

MYRNA LOY, ONCE EXOTIC SIREN, NOW SHINES AS STAR

By ROBBIN COONS

HOLLYWOOD.—(AP)—Among the actresses who have been virtually Hollywood fixtures for several years...

MYRNA LOY

because of wide eyelids, is fitted for oriental roles.

Before, what is now only incidental was considered her major capability.

Hollywood was finding out, surely if slowly, even before "The Thin Man."

Currently, Myrna is wearing the helmet, goggles and leather jacket of a scouting aviator in "Wings in the Dark."

But that is one of the things that keeps Hollywood intriguing. Some of the stars, like Katherine Hepburn, Margaret Sullivan, Carbo, acquire the name of star all of a sudden.

TRIAL PRINCIPALS GET STAGE OFFERS

FLEMINGTON, N. J., Jan. 11.—(AP)—Principals in the Hauptmann murder trial are being swamped with offers to tell—and act—their parts in the Lindbergh case.

Dr. John F. Galsfeld, Condon has been offered "thousands and thousands and thousands" of dollars.

There has been no indication the former lecturer on education would accept the offers, although he said previously he would take up to \$50,000—the amount of the ransom he paid for Col. Charles A. Lindbergh—to restore it to the dead baby's father.

Miss Betty Gow, the Lindbergh nurse, and others figuring in the case, have received lesser offers.

NATHAN DURR'S BROTHER KILLED

Word was received in Medford today of the death last Sunday night of William H. Durr, Mountain States Power Co. employe of North Bend, Ore., brother of Nathan Durr of Central Point.

His body was found partially buried under the sawdust in a power plant on the Marshfield-North Bend highway.

It is thought that Durr, who was 32 years old, suffered a heart attack or fall and was suffocated under a pile of sawdust.

Durr, who lived at Central Point for a year, had been employe by the power company since 1927.

WOMAN'S GLOVES LEAD TO SUIT FOR DIVORCE

CINCINNATI (UP)—If Mrs. Elsie Bobe hadn't pressed her husband's suit, she might never have filed suit for divorce from Otto Bobe.

In the course of her pressing, she found a pair of women's gloves in his pocket, according to her petition.

He demanded them and she hid them. Mrs. Bobe says, "And so he gave her a good 'shaking' and packed his clothes, left and hasn't returned to her or their children. She charges in her petition."

ONE DOLLAR DIVIDEND PORTLAND, Jan. 11.—(AP)—A \$1 a share dividend on 800,000 shares of outstanding stock was voted by directors of the Iron Fireman Manufacturing company here Thursday.

MARY PICKFORD GIVEN DIVORCE IN LOS ANGELES

(Continued from page one.)

"My Best Girl," and the film colony knew them as good friends.

Fairbanks did not contest his wife's suit, which was called for hearing without prior court announcement.

It was the second case acted upon by Superior Judge Ben B. Lindsey, former juvenile and domestic relations jurist at Denver, who has just taken office here.

Appearing in a gray dress, gray fur coat, black pumps and a small gray hat with a red feather perched jauntily on the crown, "America's Sweetheart" kept in control whatever emotions she may have felt until Judge Lindsey, looking up over his spectacles, said clearly:

"Gentlemen, I have read the complaint and a decree will be granted."

Mary gave a little start, and then as she left the court room flanked by her attorney, Lloyd Wright, and her public relations director, her eyes filled and she choked as she attempted to answer questions of newspaper men.

On the witness stand, three "yes's" sufficed after she had answered the routine questions as to her true name and length of residence here. Elizabeth Lewis, the actress' secretary, corroborated her testimony.

"Has a fair, just and equitable property settlement been made?" asked Wright.

"Yes," Miss Pickford's voice was low.

"Have you read the complaint?" "Yes."

"Are the charges (mental cruelty, indifference and neglect) true?" "Yes." Her eyes were lowered as if to avoid the curious glances of the few present in the court room.

New Hollywood is wondering about their new reported romances.

Bert Rogers, at his home in Olathe, Kas., said he was "just certain" his son, Buddy, and Miss Pickford did not plan to marry.

"Buddy was rather lost out there in California," said the elder Rogers, "and Mary took him in tow."

KELLOGG COMPANY'S WAGES AND VOLUME CONTINUE INCREASE

BATTLE CREEK, Mich., Jan. 11.—(AP)—During the present economic upsurge volume and wage scales have been increased by the Kellogg company, world's largest manufacturer of ready-to-eat cereals.

While employment during 1934 was nearly 20 per cent greater than in 1929. Advertising and sales promotion will be at a high-water mark for the company during 1935.

"During the lifetime of the Kellogg company," said W. K. Kellogg, president and founder, "the United States passed through a number of highs and lows in the economic cycle."

log company," said W. K. Kellogg, president and founder, "the United States passed through a number of highs and lows in the economic cycle."

"In our opinion the results have more than justified our belief that aggressive action, even during periods of economic upsets, is extremely beneficial to this company."

"Through the major part of the past few years our plants have operated on a 24-hour day schedule, with the six-hour day working shift and the highest wage scale ever paid our employees."
