VALLEE'S EARNINGS IN LARGE FIGURES LAW ACTION SHOWS

Radio Hour Pays $2580 Weekly—Night Club Good for $5500 — Received $50,000 for Warner Film

NEW YORK, Feb. 6.—(AP)—After Rudy Vallee, singer, and his estranged wife, Fay Webb Vallee, heard themselves called "no angel" and "disloyal wife," respectively, the supreme court proceedings through which Mrs. Vallee is attempting to get more maintenance money were adjourned today until Thursday.

Benjamin Hartstein, one of Mrs. Vallee's attorneys, interrupted the cross-examination of Clarence Webb, the plaintiff's father, to move that court be adjourned to enable accountants to examine Vallee's books, for the purpose of learning the orchestra leader's income and expenditures.

Mum On Income

Thomas I. Sheridan, counsel for Mrs. Vallee, did not have any great success in finding out what Vallee's income was; the singer persistently refused to guess, even to within $50,000 or $100,000 a year.

On specific earnings, however, Sheridan adduced Vallee's income from radio, movie, and "barnstorming engagements."

As master of ceremonies in a radio hour, Vallee said, he received a weekly stipend of $2580 but that salaries to members of his band reduced it to about $1500.

The Hollywood restaurant, a night club, he testified, pays him $5500 a week. But he said he had received a fixed salary only since last November.

New Years Week Best

His best week, he said, probably was New Year's week 1934, when he received close to $7,000.

He also admitted that he had earned $400 a week for four weeks to make a moving picture for Fox and that Warner Brothers had paid him a flat $50,000 to make another picture. The Fox film was made in 1933.

Barnstorming tours — one-night stands out of town—added another $88,000 to the Vallee coffers in 1930, the singer testified, but he called the year "the good old days" and said his income has not maintained that level.

DAV CHAMPIONS CASES OF VETS UNFIT FOR WORK

(Contributed.)

Disabled veterans considered unemployable for public works should be rated totally disabled for compensation purposes by the Veterans' Administration, is the DAV program presented to meet the emergency when all "unemployables" are to be stricken by the Federal Emergency Relief Administration rolls and thrown back on the states and cities for food and quarters.

The announcement from the FERA was immediately followed by a presentation to General Hines by Thomas Kirby, insisting that if a man is unemployable for one agency of the government, the other agency should accept this designation as sufficient proof of his total disability, assuming that the disability is service connected.

The proposal is now being given study by federal officials with the DAV insisting that a decision be reached soon.

Thousands already have been quietly removed and approximately 3,800,000 more are to go—a number which Federal Relief Administrator Hopkins estimated will deplete the federal relief roll of 19,000,000 by 20 per cent.

Announced by Mr. Hopkins after White House conferences at which President Roosevelt agreed to a new government policy—"a dollar's worth of work for every dollar's worth of relief"—and prepared to include this in his instructions to congress, the action was designed to:

1. Clear federal rolls of all unemployables so all remaining employables can be transformed into an army of government-paid workers who, higher paid than at present, will labor on public works.

2. Force states to adopt new old-age pension laws or overhaul existing ones which have broken down so as to qualify for a federal subsidy which the administration seeks to offer commonwealths whose statutes meet Washington-dictated standards.

3. Obtain immediate passage of federal legislation necessary to institute the nation-wide federal-state pension program and to provide appropriations for a big public works relief program in the hope that a complete physical switchover to the works-pension setup can be made.

LICENSE ON SLOT MACHINES IS AIM

SALEM, Feb. 6.—(AP)—Bills providing for the non-partisan election of county school superintendents, licensing of slot machines and a firemen's and policemen's pension fund were among the score of new bills received by the house yesterday.

The slot machine bill places a restriction of 1500 machines upon the applicant, with a fee of $10 for each machine, and limits the number of machines in the state that may be licensed to 2500.

The pension fund bill provides that the officers contribute 1½ per cent of their salaries and payment of 2 per cent from gross revenues of various insurance companies.

KANSAS HOUSE PASSES BILL TO OUTLAW BEER

TOPEKA, Kans., Feb. 6.—(AP)—By a vote of 65 to 43 the house passed today and sent to the senate the Fossey anti-beer bill which is designed to outlaw 3.2 beer in Kansas.

MERCHANTS ENJOY PHOENIX GRANGERS DINNER AND DANCE

In appreciation of donations given by valley merchants for the new stage curtain at the Phoenix Grange hall, Phoenix Grange served a public chicken dinner and gave a dance last night with approximately 200 present.

Many of the guests were Medford merchants, and their wives, whose contributions have made possible the installation of the drop curtain.

The delicious dinner was served in the dining hall upstairs, with guests coming and going between 6:00 and 8:00 o'clock and keeping the dining hall well filled. The hall was decorated attractively with red crepe in Valentine's day motif.

