

PRESBYTERY WILL MEET TONIGHT AT MERRILL, OREGON

A special call has been issued for a meeting tonight at Merrill, Oregon, of the Presbytery of Southwest Oregon to take up two items of urgent business.

The special business for this called meeting is the transfer of Rev. Stanley H. Jewell to work in the east, and the organization of a new Presbytery in the counties of southwest Oregon.

Being more conveniently reached by the Presbytery of Southwest Oregon than that of Sacramento, Calif., with which it would naturally be connected, the Tule Lake district was made a part of the "Lost River Parish," which also includes the churches of Merrill and Mallin, Oregon, and which has been conducted for several years as a special demonstration work directly connected with the general board of national missions of the Presbytery in New York City.

During this time Rev. Stanley H. Jewell has been the pastor in chief of the Lost River parish, in connection with the local work at Merrill, and has been instrumental in developing a new work at Tule Lake, which is now ready for organization as a church, it is believed. A substantial and comfortable new building has been already erected, and was dedicated several months ago.

The acting pastor, Mr. Jewell, has however felt compelled to arrange to go east to work in the future on account of the continuing ill health out here of Mrs. Jewell, whose health it is thought will be benefited by the change back to the east, where they lived previously to coming to Oregon in 1929.

Other work in the Presbytery of Southwest Oregon has been open recently to Mr. Jewell, and the men of the Presbytery are very sorry to lose him from their number.

SHERIFF BROWN VISITS MEDFORD DELEGATION IN STATE PENITENTIARY

Sheriff Syd I. Brown has returned from an auto trip to the Willamette valley where he met the sheriffs of Lane, Douglas and Marion counties, and state police heads, and visited the state penitentiary at Salem.

According to Sheriff Brown, L. A. Banks, former local agitator, serving life for murder, "is in fine spirits, and interested in the fruit situation in the Rogue River valley. It was the main topic of conversation with him," the sheriff said.

"I never saw Gordon Schermerhorn looking any better," said Sheriff Brown. "He has recovered from his disappointment at not being released January 1 and now expects to be released when he has served his minimum term, which expires next August."

"The former sheriff, serving three years for ballot theft conspiracy is employed in the prison butcher shop, a preferred and easy task."

"I talked to Earl Fehl, and he was glum and depressed, and is uncertain when he will be freed," Brown said. The former agitator aide of Banks, has filed four applications for a parole, all rejected by the parole board. "Fehl is a sort of prison roustabout, and is moved from job to job to keep him busy," the sheriff said.

GRAZING DISTRICT HEARING JAN. 25

A hearing on the establishment of the Pittsburg grazing district in eastern Jackson county, and embracing grazing land in the Butte creek district, has been scheduled for January 25, before the county court, and the herd inspector, Dr. J. A. Gitten.

The Pilot Rock grazing district, in the south end of the county, according to Gitten is in a stalemate, due to the inability of the stockmen to reach an agreement on the number of cattle to be ranged in the territory. California stockmen normally range 4000 cattle in the area, and an effort was made to reduce this number to 2000. The northern California stockmen dissented from this on the grounds they had used the range for 40 or 50 years.

Dr. Gitten says the district can range 8000 cattle, and that it now handles about 6000 per year.

Society and Clubs

Fourth Grade at Jackson Entertains At P. T. A. Meet

When the Jackson P. T. A. met in regular session on Friday, January 19, a very entertaining program was presented by the fourth grade for the pleasure of those present, including the sixth grade graduating class and their mothers.

The program exemplified the three different departments under the supervision of Miss Yvonne Smith: Hygiene, Nature Study and Geography. Under Hygiene, came the poem, "Nine Little Boys," and under Nature Study, a talk, "The Skunk," was ably given by Norton Smith.

Under Geography was "An Expedition to Eskimo Land," in which the children used clever and realistic models made by themselves in class to exemplify the living habits and crafts of the Eskimos.

Mr. H. W. Gustin, school principal, made an interesting talk to the graduating class on "The Child and His Money." It was pointed out that money can be a power either for good or bad and that children must gradually learn the proper comparative values.

Since the school child is approaching the time of greater responsibilities he can by learning to distinguish between imagined immediate wants and actual future needs, master the difficult task of making living demands and income come out even, Mr. Gustin said.

Members of the graduating class who were introduced, are as follows: Ruth Baugh, Billy Barber, Naomi Burrell, Billy Gheadle, Chester Cole, Geraldine Edwards, Buddy Evans, Stanley Gustin, Benny Longwell, Ned Lyman, Mordant Moulton, Lucile Schulte, Lyle Terrill, Weston Worden, Carrie May Rice.

