brown, in the sum of \$40,000, have been filed and approved. Each of the tax collection department deputies are under \$5000 bonds.

No change in the clerical personnel of the sheriff's office is contemplated for the present. Some of the present force will continue for a short time until their successors get the "swing of things."

Frank E. Anderson, constable-elect for the Medford district, will also take office next Monday. He will work out of the justice of the peace office. For the past 18 months this work has been done by the sheriff's office, due to the county court not filling the vacancy.

UNIVERSITY THESPIANS TO APPEAR IN ASHLAND

ASHLAND, Jan. 4.—(Sp.)—The University of Oregon Players, one of the outstanding dramatic groups of the state, has been booked for a showing of Sir Arthur Wing Pinero's "The Amazons" in Ashland on Saturday night, January 12, it was announced today at the Southern Oregon Normal school. The play will be given in the SONS auditorium.

Jaws Fractured By Loose Pulley

GRANTS PASS, Jan. 4.—(Sp.)—Both jaws fractured, his lower lip nearly severed, and eight teeth knocked out, Melvin Lewis of the Evans creek district near Rogue River, is a patient at the Josephine General hospital.

Lewis was injured Wednesday shortly before noon, when a pulley in a Rogue River garage snapped loose, and struck him in the face.

New Beaver Boss

E. J. Schetter, Portland cosmetic manufacturer, is the new president of the Portland Baseball club of the Pacific Coast league. He purchased the interests of Tom L. Turner and announced Buddy Ryan, former Beaver recently with Sacramento, had been installed as manager.

SPEEDY, ECONOMICAL SESSION IS GOAL OF LEGISLATURE CHIEFS

TOLEDO, Ore., Jan. 4.—(AP)—A "speedy and economical" session of the legislature which meets this month is the goal of those who will guide the course of the biennial session.

John E. Coater, to whom the speaker-ship is expected to go, declared "We hope the gavel will fall for the last time on the 30th day."

The 20-day limit on the presentation of new legislation will be enforced rigidly. Representative Coater stated, adding "the state pays \$2000 for each day of the legislature and the \$3 per diem paid representatives is a source of prolonged financial embarrassment in a long session, both to the state and the members."

HANSEN COAL CO. SOLD TO MOSHERS

H. O. Hansen, of the Hansen Coal company here, has announced that he recently sold the business to Jack L. Mosher and his father, J. L. Mosher.

Mosher has been an employee of the company for the past ten years, and expects to continue the excellent service carried on by Hansen.

ASHLAND UNDERPASS GIVES NEW PROBLEM

ASHLAND, Jan. 4.—(Sp.)—A meeting to determine the degree of hazard to traffic in the old highway at the underpass north of Ashland was held yesterday in Ashland, with representatives from the state police, county court, county commissioners and the Ashland city police in attendance.

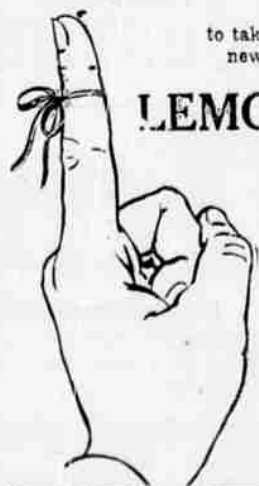

It is claimed that the cars turning from the old highway to the new cannot be seen by motorists on the main traffic artery. The intersection is located right at the railroad trestle, with a concrete wall blocking the vision of drivers.

BEARCAT QUINTET OUT FOR REVENGE ON SONS TONIGHT

Willamette University Outfit Invades Ashland Gym for Two-Game Cage Series Tonight and Saturday

By Dick Applegate

The Southern Oregon Normal school basketball team, rated the best college basketball team in the state, and one of the best on the Pacific coast, will tangle with the fast-breaking and revengeful Willamette university five tonight and tomorrow night at the junior high school gym in Ashland, the game tonight beginning at 8:15.

