CUT CUBE BUTTER PRICES ONE CENT

PORTLAND, Ore., March 14.—(AP)—A cut of 1 cent a pound in the price on all grades of cube butter except firsts was ordered during the late session of the exchange. The price of butterfat was reduced 1 cent a pound which suggested clearly the fear of increasing production rather than immediate supplies, which caused a drop of but half that amount in butter. Market for eggs was showing a firm to strong tone locally but was without price change for the day. Storage operations were gaining.

"Clive of India" at Craterian

Hailed as one of the outstanding screen achievements of the decade, "Clive of India," starring Ronald Colman with Loretta Young heading the supporting cast, starts a three-day run at the Craterian theater today. Tracing the rise of Robert Clive from a \$25 a year clerk in the East India company to the conqueror of a nation, the picture gives Colman the greatest role he has yet played. Spectacle has been combined with the stirring drama and the almost unbelievable romance of Clive's life. One of the most sensational sequences shows Clive and his small army averging the black crime of the Black Hole of Calcutta, the infamous cell, some 18 feet square, into which were crammed 145 men and women, and left to die by the soldiers of a cruel Indian potentate. A cast of over one thousand appear in the supporting roles.

Rialto Stars

One of the most thrilling pictures of risk and danger ever screened, "Under Pressure," will arrive at the Rialto theater tomorrow.

Edmund Lowe and Victor McLaglen, one of the most popular teams in the history of the film industry, are the co-stars of this unique story, which brings to the screen for the first time the lives and spectacular adventures of tunnel-workers. According to advance accounts, "Under Pressure" presents a new type of "underworld"—a world confined to a steel-lined tube some 17 feet in diameter, an unreal world of high-pressure air and smoke and raw, searing gases. Buried under 20 feet of mud and silt, with many feet of water above that, the men of "Under Pressure" live, fight and carry on with courage under astonishing and hazardous conditions. In addition to the co-starring team in the leading roles, a notable cast includes Florence Rice, Marjorie Rambeau, Charles Bickford, Siegfried Rumann, George Regas, Roger Imhof.
