NEW TIGER LINEUP FOR FRIDAY'S TILT HERE WITH G. PASS

By John Snider

A siege of flu has caught up with the local high school team and has forced Ray Ettinger, lanky center, to take his place on the sick list. With a more than important conference game coming up on Friday night, when the Tigers play Grants Pass here, this unexpected loss would appear to be the doom of the Tigers, but not so, for Coach Burgher still has a few tricks up the proverbial sleeve.

It was learned this morning that a new lineup will start Friday night. Necessity called for the switching of Bob Smith, present guard, to the center post. Stan Kunzman and Sam Van Dyke will probably start at guards, with Luman and Campbell in the forward positions.

If spirit has anything to do with it, the previous defeat by the Grants Pass team will be wiped out and an impressive score chalked up against the Cavemen. Playing on their own floor, as did Grants Pass in their winning game, the Tigers will have the feel of things. They will know where to sink the ball and when. Misjudging of shots will not be an obstacle as it so often is on an unfamiliar floor.

Roseburg will be the next stepping stone, when the locals play in that city on Saturday night. A 17-15 win is already credited to Medford over the Roseburg team in a game played here several weeks ago.

A two game series will be played with Klamath Falls on the week-end following the Grants Pass-Roseburg games. On Friday night, the Pelicans will play here and on Saturday night, Burgher's team will journey to Klamath for the second game.

Two games with Ashland and an open date will complete the schedule for the Medford high school, with possibility of a tournament to follow.

GIRLS' CLUB QUINTET TRIMS JACKSONVILLE TO TUNE OF 40 TO 22

Playing before a fair-sized crowd Tuesday evening the Girls' Community club basketball team defeated Jacksonville, 40 to 22, at Jacksonville. Using a fast overhead passing attack to work the ball under the basket for easy "loop" shots, the Medford girls, for the first time this season, played together as a unit.

Taxing the lead from the very start, Medford outclassed and outguessed its opponents during the first half. With the score 25 to 10, Medford sent in reserve players, every girl being given a chance to play. The locals were slow getting started in the third quarter, and Jacksonville came nearer then to tieing the score than at any other time.

Regaining something of its flashing first half play toward the end of the quarter, Medford was still in the lead as the fourth period began. During the last period Jacksonville was unable to get the ball into scoring position, netting only one shot.

With two and a half minutes to go the Medford starting lineup again took the floor and rolled in several more shots.

The Medford lineup:

Bateman and Brockway, forwards; Russel and Huett, centers; Clark and Ledges, guards; Green, Miller, D'Albini and Lang, substitutes.

BROUILLARD PUTS FOE AWAY IN 4TH

LOS ANGELES, Feb. 6.—(AP)—Lou Brouillard, former world welter and middleweight champion, today looked around for another fistic victim in these parts.

The hard hitting middleweight from Worcester, Mass., last night eliminated Indian Joe Rivers of Fresno from further competition in the fourth round of their scheduled 10-round engagement. Brouillard weighed 163, Rivers 162.

At the same time his traveling companian, Maxie Rosenbloom, slapped out a verdict in another 10-round bout over Johnny Miller, Des Moines.

