

Oregon State Noses Out Oregon 33 to 31 by Last Half Rally

WEBFEET UNABLE TO HOLD LEAD IN INSPIRED FINISH

Hibbard Drops in Thirteen Points for Winner—Willie Jones Well Checked—University Ahead at Half

EUGENE, Ore., Feb. 2.—(AP)—With a driving fury that brought them from behind in the second half, the league leading Oregon State Beavers defeated University of Oregon 33 to 31 here tonight.

The Staters, who trailed 13 to 19 at the half, met Oregon's inspired play with a rush that brought them their sixth win in eight northern division coast conference starts.

The Oregon team, which just three weeks ago was crushed 47 to 18 by Oregon State, was a different team tonight on its home floor and jumped out with a three point lead at the start of the game. The Webfeet maintained their pace and led 18 to 12 at the half.

Then Oregon State, led by Captain George Hibbard, who whipped in 13 points for scoring honors, grabbed the lead in the second half but was forced to fight off a determined Oregon rally late in the hectic struggle.

The lead changed seven times as the traditional rivals battled as though each had the conference championship almost in grasp, while in fact Oregon State tops the league and Oregon is deep in the cellar.

The Beavers pulled up to a 25 to 19 lead in the second half, but a succession of three long shots brought Oregon within two points of a tie, with only a minute left to play. After nervous minutes Oregon State regained possession of the ball and held it until the gun.

Palmberg, slippery Oregon State forward, distinguished himself by making six "assists" and Sanford, smooth Oregon guard, had five of the passes leading directly to field goals.

ASTORIA WALLOPS SALEM HANDILY

ASTORIA, Ore., Feb. 2.—(AP)—With both teams showing only flashes of brilliance, the Astoria high basketball team, defending state champion, defeated Salem high, 32 to 17, here tonight.

The fishermen, setting a lively pace on their spacious court, led all the way. Both teams checked closely the first quarter which ended with the fishermen ahead, 4 to 1. This lead was boosted to 12 to 6 at the half.

In the third quarter the Salem team set a furious pace, but was unable to overtake the fishermen, who remained in the lead, 18 to 11, at the end of the period.

Johansen was high scorer with nine points. Queseth and Salstrom each scored four points for Salem.

ST. MARY'S LOSES TO OLD PLAYERS

While the Medford high school was battling it out with Chemawa Friday night, the St. Mary's high school and the St. Mary's All-Stars were having a little knock-down affair of their own in the small gym of the senior high school. The big brothers won, 59-44, but only after experience and speed tipped the game their way in the latter part of the fracas.

The Saint high school bunch time and again took the ball away from the All-Stars, and put up a wild, wild defense that resulted in several fouls for both sides. Filling in for Corliss, high school center unable to attend, was Dick Sakralda, who was formerly with the All-Stars. This young man won high point honors for himself with 24 markers, an impressive record, which just barely overshadowed the splendid one of Curtis for the All-Stars of 22 points.

This is the first game in ten starts to be dropped by the Irish five, but observers at the game declare they have nothing to be ashamed of in dropping a game to such experienced men as the All-Stars.

The lineups:

SMITH LEADS IN OAKMONT TOURNEY

OAKMONT CLUB, GLENDALE, Cal., Feb. 2.—(AP)—MacDonald Smith's putter went back on him today but he still shot a par 70 for a total of 205 strokes at the end of 54 holes to hold his lead of 5 up on the field in the Oakmont \$5,500 golf tournament.

There was little of the par-shattering that marked the second round as three came in to tie for second place behind the silent Scot. These were Jimmie Hines, of Long Island, Ky. Laffoon, Chicago, and Jack Gaines, a local amateur, who of week days spends his time as a high school pedagogue. They had totals of 210, equalling par.

A three-way tie also resulted for fifth place as the field moved toward its final round of medal play.

These were Harry Cooper, Chicago; Ray Mangrum, Los Angeles; and Clarence Clark, Bloomfield, N. J., each had 212.

DIZZY A HOLDOUT, DEMANDS \$25,000 SALARY OF CARDS

Ace Pitcher Dissatisfied With St. Louis Contract—Confers With Bredon Today On Terms—Action Surprises.

NEW YORK, Feb. 2.—(AP)—Contrary to his own previous statement that he had come to terms Dizzy Dean, ace pitcher of the world champion St. Louis Cardinals, today disclosed he was a holdout and had demanded \$25,000 for his 1935 contract.

Dizzy said that when he announced some time ago that he had come to terms with the club he was under the impression that what he was going to get.

When he finally got his contract figures designated from those of outside activities, principally one for a comic strip advertising food products, he discovered to his surprise that he was to get only \$17,500 for his baseball services.

"I haven't signed a contract, and I'm not going to sign one for less than \$25,000," he said. "That offer stands for two days and then my demand will be for \$30,000."

"Sam Bredon and Branch Rickey are coming in tomorrow and I'm going to go into conference with them then. They'd better come across, or else."

