### Get Wards FREE Engineering Service Before You Apply for Your National Housing Act Loan

Wards maintain a large staff of competent Engineers. They can be of service to you in planning modernization jobs. Their help and advice is given you absolutely FREE... without obligation.

Before you apply for a loan, consult us. Get the advice of Ward's Engineering department on the kind of materials to use, the most economical way to do the work, the most suitable plan for financing the job.

#### N. H. A. Loans

We will be glad to work with you to determine the amount of loan needed to meet your requirements and advise you on filing loan application, provide free estimates on heating, plumbing and other installations.

#### Wards Budget Plan

Wards own Budget Plan will be particularly attractive to those who are considering modernizing jobs costing between \$20 and \$100. Under the N. H. A. plan the minimum loan available is \$100. At Wards you can pay as little as \$3 down on a \$20 order and the balance in convenient monthly payments of \$4 each. On larger amounts the terms are equally attractive. Under Wards Budget Plan you can also include furniture and house furnishings (not permissible under the N. H. A. plan) with your order for modernizing materials and equipment.