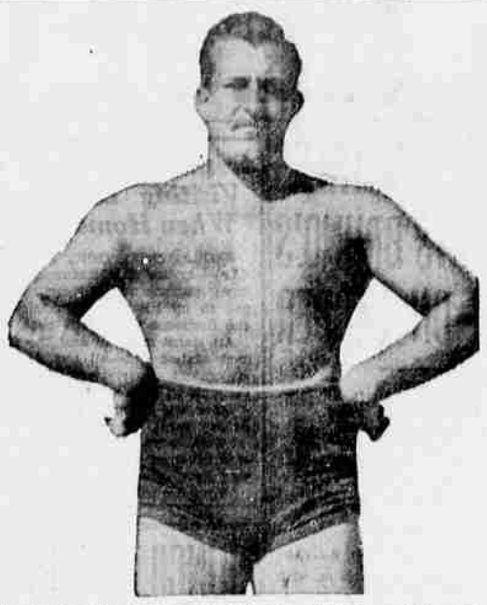
Big Target for Drop Kick



Despite the fact that he outweighs Pete Belcastro, belligerent Italian grappler, by more than 25 pounds, Hal Rumberg (above), Spokane giant, faces a tough assignment when he tangles with the drop-kicking Sacramentan in one of the main events of Thursday night's double wrestling program. Rumberg is noted for his strength, but belligerent Pete generally makes up for what he lacks in muscle with unorthodox matwork. In the other half of the card Sad Sam Lethers of Texas will meet Abe Kaplan, well-known "Jewish Gent."

PROSPECT TOWN QUINT TRIMS TEXACO STARS 36-31 IN HARD GAME

PROSPECT, Feb. 6.—(Spl.)—Monday night the Prospect town team took the Texaco All-Stars of Medford into camp to the tune of 36 to 31. It was a hard fought game from start to finish.

Texaco took the lead at the start with two points; Prospect then tied it and Texaco shot a foul for one point. From then on Prospect was in the lead to the end of the game.

Score at the half was Prospect 23, Texaco 15. In the last quarter Texaco started a rally which was cut short by the final whistle.

Lindstrom was high point man for Prospect with 13 points. Broomfield of Prospect was next with 10 points, and White and Swansen were high point men for Texaco with 8 points each. Lineups:

Prospect—		Texaco—
Lindstrom	F	Newland
Broomfield	F	Swanson
Schrader	C	Laing
Hill	G	Anderson
Hollenbeak	G	Williams

Substitutions: Spayde for Prospect; White for Texaco.

Prospect is on the lookout for more games and will be glad to hear from any team desiring to play.

Prospect plays the St. Mary's All-Stars here this evening.

EAGLES, CAVEMEN TALK MARATHON

GRANTS PASS, Feb. 6.—(AP)—A marathon footrace from Portland to Grants Pass is being contemplated by the Fraternal Order of Eagles and the Oregon Cavemen, it was learned here today.

The last great marathon to this city occurred in June, 1928, when 30 entries were made and Flying Cloud, Indian sponsored by the Cavemen, won the $1000 purse for the race from San Francisco. He trotted and ran over the Redwood highway 480 miles in 167 hours and 51 minutes. The distance from Portland is 276 miles.

If agreed on, the marathon will be held July 3, 4, and 5, when the state convention of Eagles meets in Grants Pass. The Cavemen, "descendants of the historic clans which dug the Oregon Caves and scooped out Crater Lake," will help arrange details.

Purses totaling $2000 are proposed.

TOLAN OUTSPEEDS SCOT IN 100-METER SPRINT

SYDNEY, Australia, Feb. 6.—(AP)—Eddie Tolan, former track star of University of Michigan, won a special 100 meter sprint from Willie McFarlane of Glasgow here today. Tolan's time was 11 11-16.

SAMS VALLEY SCHOOL BASKETBALLERS TAKE THREE FROM BT. FALLS

SAMS VALLEY, Feb. 6.—(Spl.)—Sams Valley scored a triple victory over Butte Falls on the local floor Friday night, the girls winning, 41-9, the "B" team 25-7 and the "A" team 38-17. Excellent teamwork and accurate shooting of Evagene Wyatt were too much for the visitors, as the local girls grabbed an early lead and were never hard pressed. Wyatt scored 29 points with Schulz gathering in the other 13, while Carson collected 5 and Paige 4 for the visiting team.

With everyone but Smith, guard, who played an excellent defensive game, taking a hand in the scoring the "B" warriors added another victory to their list to make their league leadership more secure. Butte Falls scored in the first minute of play, but Fredenburg, flashy forward, came back with a basket and a free throw to place his team in the lead where they remained the rest of the game. Fredenburg was again high man with nine counters. H. Tungate led the visitors with four.

Sinking his shots from all angles Lloyd Dusenberry, captain, gathered in 18 points to lead his team to its second league win. Wright scored for the locals on the opening tip-off and added another basket before the first minute of play was over. From there they continued to pile up a 12-2 lead at quarter time. Butte Falls came back the second quarter to play on even terms, each team scoring six points, to end the half 18-8.

