

GLEEMEN PLEASE LARGE THROG IN OPENING CONCERT

The first formal concert of this season and the fifth since their organization was presented last night at the high school auditorium by the Medford Gleemen under the direction of James Stevens.

The professional attitude toward music of those who had the affair in charge, was entirely evident in the selections of the numbers and their arrangement on the program as well as in the variety, style and effectiveness of the entire program.

The program, as printed, was embellished with a piano solo by Sebastian Apollo, assistant conductor and accompanist.

In addition to his program number "Tramps at Sea," Stohart, Mr. Stevens sang "Hills" by Frank Le Forge, and "The Tom Cat" by Galeplan.

Miss Ruth Severance is honored at Ashland. Miss Ruth Severance, teacher at Ashland high school for some time who will sail on the S. S. Lurline February 2 for Hawaii to accept a position in a business academy at Honolulu, was honored at a charmingly informal evening last Thursday at Ashland, by a group of friends and women members of the Ashland high school faculty.

Miss Severance is the daughter of Mr. and Mrs. E. S. Severance of Jacksonville and her departure for Hawaii will be regretted by many friends in Medford. She will be accompanied by Miss Lucille Phillips, whose home is in the Islands, and who accompanied Miss Severance to the United States following the latter's summer vacation in Hawaii.

The earlier evening was spent in the enjoyment of the beautifully portrayed Enoch Arden, by Dr. Mattie B. Shaw, assisted by Mrs. E. A. Woods, with the Strauss music.

At the close of the entertainment the group came to the Ashland Hotel, where the remainder of the time was spent in cards and conversation.

A midnight supper was the finale of an enjoyable evening, its varied entertainment and informality making it a red letter event in the social calendar of the group.