After the dinner was served and those responsible for it complimented by the guests, dancing was enjoyed during the rest of the evening, with Boone's orchestra furnishing music. A feature of the entertainment was several rounds of square dancing with Grangers and their wives taking part. The Medford merchants, as honor guests, expressed their appreciation to those in charge for a very successful party.

The dinner was prepared and served under the direction of Mrs. Floyd V. Bell, chairman of the home economics committee, with the following assistants: Mesdames Telitha Pickle, Florence Drake, Dorothy Lofler, Margaret Bricker and Emma Willgamott.

Mrs. Susie Maust, chairman of the ways and means committee, was assisted by the following in giving the dance: Floyd Bell, Vance Willgamott and Lee Denzer. Mrs. Ethel Hockersmith had charge of the dining room and Lester Newbry seated the guests. The reception committee was Mrs. Mildred Ward, Mrs. Jane Knudson, Cliff Maust and Vance Willgamott.

The following merchants contributed for installation of the curtain: Huber Packing company, Medford Service Station, Safeway Stores, Larry Schade, Jackson County Feed company, Newbry & Sons, Medford Domestic Laundry, Piggly Wiggly, Monarch Seed and Feed, American Laundry, Medford Mail Tribune Hunt's Craterian and Rialto theaters, Davis and Davis, Phoenix Mercantile Store, Ever-Shady Auto Park, Economy Groceteria, East Side Plaza Meat Market, Medford National Bank, McCurdy-Daniels, Farmers and Fruitgrowers Bank, Finley Implement company, Ashland Feed Mill and The Toggery.

GRANTS PASS, Feb. 6.—(Spl.)—Four Josephine county persons, two men and two women, were held to federal grand jury under $500 and $1000 bail by United States Commissioner E. W. Madison Tuesday afternoon when they waived preliminary hearing on charges of violating the federal liquor act. They were arrested Monday by state and federal officers.

The defendants were Jacob Lange of the Illinois valley, 12 miles west of Selma; Ira Jackson, Gertrude Jackson and Margaret Bergman.

Lange was charged with possession and operation of an unregistered still. His bail was placed at $1000. The other three were charged with possession and offering for sale of tax unpaid distilled spirits. Their bail was placed at $500 each.

Lange was arrested at his home by the federal and state officers and brought to the county jail here Monday afternoon. The other three were arrested at a hotel in Selma.

ASHLAND POLICE ARREST TRIO ON G. PASS CHARGES

ASHLAND, Feb. 6.—(Spl.)—Two transient youths and a girl were picked up on the Boulevard in Ashland yesterday after local police had been notified that persons of similar descriptions were wanted in Grants Pass for the theft of two rifles and a pair of binoculars from the Palm Cafe there and a store in Wolf Creek Sunday night. Some money was also stolen at the cafe.

Robert Charles Yale, 18, and Josie de Goede, 19, both from Michigan, told police officers they were traveling together, unmarried. Ivan Neathamer, 21, Grants Pass, was the third member of the trio.

Chief of Police Talent found the two rifles in the canvas roll of the travelers, but Yale and Miss de Goede stated they received the property Monday morning from Harold Nichols, who was arrested in Grants Pass Tuesday.

In addition to the rifles, Talent found a .32 calibre Smith and Wesson pistol, which Yale said he had possessed for some time. The binoculars weren't found.

Captain Lee Bown of the state police came to Ashland to take the prisoners to Grants Pass. A possibility that a federal charge will be lodged against Yale was expressed by Talent, who stated that the Mann act had been violated.

Talent and Bown scoured the city for the trio Monday afternoon and evening, but it was found they had stayed at the home of Mrs. Lilly M. Schroeder, 840 A street, whom Neathamer claims is his aunt.

Yale and Miss de Goede had a guitar with them and claimed to be entertainers. Yale was dressed in a cowboy outfit, with a black sombrero and colorful kerchief, and wore a thin black mustache. Miss de Goede wore a long blue dress and coat, small blue hat, heavy cosmetics, and her eyebrows were plucked to a thin line.

GRANTS PASS WEARIES OF WAITING FOR PWA APPROVE SEWAGE LOAN

GRANTS PASS, Feb. 6.—(Spl)—Weary of waiting for further action by the public works administration in regard to the sewage disposal plant contemplated by Grants Pass, the city council and mayor held a special meeting Tuesday with John W. Cunningham of the Portland firm of Baar & Cunningham, engineers.

The council decided to write federal and state PWA heads.

The Portland engineer expressed an opinion that complete plans of the proposed sewage disposal plant are not essential for consummation of the $45,000 loan and grant. His firm has been employed to draw the necessary plans.

Cunningham said it would take from six weeks to two months to complete the plans, after the loan is made, and that the cost would be from $400 to $500.

City council members agreed that such expenditure on a gamble that the PWA loan and grant already approved will be finally made, is not advisable, the budget having already been pared as closely as possible. It was then Cunningham stated he did not believe complete plans are demanded by federal authorities before granting the loan.

The governor also signed the bill which will provide payment for the circuit court judges and justices of the supreme court for the latter part of last year.