The Willamette Bearcats are coming with a snarl to even the count chalked up against them when the SONS gave them a beating in their last encounter in 1932. They feature a dazzling type of offense, and have been slated by many prestatidators of the game to take the conference.

Many of the Bearcat players are football stars, among whom is Johnny Oravec, one of the leading touch-down scorers of the nation this year. He probably will see action, as will Jim Connors, veteran six feet seven inch, red-headed center. Lemon and Burdette, starting forwards, have

played together for two years, and have been a dangerous scoring combination during that time. All of the members of the northern squad are veterans, and are expected to give the Hobson outfit the best game of the year so far.

The SONS have taken seven out of eight starts this year, losing only to Oregon. The Normal bunch took three out of a four-game series with the Webfeet, the other game being the only one they have dropped out of twenty-six starts. A record that may possibly be dented tonight, according to reports.

The game tomorrow night starts at 9:15, and at 8:15, this evening. In both games preliminaries will begin an hour earlier than the feature encounters.

Next Monday the SONS squad will meet the highly rated Harlemites, a colored aggregation from New York, who have been hard-scoring the country lacking up defeats over college teams of first rank from every section.

Featured on this team, rated the best colored one in the nation, will be Teddy Brime, said to be the best show-man in basketball, who does everything with the dash, that is humanly possible, and several things which aren't.

Also featured is the towering Lee Pearson, who hasn't lost the tip-off once on the entire trip. Every man on the squad is well over six feet.

The Hobson men expect to give them a close game, but are not too confident of dumping the tough squad.

The starting line-ups for tonight's game with Willamette are given:

Willamette	
Burdette	F
Lemmon	F
Pettys	C
Pranz	G
Erickson	G

1935 CHEVROLET PRICES TOLD BY SALES MANAGER

New York, January 4 prices on the new 1935 lines of Chevrolet cars, were announced here today by William E. Holler, general sales manager of the company, upon his arrival from Detroit for the New York automobile show.

Prices on the new 1935 standard line of cars are: coupe, \$475; coach, \$485; sedan, \$550; phaeton, \$495; sport roadster, \$465; and sedan delivery, \$515. Prices on the new 1935 Master Deluxe line of cars are: coupe, \$500; coach, \$580; sedan, \$640; sport coupe, \$600; town sedan, \$615; sport sedan, \$675; commercial panel, \$560; and Deluxe panel, \$590.

Prices on standard coupe, coach and phaeton, it was pointed out in the announcement, show a decrease of ten dollars under corresponding models in the 1934 line.

Prices on the Master Deluxe models remain exactly the same as in 1934. Knee action continues as one of the outstanding features of the new Master Deluxe cars, Mr. Holler stated, and it is available to any customer on order, and at slight additional cost.

The new Master Deluxe cars also feature the new Fisher Turret Top, all steel roof construction, and a much larger body, with corresponding increase in interior dimensions.

"Chevrolet was able to reduce its standard model prices, and to maintain

its price levels in the face of substantially increased material and manufacturing costs on the Master Deluxe series, because of the greatly increased volume scheduled for 1935, as indicated by the thousands of orders we now have on hand for the immediate delivery of the 1935 lines of cars from our organization of ten thousand dealers," Mr. Holler said, in his price announcement.

PASTEL PICTURES AWARDED LADIES

Mrs. Sam Kroschel and Mrs. Amos Turnbow are winners of pastel pictures of a scene in the mountains between here and Klamath Falls, in the Green Springs country. The pictures are copies made by Alice D. English, of one of her oils painted in that region this Christmas, and were awarded for proficiency in locating political and physical geographic points on a blank map.

The prize offer was announced at one of the Interpretive Geography class meetings a short time ago, for the first student who could point out and name seventy-five such locations in a minute. Both Mrs. Kroschel and Mrs. Turnbow in the same meeting, exceeded the required seventy-five per minute, making scores respectively, of ninety and seventy-seven. This is an unusual and worthy accomplishment, and the class as well as the instructor are proud of the fine record of the two.

Boggs Returns—Stanley Boggs returned on the Oregonian this morning from Portland, where he has been