The mother attendance prize was won by Miss Marion Briggs, room Mrs. Grace Reid, whose room has twice been the winner, exhibited a selection of four books which the children have purchased for the school library with their prize money.

Delicious refreshments were served the members and their guests following the meeting.

Mrs. Ulrich Entertains Honoring Mrs. Glenn Fabrick Mrs. Lewis Ulrich was hostess at a Hawaiian party Friday night honoring Mrs. Glenn Fabrick who will sail next month for the Orient and Islands.

Yellow Jasmine and colorful candles made the Ulrich home particularly attractive as a setting for the guests who wore costumes to represent various places which Mrs. Fabrick plans to visit.

Original games and refreshments were enjoyed during the evening by the following guests who are members of the Friday Book club: Mrs. Fabrick, Mrs. E. N. Vilim, Mrs. R. B. Hammond, Mrs. Allen Drury, Mrs. Jonas Wold, Mrs. A. E. Moore, Mrs. E. H. Porter and the hostess.

Mrs. W. L. Jones is Hostess to Church Group The Gleaser class of the First Baptist church had a very successful covered dish luncheon at the home of Mrs. W. L. Jones on Apple St., Thursday, Jan. 17. Rev. Saton expressed appreciation of the group for the entertainment.

Mrs. B. F. Neff presided at the business meeting and Mrs. R. L. Hague led the devotionals. The class elected Mrs. Maude Chapman teacher, as Mrs. E. N. Warner had resigned to take a class of young married people.

The class voted to have the Inter-natal Sunday School lessons as the basis of study. In the social hour, planned by Mrs. F. O. Carlow assisted by Mrs. E. E. Wilson, Mrs. M. E. Coe read some very interesting selections from several of the Oregon poets.

Mrs. Adrienne Steward returned to Medford this morning from California after attending the commencement program for the graduates of Samuel Merritt hospital in Oakland Thursday night. Miss Joan Stoehr, Mrs. Steward's sister, was a member of the class. She will remain at the hospital to complete eight months of additional training.

Mr. and Mrs. Al Stoehr and Mrs. Hazel Roberts, who motored south to be present at the graduation, are expected to arrive in Medford today.

Study Class Presbyterians Mission Society Will Meet The study class of the Women's Missionary society of the Presbyterian church will meet at the home of Mrs. A. R. Clement, 1223 West Main street Tuesday morning at ten o'clock, instead of at the home of Mrs. Bromer, as was previously announced.

A covered dish luncheon will be served at 12 o'clock. Those who are unable to come in the morning are urged to attend in the afternoon. The book to be studied is "Japanese Women Speak."

Trustees Will Be Guests at Community Club Dinner Mrs. T. W. Miles, Mrs. A. J. Hanby, Eugene Thorndike, Dr. B. R. Elliott and Don R. Newbury, trustees of the Girls' Community club, will be honor guests at a dinner given tonight at the club rooms on North Bartlett street by the board members. A representative of the year's progress will be presented, committee reports will be made and officers for the ensuing year will be elected at the meeting.

Economics Club to Meet at McCredie Home The Home Economics club of the Central Point Grange will meet Wednesday at 2 p. m. at the home of Miss Valma McCredie, on the old stage road. As this is the first meeting of the year, a large attendance is desired.

Golden Link Class To Meet on Thursday The Golden Link class of the First Baptist church will meet Thursday, Jan. 24, at 2:30 p. m. at the home of Mrs. N. A. Mead, 1223 Queen Ann avenue.

Class of DeMolay Receive First Degree Thursday evening a large class received their first degree into Medford chapter, Order of DeMolay. The degree was conferred by the Grants Pass chapter. A typical "boys' feed" was served after the degree.

With many social events planned for the year, Grants Pass chapter has invited Medford chapter to their sport dance, January 26. Many plan to go.

INTERPLEADER BY NIEDERMAYER DUE COMING MONDAY

Circuit Judge Carl Wimberly of Douglas county, assigned by the state supreme court, to hear evidence in the interpleader action filed by Niedermeyer, Inc. against E. H. Fehl, state prison inmate, his wife, Electa A. Fehl, and mother-in-law, Corintha Stalley, is expected to be here next Monday, to conduct proceedings.

The issue in the action is the distribution of approximately \$5700, awarded the Fehls against Niedermeyer, Inc., by a state supreme court decision. Chief claimants in the proceedings are Kelly and Kelly, counsel for Fehl, in the original suit; J. B. Thomas of Ashland, and Ted Heimroth of Griffin Creek, who loaned Fehl \$5300 to purchase the Pacific Record-Herald building at a sheriff's sale, and Jackson county which claims unpaid taxes on the property.

The claim of Kelly and Kelly amounts to \$2000 for services rendered, in the original trial, and the successful appeal to the supreme court. Fehl, in answer filed, denies the claim on the grounds that the legal services rendered by Kelly and Kelly were not authorized by him.

