

### G. P. IRRIGATION DISTRICT PLANS TAX COLLECTION

GRANTS PASS, Fe. 8.—(Sp.)—Plans whereby the Grants Pass Irrigation district can collect delinquent water taxes now due the district were discussed Thursday at Niel R. Allen's offices by the district's board of directors, the advisory board, and the county court.

Formulation of a plan to collect the back taxes has been made mandatory by the Reconstruction Finance corporation and must be accepted by the RFC board before the proposed loan of \$280,000 will be assured.

E. Reed Carter, manager of the district, said Thursday the members of the three convening groups did not expect to finish the plan at this first meeting, but would have at least two meetings and probably more before a plan they would accept and could hope the RFC board would accept, could be arrived at.

The Grants Pass Irrigation district will rent water service during the coming season at the rate of \$5 per acre or a fraction thereof. Such was the vote of the directors at their meeting Wednesday, according to Miss Hazel Randolph, district clerk.

This rate will apply to all persons who live within the district boundaries, but whose lands are not included, such as homestead tracts not yet patented, and to persons to live within the city limits who use the irrigation water in preference to city water.

The directors further voted that all such rentals must be paid in advance.

This rental is \$2 higher than last year when the district charged only \$6 per acre for rental service, the same as bonded landholders paid in taxes.

Those having their land within the district will pay the same rate as last year—\$6 per acre.

### Spring Millinery Shows Wide Range Of Style, Colors

Spring millinery styles range from "Beehive Pie" bonnets with old-fashioned flowers to sophisticated chapeaus with most of the crown on the side of the head, and there isn't a color slighted in the assortment which arrived today at the Band Box and Shoe Box.

Mr. and Mrs. U. J. Carpenter returned to Medford Thursday after spending the past month in Los Angeles selecting apparel for their two southern Oregon stores.

Peanut blue is a new bright shade much favored along with navy, which is being sport-lighted everywhere. Lingerie trimming on dark frocks and lovely prints are important for spring, according to Mr. Carpenter.

The Carpenters attended the annual spring style show at the Biltmore hotel in Los Angeles to get the latest slants on women's wear before ordering their merchandise.

### COMMITTEE CUTS LARGE SUMS OFF EXPENSE BUDGETS

SALEM, Feb. 8.—(AP)—A 1935-1936 budgetary appropriation of \$351,046 for the Oregon Fairview home, nearly \$50,000 less than the department requested, was recommended by the joint ways and means committee of the legislature last night.

The sub-committee recommendation of an \$138,508 appropriation for the Oregon state school for the deaf was also approved, an amount approximately \$10,000 less than requested. The reduced salary scale would cut this by another \$10,000.

Other budgetary appropriations approved were:

For aid of blind students in institutions of higher learning, \$9000, same figure as requested.

For aid of deaf students in institutions of higher learning, \$800, same as requested.

State treasurer, \$53,000; \$180 less than requested. Salary reductions would reduce this figure by \$7500.

State engineer, \$94,848; virtually the same as requested.

Reclamation commission, \$17,850 as requested.

The committee gave an unfavorable report to the house bill asking a \$600 appropriation for the removal of dead fish from the Clackamas.

### MUD LARKS FAVORED IN SANTA ANITA PROGRAM

LOS ANGELES, Feb. 8.—(AP)—Mudders were favorites again in today's racing program at Santa Anita. Brown Jack, F. A. Carraud's 4 year old gelding, plowed through a heavy track yesterday to take the feature six furlong \$1,000 event in 1:13 2-5, with Rikky Miss second and Cutie Face showing. The winner paid \$18.40, \$9.20 and \$5.20.

Ann O'Rukey took the mile Hillcrest purse for 3 year olds trailed by the Mauler and Gille. Ann O'Rukey paid \$3.80, \$3 and \$2.60.

### CAVALCADE SUFFERING FROM INJURY TO HOOF

LOS ANGELES, Cal., Feb. 8.—(AP)—Cavalcade, future book favorite to capture the Santa Anita handicap on February 23, is suffering from an injured foot and today was scratched from the San Antonio weight-for-age handicap, to be run Saturday. It was not believed the injury would keep Cavalcade out of the Santa Anita handicap.

### BRITISH GOLF GALS FIND WRITING BAN STILL GOOD

LONDON.—(AP) Because they write for the newspapers, Enid Wilson and Diana Fishwick, two of England's outstanding women golfers, will continue to be ineligible for championship play next summer.

The Ladies' Golfing union made a determined effort to obtain a revision of the strict amateur rules, but the championship committee of the Royal and Ancient club refused to budge.
