Air Conditioned Cooler

A Miracle of Modern Refrigeration —

YOU know what happens even in your small home refrigerator if you don't air it frequently. Now imagine a refrigerator 700 times as large completely filled with tons of all kind of meats—To remove the meats, clean and air the box as frequently as you do your home refrigerator would be impossible—but Frigidaire found a way—Air Conditioning.

Would you like to see it — Tomorrow our large cooler at Store No. 1 is open for public inspection—Step into it and feel the blasts of chilled air—no odors—just pure fresh air—as sweet and clean as a mountain breeze.

It's just another of those things you have learned to expect from us—just one more assurance that the best at a money-saving price—will always come to you at its very best.

SUPER Meat Market

Ground Meats—Real Economy

Some of the most delicious foods are prepared from ground meats. They are economical too, as there is no bone waste—yet the price is low—as they are made from the less expensive cuts of meat.

We take a lot of pride in the goodness of our ground meats—chosen just as carefully as any other—they are fresh, clean and wholesome. You may buy them with absolute confidence—yet if you prefer to see them ground you may select any cut of meat and we will grind it in your presence.

With meat rapidly advancing—practice sensible economy by specializing in your home with ground meat dishes.
