FOR 1934 No. 296.

AWARDED

Pulitzer Prize

Twenty-ninth Year

MEDFORD, OREGON, THURSDAY, MARCH 7, 1985.

By PAUL MALLON (Copyright, 1935, by Paul Mallon) WASHINGTON, March 7 .- The ra

dio job which General Johnson per-formed on Huey Long and Pather Coughlin * * * dressed up like * one - man affair. ene-man affair. Actually there were more hands on it than will ever be disclored. The general tried to absolve the New Deal from any connection with it.

Yet guests at the dinner noticed significantly that President Boost- PAUL MALLON President process Fact Markow well's good friend and adviser. Prof. Raymond Moley, sat nearby. Mr. Mo-lay not only sat, but he made a few fremarks before Johnson spoke, and these remarks were in priase of General Johnson

als.

eral Johnson. Carries 21 to 9 The truth of the matter is the New Dealers have been staying up nichts lately praying for someone who could answer the Long-Cough-in duet in its own raucous tone. Estatemen around Washington have been too prissy or too sensible to get involved in a melee with either. They realize it means unlimited and un-restrained vituperation and they conrestrained vituperation and they conat least Long's supremacy in

The Johnson speech was an answer to these prayers, and it did not ex-actly come from above.

There can be no question about Johnson accurately reflecting the un-spoken attitude of the New Dealers from the lowest to the highest. He did not exaggerate their sentiments when other hidden guns are un-masked. Johnson only fired the ob herat until the presidential cam-be herat quntil the presidential cam-the next year is over. when other hidden guns are un-masked. Johnson only fired the opening shot. The last one may not be herat quntil the presidential cam-the fight to the senate. Speaker John Coster led the fight for its passage. Chain store Tax Killed Prior to these debates the house withdrew the chain store tax bill

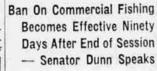

diamons, some men hear the top here did not believe he should have made the apeech, not for the reasons he cited, but because the general him-self is vulnerable. They thought his business and military background would prevent his remarks from strikhome with the Long and Cough-followers whom they want to

For that reason, it is felt the ef-for that reason, it is felt the ef-fectiveness of Johnson's remarks may not be as strategically effective out in the country as they were in Wash

Others who were on the inside of Johnson'st plans were members or officials of Father Coughlin's church ficials of Partier Coughins choices One member is supposed to have been Al Smith. Johnson himself implied as much. It is a political axiom in Washington that Father Coughin numbers very few Catholic church officials among his national follow

One reason Huey is so hard to anaver is that he is whely vague about his "share-the-wealth" plan and the

000.000.0000. Impartial economiats (not New Dealers) calculate roughly that the share of this wealth held by people with blocks of more than \$10,000.000 each is about \$35,000.000. The heat to the hazards of these had \$10,000.000 each is about \$35,000.000. ood. But even this is not the proper the 11 mile strip like a queen and his two trips up and down the course were made with clock-like precision. cel which Huey wants to split up
