

BUTTER AND EGGS HOLD UNCHANGED

PORTLAND, Jan. 11.—(AP)—There was no change in egg prices here for the day. Market for butter was without quotable change in the general trade with the make seasonably liberal within the local sector. Butterfat market was firm. Stronger demand was suggested for live chickens within the local trade. In fact there was a firmer feeling generally along the Pacific slope with prices fully maintained at the recent advance. While there continued a rather fair call for turkeys to go into coolers the local consumptive trade remained a trifle slow and in spots a trifle lower as to price available on retail. With a comfortable supply of home grown in bulk, demand for California vegetables were meeting with considerable sales resistance here and handlers were generally unable to secure a profit. General maintenance of country killed meat prices was suggested here with real receipts more moderate although still sufficient to take care of demand.

DR. STONE RITES SATURDAY, 3 P. M.

Dr. Dow W. Stone, resident of Medford for the past nine years, residing at 1128 West Main street, and a practicing veterinarian for 24 years, passed away at his residence, January 10, 1935, following an acute stroke of paralysis, and sudden heart attack. Dr. Stone was born at Harvard, Nebraska, September 27, 1885. He spent his early life and attended grade and high school at Harvard, graduating in 1905. He later went to Chicago Veterinary college in 1906. During his college vacations, he was employed as an assistant veterinarian to Dr. Van Norderne at Waboo, Nebraska. Dr. Stone was graduated from the Chicago Veterinary college in 1910, with high honors and belonged to several medical honorary fraternities. He started practicing in his home town of Harvard, where he was very successful, and was united in marriage to Elsie L. Turner Dec. 8, 1910. Dr. and Mrs. Stone enjoyed a wonderful business in Harvard for 15 years, but due to the doctor's health were forced to leave and come west. They arrived in Medford in 1925 and the doctor immediately purchased the veterinary practice of Dr. McCullough on Fifth and Grape streets. When the hospital was built, the doctor leased it for five years. He was a lover of all animals, and no matter how trivial the trouble was at all times depended upon for call and treatment. He built up a wonderful reputation while in Medford, and was beloved by all persons who knew him. He leaves his widow, Mrs. Elsie Stone, two sons, Vaughn D. and Dow D. Stone, and one daughter, Ruby C. Stone, all of Medford. Funeral services will be conducted from the Perl Funeral Home Saturday at 3 p. m. with Rev. W. R. Batzd officiating. Interment will take place in the Sixtiety Memorial Park.

one daughter, Mrs. Irene Nissen of Michigan Center, two sons, Lloyd Palen of Medford, and Ralph C. Joseph Knotts officiating. Interment in the Medford L. O. O. E. cemetery.

"TOOK ALL KINDS OF PILLS, THEN CEREAL BROUGHT RELIEF"

Constipation. Due to Insufficient "Bulk." Relieved by Kellogg's ALL-BRAN

A fine letter from Mrs. Snyder: "I have had trouble" with my bowels for years, taking all kinds of pills and drugs, with no relief. "One year ago, I saw Kellogg's ALL-BRAN and bought a package. I have good movements every day. I am 73 years old. I am telling my friends what bran has done for me."—Mrs. Sallie Snyder, 918 N. Craft Ave., Hollywood, Cal.

*Constipation due to insufficient "bulk" in meals. Research shows that Kellogg's ALL-BRAN furnishes "bulk" to exercise the intestines. ALL-BRAN also supplies vitamin B, as well as iron, an element of the blood.

Two tablespoons daily are usually sufficient to correct common constipation. With each meal, in serious cases. If not relieved this way, see your doctor.

The "bulk" in ALL-BRAN resists digestion better than the "bulk" in leafy vegetables. How much better to use this food in place of patent medicines.

At all grocers in the red and green packages. Made by Kellogg in Battle Creek.
