SEE WHAT Our Buying DOES FOR Your Buying

On your very next food-shopping trip, stop in at Safeway Stores and see for yourself how our buying affects your buying. Examine and check the variety and quality of our brands; note the varied and far-away sources from which we have assembled our stocks . . . and, also you will find the best of locally produced foods. Inspect our produce and meat departments . . . and then compare our prices with those you have been paying before you shopped at Safeway. We believe you will then KNOW that when we buy we keep YOU in mind!
