Spring House Cleaning

THE poet's song tells of how — "In the spring a young man's fancy lightly turns to thoughts of love"—but he didn't tell the rest of the story—he forgot the after-effect. He should have added a line about the spring thoughts of the bride which should have run like this—"In the spring a house wife's fancy wearily turns to thoughts of house cleaning."

To lighten that burden by shortening the job, we offer worth while savings on everything needed to brighten the home for summer.