"They promised to get me a good contract for this outside work," Dean said, "and I got a good one but I don't see what that has to do with my baseball playing."

"If I'm not worth \$25,000 to the Cardinals then I don't want to play for them."

Dean's disagreement with the Cardinals came, as a surprise, he conferred with Bredon, president and majority stockholder in the Cardinals, early in December in Florida and made the announcement himself that he had come to terms at a figure "between \$20,000 and \$26,000."

Subsequently, when it was learned he had not actually signed any papers, Dean laughed it off and said that would be just a formality.

UNION CRK. SLIDE SKI MECCA TODAY

With no skiing in the Siskiyou or lower Green Spring mountains today, due to rapidly melting snow, the bulk of the ski enthusiast crop will probably hie themselves to the forest service slide at Union Creek, the big slide at Shasta City, California, or to the fine ones in the higher Green Springs on the Hyatt lake road.

The course near Union Creek is easily accessible by automobile, the roads being in good condition, and in addition the forest service has built a shelter, a supply of wood, and small stoves for cooking purposes.

The course is crusted from the cold, and is hard and fast, making one of the best slides in southern Oregon.

The only other course within easy striking distance of Medford is the one on the Hyatt lake road, and this can not be reached by automobile. Cars may be driven to the summit of the Green Springs, but must be left there. A hike of a mile or two up the road to the left from the summit reveals several excellent slides, and the depth of snow there was 2 feet Thursday, so should be sufficient for the skiing today, according to Chet Hubbard, of the Hubbard Bros. Hardware store.

OREGON STAR END JOINS PRO SQUAD

PORTLAND, Ore., Feb. 2.—(AP)—Four sturdy, stellar youths fresh from college grid wars will battle to prove their worth to professional football when they play with the Pacific Coast All-Stars against the New York Giants here tomorrow.

The game, to provide funds for Portland's annual summer Rose Festival, starts at 1:30 p. m.

The Chicago Cardinals have signed for tryouts next fall Butch Morse, Oregon end; Ike Peterson, Gonzaga halfback; Bill Wilson, Gonzaga end, and Hal Pangle, Oregon State blocking back. The four will play today with the All-Stars.

Paul J. Schisler, Cardinal coach, is coaching the All-Stars for their game against the world champion Giants. A number of the Cardinal players are on the All-Star team.

The game will give Portland fans their first glimpse of football under the new professional rules. A wide-open game has been promised.

Many of the players from both teams blazed their trails to fame in colleges of the northwest.

FOOTBALL STARS FORM NET TEAM

By John Solder
If you wish to lay the right members of the newly formed Medford High football players basketball team end to end, you would have 48 feet of net swishing, broken, field running athletes.

Russ Brown, captain of the 1934 state football co-champions, has pulled a Mikulak on the Medford fans. Assembling the cream of the basketball and football players of the local high school, Brown has formed a husky quintet that threatens to rival the traveling House of David team.

It will be a novelty to the followers of these gridsters to see them playing together for the first time. Next year will find practically every member on some opposing college freshman team, playing against each other.

"Leading Leo" Ghelardi, the boy with the knee action, will be among the congregation. Ghelardi is a three year letterman. Bill Bates, Bob Hinman, and Kietl Estes, are all two strikers, while Don Stewart, Joe Pierce, Burdette Kindred, and Ron Baker have all served three years on Medford High athletic teams.

"We will play any independent team in southern Oregon at any time they wish to schedule a game with us. We feel that we have a good ball club and we are desirous of a chance to prove ourselves," stated Russell Brown, manager, who can be reached at the Medford Senior high school on week days.

PACIFIC DEFEATS WILLAMETTE 33-26

SALTEM, Ore., Feb. 2.—(AP)—Smooth-working scoring plays enabled the Pacific university Badgers to defeat Willamette, 33 to 26, in a sensational second half comeback here tonight. It was the second northwest conference defeat for the Beavers in two starts and the third conference win for Pacific, defending champion, in four games.

With the Beavers holding a 14 to 7 advantage as the second half opened, the Badgers let Eddie Francis of Willamette sink a couple of gift shots to widen the breach to nine points, then proceeded to dominate the play for the remainder of the game.

Killits, speedy Badger guard, and Douglas, fast-moving center, were the hot-shots who led Pacific's booming attack. Killits was high point man with 11 counters.

Pancho Wins

MANILA, P. I., Feb. 2.—(AP)—Little Pancho, 115 pounds, Filipino boxer who returned recently from California, retained his Oriental bantamweight title when he took an easy decision here tonight from Speed Cabaneta, 110.

KLAMATH GOLFERS VIE HERE TODAY

An advance guard of Klamath Falls golfers, H. Ravizza and W. L. Andrews, arrived in Medford Saturday with word that much enthusiasm is being shown in the eastern Oregon city for the inter-city golf tournament to be held today at Rogue Valley course.

