D. 1934, a petition signed by twenty or more freeholders residing within the territory which is proposed to be included within the grazing district hereinafter described, was duly filed in the office of the County Clerk of Jackson County, Oregon, within which County said proposed Grazing District is located, asking for the formation of the said proposed Grazing District to be known as the Pit View Grazing District, of Jackson County, Oregon, the boundaries of said proposed District being described in said petition as follows:

Commencing at the Northwest corner of Section Six, in Twp 36 S., Range 1 East of the Willamette Meridian in Jackson County, Oregon, and running thence South on said Meridian line ½ mile; thence East 1 mile; thence North ½ mile, more or less, to Little Butte Creek; thence following along said Little Butte Creek in a southeasterly direction to where Lick Creek empties into said Little Butte Creek in Section 3, in said Township and Range; thence East, across said Little Butte Creek, ½ mile, more or less to the highway known as the Lake Creek Road as said road is now established, laid out and used; thence following along the said Lake Creek Road in a general southeasterly direction to where said road crosses Little Butte Creek in the Southeast quarter of Section 19 in Township 36 South, Range 2 East of the W. M.; thence following along said Little Butte Creek one-half mile more or less to where same merges into the North Fork and South Fork of Little Butte Creek, thence along the said South Fork of Little Butte Creek to where the main canal of the Medford Irrigation District crosses said creek in the Northeast quarter of Section 29, Twp 36 S. R. 2 East of the W. M., thence Northerly along said canal one mile, more or less, to where said canal is diverted from the North Fork of Little Butte Creek in Section 20, said Township and Range; thence following along the said North Fork of Little Butte Creek in a general Southeasterly direction to where said creek intersects the Township line between Townships 36 and 37, Range 3 East, at or near the Southeast corner of Section 32 in Township 36 South, Range 3 East of the W. M., said point being also upon the West boundary line of the Rogue River National Forest as now laid out and established upon the ground; thence following along said boundary line of the said Rogue River National Forest, throughout its entire length, and courses between the said Southeast corner of said Section 32, Township 36 S. R. 3 East, as aforesaid, to the Southeast corner of Section 34, in Township 34 S. R. 2 East of the W. M., being a distance of about 40 miles along the line of the said National Forest; thence South 2 miles; thence West 1 mile; thence North about three-fourths of a mile to the main line of the P. & E. R. R. in Section 9, Township 35 S. R. 2 East of the W. M.; thence following along the main line of the said P. & E. R. R. in a westerly direction to where said main line of the said railroad cuts and intersects the Willamette Meridian near the West quarter corner of Section 18, Township 35 S. R. 1 E.; thence South, along said Meridian line three and a half miles, more or less, to the place of beginning, as first herein above set forth.

Notice is further given that the Grazing Board of Jackson County, Oregon, has heretofore been duly notified in person of the filing of said Petition.

Notice is further given that the County Judge of the State of Oregon, in and for the County of Jackson, has set Friday the 11th day of January, A. D. 1935, at ten o'clock a. m., as the time, and the Courtroom of said Court, in the Courthouse in Medford, Oregon, as the place for the holding of a meeting of the Grazing Board of Jackson County, Oregon, and the Petitioners who signed said Petition, and all other persons who may be in any manner interested in the formation of said District, or opposed to such formation, at which said time and place any and all of such persons are hereby directed to appear and show cause if any they have why such district should not be so formed, as is provided for under the provisions of Chapter 273 of the 1933 Session Laws of the State of Oregon.

This notice is given and served pursuant to an order of the Honorable Earl B. Day, Judge of the County Court of the State of Oregon, for Jackson County, and ex-officio chairman of the Grazing Board of Jackson County, Oregon, duly made and entered on the 26th day of December, 1934, to which order reference is hereby made.

In witness whereof, I have hereunto set my hand and affixed the seal of the County Court of Jackson County, Oregon, this 28th day of December, 1934.

G. R. CARTER,

JUNIOR SHANGLE HURT BY WRINGER

Verne Shaugel, Jr., son of Medford's well known photographer, is suffering from an injury sustained while helping his mother with the family wash last week.

The young gentleman, aged 5, was feeding clothes into the wringer while his mother was absent in the kitchen for a few seconds, and his shirt sleeve became enmeshed in the rollers. His hand first, and then his entire arm, was drawn in before his cries were heard by his mother, who ran to his assistance and released the safety device on the machine.

Dr. R. W. Sleeter treated the little fellow at the Shangle home. The flesh of the arm was badly torn, but no bones were broken and he is now making a rapid recovery.

PACIFIC TELEPHONE OFFICIALS STEP UP UNDER REALIGNMENT

H. D. Pillsbury, president of The Pacific Telephone and Telegraph company, Thursday became chairman of the board. Mr. Pillsbury's advancement came as a part of a realignment of official responsibilities in the company carried out by the board of directors. Mr. Pillsbury, who has been with the telephone company continuously for 36 years, entered the telephone business in 1898 in the legal department and became president in 1925. He has been an outstanding figure in the telephone industry on the Pacific coast and in his many years of service has devoted himself to the highest ideals of service both to the people in the business and to the general public.

N. R. Powley, operating vice president, succeeds Pillsbury as president, and Vice President C. E. Fleager, Powley's assistant for the past six years, was elected vice president in charge of operations. Powley assumes the presidency of one of the largest of the Bell System operating units at the age of 49.

Graduating from Amherst college in 1908, he entered the telephone business as a clerk with the American Telephone and Telegraph company in Boston in July of that year. In 1913 Powley was employed by The Pacific Telephone and Telegraph company at San Francisco and, advancing in the company step by step, in 1928 he became vice president in charge of operations of The Pacific Telephone and Telegraph company and its associated companies.

Recognized by his associates as one of the outstanding executives in the Bell System, Powley has made many important contributions to the telephone business and brings to his new job a broad knowledge of the business and a keen appreciation of the public's point of view.

Fleager, who succeeds Powley, has been in the telephone business for 35 years and also rose from the ranks, starting as a clerk in 1899 in Chicago and coming to the coast in 1902 in telephone construction work at Seattle. After years of experience in telephone construction and maintenance work, he became the company's chief engineer for Northern California and Nevada in 1925 and assistant to the operating vice president in 1928, a position which he has held until his present advancement.