The visitors started out with a rush in the second half and in two minutes had brought the score up to 18-13. From then on the Warriors went to work and seemed to score at will through the Butte Falls defense, as they added 20 points, while holding their opponents to 4.

In a fourth game of the evening the Butte Falls Townies scored a 31-15 win over the local townsmen.

PORTLAND CLUB GETS YOUNG FIRST SACKER

PORTLAND, Feb. 6.—(AP)—Harry Davis, first baseman of the Toledo club of the American Association last year, was today turned over to the Portland baseball club of the Pacific Coast league by the Detroit Americans, under option. The Portland club made the announcement.

Davis, 23 years old, batted .317 in the American Association last year.

SONS RECEIVE BID TO NATIONAL HOOP TOURNEY, DENVER

ASHLAND, Feb. 6.—(Spl.)—An official invitation to enter the national basketball tournament in Denver was received Tuesday by Howard Hobson, coach of the Southern Oregon Normal school, from the National Amateur Athletic Union.

This brings to a successful climax the hopes of the Normal school, Hobson, the players, and southern Oregon hoop fans. The outstanding record of winning 32 out of the last 33 games played in this season and last impressed the A. A. U. officials so favorably that the Sons couldn't be overlooked when the 32 teams were invited. The only obstacle now is the raising of approximately $600 for transportation.

Before the invitation arrived, it was believed that the Sons might have to enter the A. A. U. tournament in Seattle before they could go to Denver. Outstanding independent teams are staging a meet in the northern city to decide a winner to send to the national tournament. But the direct invitation makes it possible for the Sons to be included among the picked 32 teams of the nation. Many others will enter, but only the invited teams will have their expenses paid while in Denver.

A grand scrap among the players has been going on for some time to determine the nine men to be taken on the trip, for nine is the limit allowed to be entered by one team. The formal invitation received Tuesday will make the boys fight all the harder, for the journey is now a sure thing, providing the money can be raised.

The first five players—Patterson, McLean, Howell, Jockish, and Courtney—are certain to make the trip, barring a broken leg. Bob Braddock and Ray Jewell are two others who have an inside track for a berth in the Denver-bound Pullman. Braddock has been playing in sixth place all season, and is practically assured of a place on the traveling roster. Ray Jewell will undoubtedly be needed as a reserve center.

The other two places, if the Sons can go, will be chosen from Wayne Scott, Jack Eagle, Frank Pettyjohn, Clyde Dickinson, and Walton.

WRESTLER PAID $250 FOR LEADEN KNEE PAD

PORTLAND, Ore., Feb. 6.—(AP)—Jack Washburn, heavyweight wrestler, was fined $250 by Municipal Judge Long yesterday on charges of disorderly conduct during a wrestling exhibition here January 23 against Paul Boesch.

Washburn, it is claimed, had an illegal contraption attached to his knee in his bout with Boesch.

Washburn meets Abe Kaplan in the main event of tonight's wrestling card.

Judge Suspends Muth's Sentence

George J. Muth, sentenced to six months in the county jail, and pay a fine of $100 for possession of a distillery October 17 last, was granted a suspended term in an order signed yesterday by Circuit Judge H. D. Norton. Muth has been acting as a trusty.

Good behavior and departure from Jackson county are conditions of the suspended sentence, which was granted upon the showing that Mutch has employment elsewhere.

Texas Christian university next fall will play exactly the same array of football opponents as were on the 1934 schedule, including four major non-conference foes.

THIRD BOXING CARD FOR ELKS LODGE IS SET FOR THURSDAY

Third of the series of CCC boxing cards sponsored by Medford Elks lodge will be held at the temple on Thursday night, following regular lodge session, it was announced by Secretary Ernest Scott.

Five bouts featuring the best talent in Medford CCC district, picked through a series of elimination cards at various camps, will be lined up early tomorrow morning and brought to Medford. The fighters will be graded in a point system being used to determine the district championship.