Indications are that nearly fifty golfers will make the trip, including several from Yreka and Dorris, Cal. Officials of Rogue Valley course have completed plans for an excellent tournament, and will pair Medford players with Klamath Falls delegation upon their arrival.

The first tee-offs are scheduled for shortly after 9:30 a. m., and ladies, of whom there are a good many coming from Klamath Falls, will play immediately after the men's tournament starts.

Starting at 1:30 a match will be staged between Bill Hockley, pro of the Klamath Falls club and Leland Clark, w. Jack Hueston, Medford pro, and Ed Simmons. This event is expected to bring out some tough competition.

As the Klamath players have been snowed under most of the winter, they are especially anxious to start swinging their clubs. It is hoped that fair weather will continue throughout the day to ensure the visitors a successful tournament.

SEEK GRAPPLER TO BEAT MEAN ABIE

With five prospective grapplers to choose from, Promoter Mack Lillard, at work on lining up next week's wrestling card, at the armory, assures Medford fans of two colorful bouts, with Abe Kaplan probably one of the main event characters.

Kaplan's opponent will be either Sad Sam Letters of Texas, Al Karasick of Portland or Pete Belcastro of Sacramento, Joe Hubka, popular ex-University of Nebraska athlete, may also be booked on the card.

Last Thursday Abe Kaplan demonstrated meanie tactics comparable to those employed by Red Devil himself, and local fans would appreciate seeing him stowed away. He is a tough man to compete with, however, because of his unscrupulous hair-pulling, biting and slugging, so Letters, Karasick and Belcastro are considering the offer carefully.

LUMAN DROPS IN DOUBLE FOUL TO DEFEAT CHEMAWA

In a hectic last-minute rally, the Medford Tigers nosed out Chemawa Indians, 25-24. Trailing by one point until the last half-minute, Luman, Medford forward, got two free throws when the Indian center fouled him, and the game was saved as both offerings flicked the strings.

Marked by close guarding, the game was wild and hard fought all the way, with Medford having a slight advantage 14-10 at half time. The Redskins had better luck last night than Friday, and Shoulderblade sunk two beautiful long ones that changed the whole aspect of the game, but frequent missing of set-ups that might have spelled victory, instead cost the Indians the game.

Shoulderblade's sensational long shots in the closing minutes was one of the outstanding features of the game, as was the phenomenal passing of the Chemawans throughout the fracas.

Smith for the locals was high point man for Medford, sharing 10 point ranking with Shoulderblade. Kunzman was next with 8 points.

Substitutes—Medford: Lewis, Sears, Campbell; Chemawa: Case.

In the preliminary, the Medford Junior High school nosed out the Eagle Point High school, 25-22.

Tigers Perk Up

In one of the most exciting games of the year, the Medford Tigers Friday night swamped the Chemawa Indians, 31-18, to show signs of a polished offense, knife-like attack, and strong defense that the fans have been hoping for all year.

The Redskins, while handling the ball flashily, were unable to cope with the fast-breaking combination that Bumgarner threw into the fray early in the second quarter, when Smith, regular guard, moved to center. VanDyke, who started at forward moved to take Smith's place vacated at guard, and Sears entered the game at VanDyke's forward position. With Kunzman at the other guard position, and Luman at forward, the combination clicked from the start, and the score mounted steadily.

One of the outstanding features of the evening were the swift thrusts the locals made to place the ball in scoring position. Prominent in these thrusts was Sam VanDyke, who gathered eight assists for himself, and time and again faked his guard to flash a hard one to Ettinger or Smith under the bucket.

Smith himself was one of the outstanding men on the floor, his specialty, the leaping turn shot for which he is becoming famous, accounting for six points. All of the men played

remarkable ball, and the hope was born last night in the hearts of Medford fans that the squad will rise to the heights of which they are capable and dump the powerful Ashland squad when they meet February 22.

Ashland has been raging through their schedule, chalking up the most impressive record to come from the Lithia city in several years. The locals feel confident that they can stop the Grizzly winning streak, and are pointing every effort to that end, and the Friday night game proved that they can be formidable when they work together.

The Chemawa reputation for showmanship has been well earned, their many floor work and passing giving the crowd many thrills. Time and again they broke up Medford passes, and recovered the ball, only to miss the bucket on the majority of their shots. If their shooting had been more accurate, the score might have been closer, but close guarding by the Tigers forced them to make most of their attempts from long distances, without giving the Indians time to get set for careful aim.

Near the end of the game the whole Medford squad had a chance to see action, and the men who were lately known as the "Tiger Cubs" upheld their end impressively.

Starting lineups:
Medford (31) —F— (18) Chemawa VanDyke (4) —F— (18) Shoulderblade Luman (4) —C— (9) Labroch Ettinger (4) —C— (2) Sanderville Smith (13) —G— (6) Adams Kunzman (3) —G— (1) Archambeau Substitutes—Medford: Sears, Stevenson, Campbell, Lewis, Hicks, Ayers, Baker, Vallier, Dickinson and Gifford. Chemawa: Spotted Eagle.
