The pre-primary program under Miss Dorothy McLean, Miss Mary Foster and Mrs. Naomi Hohman Van Dyke, includes a variety of constructive activities, outdoor play, music, dramatics, rhythms and French.

MOVIE AND DINNER TO AUGMENT BALL WEDNESDAY NIGHT

"The more the merrier," is the slogan adopted by the local Roosevelt ball committee.

Not only will there be the big dance at the Oriental Gardens that night (Wednesday next) but there will be a special dinner before and a special movie show after—the proceeds from all to go to the infantile paralysis fund, 30 per cent national and 70 per cent local.

This augmented program is made possible by the generous offer of George Hunt to turn over the Craterian theatre to the committee at eleven o'clock Wednesday night. A fine program will be put on, for the regular established charge, all the proceeds to be turned over to the Roosevelt fund.

A Roosevelt ball special dinner will also be put on by Manager Denison at the Hotel Medford for which a 25 cent cover charge will be assessed. The cover charge will go to the same fund.

The cause is such a worthy one the Roosevelt ball committee feels that the more avenues established for increasing the revenue the better for all concerned.

Moreover it is believed there are many people who for one reason or another don't care to dance, but would like to do their bit for the Roosevelt war on infantile paralysis. They can do this by eating at the Hotel Medford that night or attending the Craterian after 11 p. m.

It is believed the added attractions will swell the total proceeds this year materially.

Stewart Orchestra To Furnish Music At President's Ball

Al Stewart and his Nite Owls will furnish music for the President's ball, to be held at the Oriental Gardens Wednesday, January 30, according to announcement by Bob Strang, chairman of the orchestra committee.

At the ball last year Stewart appeared the most popular of orchestras engaged, it was stated by Strang, and his engagement this year is regarded as a triumph.

The orchestra has been preparing

many new orchestrations for the occasion and will boast ten pieces for the evening. They will appear in new uniforms, recently purchased.

Strang announced that the orchestra is donating half the money received to the general fund for paralysis relief.

There are several versions of why the grave is on the right of way and all of them are agreed that it is the burial place of a victim of the 1878 smallpox epidemic. The fence around the grave is painted when other paint work is being done.
