

PUBLIC UTILITIES TRANSPORTATION CHIEF APPOINTED

SALEM, March 26.—(AP)—Edward A. Landis of Portland was appointed superintendent of transportation in the public utilities department by Frank C. McCulloch, utilities commissioner, today. He will take office April 1.

Herbert Hauser, present superintendent, was named as head of the field supervision and enforcement section of the motor transportation department, a position created by the 1933 legislature.

Hauser has acted as superintendent of transportation since the motor transportation act was placed under the utilities commission by the 1933 legislature, and McCulloch said he "organized that department and brought it to its present state of efficiency."

In addition to his duties as field supervisor, Hauser was named to assume the duties of chief examiner for the utilities commissioner for the utilities and will have direct charge of all hearings, McCulloch announced.

Landis has been engaged in the sand and gravel business in Portland the past few years and was business manager of a Portland hotel for some time before. He was at Salem today.

TEACHERS CHORUS CONCERT TONIGHT

The public is invited to attend the concert to be given by the Jackson County Teachers' chorus, tonight in the auditorium of the senior high school, starting at 8:15 o'clock. The chorus, which has the distinction of being the only county teachers' chorus in Oregon, will be assisted by the Medford Gleemen.

The chorus has been rehearsing for months on the concert, and an inclusive program has been arranged to include numbers by the Gleemen and solo numbers. The concert will be presented under the direction of Mrs. Esther Church Leake.

Mary Chambers, Dorothy Burgess and Constance Moore will be the accompanists, using two pianos furnished through the courtesy of Baldwin Piano Shop. A feature will be a piano duet by Constance Moore and Dorothy Burgess.

There will be no admission.

AMERICANS LUCKY IN SWEEPSTAKES

DUBLIN, Irish Free State, March 25.—(AP)—Tickets paying at least \$3.973 each are held by 287 Americans, by the fortune of today's drawing of horses in the Irish Hospital sweepstakes for the Grand National to be run Friday at Aintree. Five of the tickets are on the favorite, Golden Miller.

On this basis, the minimum total which is destined for the United States on the first day's drawings is \$1,036,850.

Sackett's Welcome Seven Lb. Daughter

SALEM, March 26.—(AP)—A seven-pound daughter was born early this morning to Mr. and Mrs. Sheldon F. Sackett of Salem.

Mrs. Sackett, formerly Beatrice Walton, served as secretary to four Oregon governors, starting with Governor Patterson. She lately resigned as secretary to Governor Martin. She is at present a member of the state board of higher education.

Hero Gets Medal For War Service After Long Wait

AURORA, Ill., March 26.—(AP)—For 18 years George W. Smith was a hero and didn't realize it.

After losing his honorable discharge, Smith, who served during the world war with the headquarters company of the thirty-third division, went to Washington for a certificate to take his place.

He received not only the certificate but a medal known as the silver star, and notification that he had been cited for gallantry.

first aid to the CCC boys, assisted by army doctors on the train.

The CCC train of nine coaches was from Medford, Ore., headed for Fort Sheridan, outside of Chicago.

Major Clarence H. Armstrong, commander of the Medford CCC district, is commander of the CCC special train which was struck by a freight train. First Lieutenant Roy W. Otto accompanied Major Armstrong as mess officer and Dr. Frank L. Hoagland as medical officer.

Twenty-eight CCC men were injured in the accident, but none seriously, according to a wire received from Major Armstrong by Major Robert F. Dark, acting district commander. They were given immediate first aid treatment by the train surgeon, Dr. Hoagland, and none had to be

taken to a hospital. The train was to be delayed about seven hours by the wreck.

One hundred and seventy-five men of whom were from Camp China Falls and 125 from Camp Cape Sebastian, were on the special train. All were being taken back to Fort Sheridan for discharge at the end of their CCC enrollment period. The officers will return here at the completion of the trip.

NORMAL ENROLLMENT IN OSC SPRING TERM

CORVALLIS, March 26.—(AP)—Classwork for the spring term started at Oregon State College today with a normal enrollment despite stormy weather during yesterday's registration.

The first day registration was 2,132 compared with 1,670 on opening day last year, and 2,221 on the first day of last term. Usually there are 200 to 300 late registrants. The final total for the winter term was 2,552.

'LIE DETECTOR' TEST WOULD FREE HUSBAND SAYS BRUNO'S WIFE

CHICAGO, March 26.—(AP)—If the authorities would ask Bruno Richard Hauptmann, convicted slayer of the Lindbergh baby, just a few questions under the Keeler polygraph detector and then act in accordance with its findings he would be freed instantly, his wife Mrs. Anna Hauptmann, declared today.

"If they (the authorities) asked Richard these few questions," cried Mrs. Hauptmann passionately, "the lie detector would show by his replies, that, as he said in the trial, he was innocent of the kidnaping or slaying, or any part of it."

Here on a tour of middlewestern cities to raise funds to push Hauptmann's appeal she asserted in an interview she would urge Edward Reilly, chief of the Hauptmann legal defense, to have a lie detector made on Hauptmann and attempt to have its findings entered in court records.

"It has now paid for itself and the Rollator Mechanism is better than new!"

of course it's a **NORGE** Rollator Refrigerator

"IN service over a year and it is better than new."

An amazing statement about a refrigerator? Not if you know the Norge Rollator Refrigerator.

The surplus-powered Rollator cold-making mechanism is almost everlasting and it actually does improve with use! That's a proven fact. A Rollator Compressor on factory test, instead of becoming less efficient with use, became more efficient, used less current.

And that Rollator Compressor has been running for the equivalent of 33 years in your home. It's still running.

Be sure to see the Norge before you buy.