Possession of the Pacific Record-Herald building was recently obtained by Heimroth and Thomas. They also claim \$1000 for rent of the building while it was in litigation. This place is now rented by the forest service. Under the terms of the contract between Fehl, Thomas and Heimroth, the former was granted a year in which to redeem the building.

Reservations for the dinner on that date may be made by telephoning Mrs. J. H. Cochran.

Bag Big Lion LORDSBURG, N. M.—(UP)—A mountain lion, measuring 7 feet, 6 inches from tip to tip, the largest ever bagged here, was taken in the Mogollon mountains by Assistant District Attorney L. P. McHaffey and his ranch foreman, Mac Elms. They trailed the lion from 10 a. m. to 3 p. m. before hounds finally freed it.

Plump aromatic pepper berries rich in flavor. Ground just right to retain all the flavor. That's important.

Women of the Revolution was the subject of a most interesting and worthwhile paper read by Mrs. H. E. Armstrong at the meeting of Grater Lake chapter, Daughters of the American Revolution, on Saturday, Jan. 19.

The great sacrifice of the women of that period and the broad scope of their helpful work were called to mind. The patriotic influence of women like Mary and Martha Washington, Abigail Adams, Mary Draper and many others was emphasized and the outstanding accomplishments of Mercy Warren, Elizabeth Zane and Betsy Ross, mentioned.

Mrs. F. E. Nichols and Mrs. Edward Leach were guests of the chapter. The next regular meeting will be on Feb. 22, in commemoration of the anniversary of George Washington's birth.

Prison-Bound

OSCAR M. HARTZLER, 59-year-old explorer of the mythical "Sir Francis Drake" millenium who faces 10 years in Leavenworth for using the mails to defraud, is shown in a Chicago jail before he was taken to prison. (Associated Press Photo)

FIRST AID CLASS STARTING TONIGHT

A series of first aid classes sponsored by the Red Cross with Miss Marjorie Kelly in charge assisted by Sargeant Wm. Ellenburg of the state police will begin with a meeting tonight at 7:30 o'clock at the fire hall.

At tonight's meeting arrangements will be completed for future meetings and the group will be given the first steps in instruction.

All those interested in working toward a standard first aid certificate are invited to attend. Those who do not have first aid books are requested to bring money for them so that the class work may begin a tonight's meeting.

OUT OF STATE AUTOS MUST HAVE 1935 TAGS

State police will start February 1, enforcing foreign license regulations for autos, it was announced today. The first state to come under the new order will be drivers of California licensed cars still using 1934 plates.

A number of autos still bearing old California plates are in use in this county. After February 1 they will be required either to get a new California license, which costs \$3, or a new Oregon license costing \$5.

Jackson county autists and truck operators, according to the state police, have complied with license regulations better than at any time in the past five years. A majority have their new plates, state police say.

What sort of a world would this world be, if everybody were just like me?

ATHLETIC GIRLS MOST BEAUTIFUL

PHILADELPHIA (UP)—There's no question but that girls athletically inclined are more apt to have beauty," points out Fred E. Foertsch, special assistant in the Physical and Health Education division in the city schools.

So, girls, go in for all the hard and fast sports you wish. You will never get or be able to develop bulging muscles, and you are much more likely to be beautiful than your more sedate sisters. It's likely to enhance your beauty far more than mar it, says Foertsch.

Foertsch takes quite a fling at critics of women's athletics. He says the majority of girls could not develop bulging muscles simply because by nature they are not endowed with the requisites of developing them. Most persons think because men become hard and muscular through athletics that women will also acquire muscle hardness.

He admits there are a few who are so built as to get big, knobby muscles, but they are very much in the minority.

Mr. and Mrs. Lester Higginbotham of Central Point are the parents of a baby girl weighing six pounds, born Jan. 20 at Purcher's Maternity home.

Canada's Oldest Man CORBELL, Ont.—(UP)—Within 10 miles of this village, birthplace of the Dionne quintuplets, lives a man who spent over 100 years in this district before ever being mentioned in the news. While world interest centers on the quintuplets, John Birca is almost overlooked, although he is believed to be the oldest man in Canada. Last June 4 he celebrated his 111th birthday.

Plumber finds over-choking cost him 84 miles a month

SO HE'S CHANGING TO SUPER-SHELL

With an ordinary gasoline, your mileage during the warm-up period may be only 1/5 normal!

That's because ordinary gasoline requires you to use the choke excessively. With Thermalized Super-SHELL, you cut the choke period in half.

Super-SHELL can save you gasoline on all your cold starting. And when the weather's especially cold, it can save an entire cupful every start!
