

LUCIE LANDEN IN VIOLIN CONCERT AT SONS TONIGHT

Miss Lucie Landen, in a violin concert at Southern Oregon Normal auditorium this evening, will present an unusually interesting program.

Included in the program will be "Hindu Slumber Song," a violin arrangement written for Miss Landen by Karl Wecker, brilliant young conductor of the Grand Rapids, Mich. orchestra, who has been acclaimed by Gabilowitch, John Erskine and many others. Miss Landen and Karl Wecker were fellow students of Jean ten Have at the Cincinnati Conservatory of Music, from which Miss Landen is one of the youngest graduates, the first to pass the fourth year examination at the end of three years of study.

The program will also include "Nocturne," written by Miss Landen two years ago, and which has been played many times, always receiving favorable comment. Two more of Miss Landen's compositions, choruses for women's voices, have been published by Novello & Company of New York and London.

Another interesting number will be "Romance," by Wieniawski. The Romance, a slow movement of the Concerto in D minor, is one of the outstanding contributions to the violin repertoire.

Miss Landen, a recent addition to the faculty of Southern Oregon Normal, comes to Medford from New York City, where she was engaged in teaching and concert work.

Miss Landen will be accompanied by Miss Alice Holmback, a graduate of the college of music, University of Oregon, one of the outstanding pupils of John Stark Evans, winning the Mu Phi Epsilon scholarship in her junior year.

Miss Holmback plays with musical understanding and verve, and lends at all times adequate support to the soloist.

The hour of the concert is 8:15, and the public is cordially invited, no admission being charged.

Following is the program:

- Andante and Allegro.....Handel
- Theme and Variations.....Tartarini-Corelli
- Symphonic Espagnole.....Lalo

- Romance (MSS).....Wieniawski

TWO PIANISTS TO AID GLEEMEN IN CONCERT HIGH SCHOOL MONDAY

A new and novel feature of the Gleemen concert Monday night will be the accompaniment of the chorus by two pianos, Sebastian Apollo, associate director and accompanist of the organization since its inception, will be assisted by Miss Margaret Childers, accomplished pianist well known in local music circles.

Co-ordinating of the two pianos in the rhythm, tempo and the modulations of the chorus has been no small task, but in the capable hands of Mr. Apollo and Miss Childers a beautiful effect is obtained which adds materially to the choral rendition.

The artists will also be heard in several numbers arranged especially for two pianos and these numbers will in themselves be a splendid treat for music lovers.

The Gleemen are planning to make their performance Monday night by far the best of their career and with two versatile pianists in addition to the acquisition of Esther Bristol, whose lyric soprano voice is sure to take Medford by storm, they feel that their program will offer a variety pleasing to any type of audience.
