

NEW BOXING RING IN CONSTRUCTION FOR ELKS FINALS

A new boxing ring, built to professional specifications, will be used at the Elks temple Thursday evening when the finals in the Medford district CCC championship are staged. Workers are busy this week constructing the new ring, which will make it possible for everyone to watch the fights without difficulty. The district championship fights promise to draw a record crowd. Excited that the smoker is open to Elks and their friends, stressed the importance of a large attendance. He said the crowd Thursday night will determine whether or not the Elks will have another similar series of CCC smokers, which will probably start in March, with the finals to be staged at the Elks picnic grounds in conjunction with a big feed.

Tickets for the finals are on sale at Rocky Ann Confectionary, People's Electric, Jarmin's Drugs, Higway Barber Shop and Frestate's cigar store. Every participant in the smoker has demonstrated his right to enter the final bouts and all are proven crowd pleasers. The special main event of the evening, a four-rounder, will bring together Billy Linder of Indian creek and Wilson of Hill. Linder has been a consistent winner in the district but the promoters have had difficulty finding an opponent good enough for him. In Wilson they believe they have a real discovery. Williams, colored, from Indian creek, will meet Chief Thomas, Indian scrapper of Bradford, in the three-round event. Thomas has not appeared in the early smokers because of a formidable enough opponent could not be found for him but Williams' first round knockout of Champagne on the last card puts him in the "fast company" class. Meyerhoffer, the boy from Spring Flat with dynamite in either hand, will keep company with Logan of Carberry in another fight that is expected to keep the crowd in an uproar. Both fighters use a straight up stance and like to mix. Moore of Indian creek, twice a victor on earlier cards, will go for three rounds with Max Gordon of Oregon. Claves.

WOMEN GOLFERS PLAY WEDNESDAY

Weather permitting, lady members of Hogue Valley Golf club will meet at the course tomorrow for a regular weekly tournament, which this time will be a two-ball foursome event. Rain put a damper on the tournament last week, despite a fair-weathered turnout, but it is expected that sunshine will prevail tomorrow. Luncheon will be served at noon at the club house. Mrs. Charles Ellis, Mrs. Gordon Green and Mrs. Gordon Humphreys are the committee in charge.

ST. PETERSBURG, Fla., March 5.—(AP)—Babe Ruth, here today to try on the uniform of the Boston Braves and work out for the first time as a National leaguer, thinks it will be like the good old days—the early stages of his own major league career—to find more fighting spirit, greater aggressiveness and sharper rivalry in baseball this year. "The Babe doesn't contemplate any personal feuds with Dizzy Dean or any one else. Even if the pitching star flung a lot of unkind remarks at him he still considers Dizzy "just a kid."

COOPERATION LOST

"The reason for this is not hard to find. The spontaneous cooperation of a free people... has been broken up into selfish warring groups by the deliberate designs of business and political quereulas. If we don't restore something of the solidarity and enthusiasm of 1933 among our whole people, and do it quickly, we are in for trouble of the most serious sort—for if a chaos of inflation and worse follows a frustration of these plans, nothing we can hope to do will keep a dictator out of Washington, and that chaos is imminently threatened."
