

# FRANK DE SOUZA NEW COMMODORE S. O. BOAT CLUB

### Homer Bringle, Vice-Commodore, Jack Marshall, Secretary, Named at Annual Meeting—Talk Plans

One of the most enthusiastic meetings ever held by the Southern Oregon Boat Club was conducted last night at the chamber of commerce. It was announced by officials this morning. Being the annual meeting, a general discussion was entered into regarding what has been done during the past year and also relative to the program for the coming twelve months.

Following the round table discussion, election of officers took place which resulted as follows: Frank De Souza, commodore; Homer Bringle, vice-commodore; Jack Marshall, secretary-treasurer. A motion to dispense with the by-laws as they pertain to installation of officers was unanimously adopted and the new officers were immediately installed.

Upon accepting the office of commodore, DeSouza outlined many things which he believed the club could do for southern Oregon in the future. "Perhaps I am a dreamer when it comes to visualizing the possibilities of publishing the recreational advantages of this section," he stated, "but I am so thoroughly sold on southern Oregon and the recreational advantages which we have that I feel I want to tell everyone about them," he continued.

"Contrary to the opinion which some may have, this organization is not a boat club in which only those who have racing boats can join. This is an outdoor and recreational club and every fisherman, hunter, and boating enthusiast should be a member. There are hundreds in this valley who own rowboats who should be associated with us. Our purpose is to encourage citizens to take advantage of the great outdoors of southern Oregon and to assist the chamber of commerce in bringing others here to enjoy our scenic beauties."

Mr. DeSouza referred to the bill recently enacted by the legislature to close the Rogue river to commercial fishermen, and it was unanimously voted to combat any movement which may be started to bring about a referendum on this subject.

Possibility of staging a boat show here was discussed and a committee will be appointed later on to make recommendations regarding this. Question of holding a regatta also was mentioned at the meeting but the matter was laid on the table until such time as the new commodore has appointed his committee and perfected his organization. A vote of thanks was extended to Dick Kay, who has been commodore during the past year and under whose leadership the club made splendid headway. Following the meeting, the members went to Mr. Kay's home where they were guests of Mr. and Mrs. Kay for the remainder of the evening.

## SCOUT LEADERS' SCHOOL TONIGHT

The second session in the Scout Leaders' training course being conducted under the auspices of the Boy Scouts of America, for all men, fathers of boys as well as those in scouting work, will be held at 8 o'clock tonight at the Roosevelt school. A. O. Soderberg, scout executive, is in charge of the classes.

O. W. Marshall will be principal speaker tonight on "Educational Objectives." His talk will be followed by a continuation of the discussion of the natural tendencies of the early adolescent boy.

The course, consisting of eight indoor meetings and one outdoor meeting, was outlined by national headquarters of Boy Scouts of America, which will give certificates to those completing the training. Fifteen men attended the last meeting and an increase is expected tonight. There is no charge for the classes.

## PINE ASSOCIATION WOULD KEEP CODE

PORTLAND, April 2.—(AP)—Although the members and directors of the West Coast Lumbermen's Association have voted for suspension of the NRA lumber code, an opposite stand is taken by their fellow lumbermen in the Western Pine Association. The executive committee of the Western Pine group, meeting here late yesterday, gave the code a vote of confidence and recommended its continuation. The committee stated it would notify the national control committee of the lumber code authority that it is "not only opposed to the suspension of the code at this time but also to any modification which would require government approval of the authority's action." To fill all of California's oil burning orchard heaters once requires 2,500 railway tank cars of oil.

## GIRLS' LEAGUE WEEK OPENED AT LUNCHEON MERIT AWARDS GIVEN

Opening of Girls' League week at the Medford high school was featured yesterday noon with a joint council luncheon of the Girls' and Boys' League council members. About 30 were present, including Miss Karin Degermark, Miss Mairine Carroll, and Mr. Walt, advisors for these two groups. Guest teachers were: Miss Doris Baler, Mrs. Esther Leake, Miss Josephine Kirtley, Rex Robinson and C. G. Smith.

Entertainment was provided with a piano number by Connie Moore and one-minute talks on timely subjects of the day. Those giving the talks were: Ed Carter, Leonard Hicks, John Dickinson, Phil Lowary and Gordon Benson.

Dorothy Burgess closed the meeting with a short talk and requested members of the girls' council to remain for a short business meeting. The purpose was to nominate girls for the merit awards. Three girls were nominated from each class.

At 1 o'clock a Girls' League meeting was held to distribute the week's programs and to vote on candidates for the merit awards.

Girls receiving this award were: Seniors, Frances Combe and Anna Scheel; juniors, Akiko Saito and Catherine Ford; sophomores, Lois Herman and Kathleen Dilard.

Dorothy Burgess, president, urged all girls to invite their mothers to the assembly which will be held tomorrow at 1 o'clock in the high school auditorium.

## STERILIZATION USED BY COMMUNISTS FOR ARMY DUTY EVASION

BRUSSELS, April 2.—(AP)—Norbert Barthez, 34, an alleged German communist agitator, was questioned by police today in connection with a campaign for illegal sterilization operations as a means of evading military duty. Barthez was arrested last night at the request of French authorities.

who are tracing down the perpetrators of 15 sterilization operations performed in the last few days at Bordeaux. Two other persons were arrested in connection with Barthez's detention, the police asserting he had organized a communist campaign for sterilization operations. If Barthez is found guilty he is liable to a prison sentence for life at hard labor. Barthez told police he had not performed the operations at Bordeaux but that they were the work of a Paris physician. He declined to name any accomplices but was said to have admitted freely that he was a communist and that he approved the sterilization idea.