Bang-up fights resulted from the last two cards and it is anticipated that as the talent is reduced to the most likely in the district, the fights will become faster and more entertaining as the tourney progresses. Following Thursday's card, the next fights will be held February 21 and the championship card, promising five bouts of first class boxing, will be held March 7.

Elks only may attend the card and will be served a free feed and beer during the evening. Exalted Ruler H. N. Butler promises a short and snappy lodge session.

BASKETBALL

ALBANY, Ore., Feb. 5.—(AP)—The College of Puget Sound basketball team of sophomores and juniors today was in a tie with Pacific University for second place in the northwest conference, following a 49 to 21 win over Albany college here last night.

PORTLAND, Ore., Feb. 6.—(AP)—Columbia university gained a last minute tie with Mt. Angel college here last night, and then scored three points for a 40 to 37 overtime victory.

LEWISTON, Ida., Feb. 6.—(AP)—Lewiston Normal school evened a four-game series with the eastern Oregon Normal basketball team last night by winning, 34 to 22.

TILLAMOOK, Ore., Feb. 6.—(AP)—Tillamook high basketball team today boasted 17 wins to only four defeats, following a 29 to 26 victory over Salem high school in a sizzling game here last night.

McMINNVILLE, Ore., Feb. 5.—(AP)—The McMinnville high basketball team sounded a state tournament challenge when it defeated the outstanding Longview, Wash., high team 30 to 23 here last night.

155 Dog Licenses Procured To Date

Dog-owners of Jackson county so far this week have taken out 44 licenses, bringing the total for the year to 155, County clerk office workers estimated that the number will pass the 200 mark by the end of the week. Something of a rush is anticipated for the two weeks, preceding March 1, final date for procuring of 1935 licenses. The fee is $1 for male and $1.50 for female dogs.

PILOT ROCK STOCK FEES AGREED UPON

An agreement was reached yesterday between stockmen grazing cattle in the Pilot Rock district, whereby Oregon stockmen will pay 10 cents per head for grazing rights and northern California stockmen, 25 cents per head. The number of northern California cattle to be driven in was placed at 4500. Commissioner Ralph G. Billings said terms had been signed and the rates approved.

The Pilot Rock grazing district was recently formed, and embraces the territory between the western boundary of Klamath county and the Pacific highway, and from the old Dead Indian road to the California state line. Between 6000 and 8000 head of cattle normally use the range annually.

Under the new terms, the northern California cattlemen are permitted to range the same number of cattle as in former years. Some of the northern California cattlemen, from the Hilt, Hornbrook and Montague districts have been using the range from 30 to 50 years.

Evangel Utilizes Pictures To Point Facts Of Sermon

Elmer Gandy, gospel evangel artist, conducting nightly meetings at 7:30, in the Church of the Nazarene Central avenue at Jackson street, interested his audience, last night by making two nature sketches, the first, sequoia trees of Sequoia national park, the oldest of which he said was more than 4,000 years old. He told his audience that there were approximately 2,000 of these gigantic trees still standing.

He likened Christian experience to being as enduring in its span through time and eternity by being anchored in God, as these great, century storm-tossed trees, which have stood the test through their anchorage in mother earth.

The second portrayal of the artist was that of Vernal Falls of Yosemite national park. The speaker said this is called by many one of his most beautiful pictures. The word "vernal," he stated, is the same root word from which we take our words, eternal life.

The house was filled last night to see the artist's work and hear him speak from the text, "If ye love me, keep my commandments." Tonight he will make two pictures.

VALLEYVIEW ROAD PLANS DISCUSSED

Business men of Ashland, and residents of the Valleyview district, near that city, met with the county court today, to discuss plans for the Valley View road, which has been in an unsettled state for several months.

Under the plan, according to Henry G. Enders of Ashland, the road will extend from the Pacific highway, eliminating a bridge, and avoiding a circuitous route, made necessary by the change in the Pacific highway.

Residents of the Valley View district recently reached an agreement on the route, and approval by the county court is sought.

The new route eliminates a proposed bridge across Bear creek, and its maintenance cost of about $150 per year.
