CHURCH OF NAZARENE PLANS OBSERVATION OF 13TH ANNIVERSARY

The Church of the Nazarene will commemorate the thirteenth anniversary, which marks the founding of the local denomination, on Sunday morning, April 7. Dr. J. E. Bates, of Portland, Ore., will be the principal speaker of the day.

Dr. J. E. Bates

Dr. J. E. Bates, principal speaker of the day. Mrs. Ella Herman, one of the four remaining charter members, will give some interesting reminiscences relative to the church organization.

The church was organized with 13 charter members and is celebrating its 13th anniversary. Sunday is expected to be a red letter day in setting stakes for new developments in the local organization.

BIG SEAPLANE TRIES WINGS WITH LOAD IN PRE-PACIFIC TESTS

ALAMEDA, Cal., April 5.—(AP)—The Pan-American clipper, huge seaplane brought here to inaugurate the projected trans-Pacific air transport service, took off today with a payload of 22,000 pounds on the first of a series of load test flights.

It was announced the ship, which left the waters of San Francisco bay at 10:48 a. m. after a 28 second run of 1,700 feet with full gun, would fly up the California coast to Eureka, circle and return to San Francisco bay where it would maneuver about an hour, exploring different approaches to the harbor, before returning to the base here.

Aboard the ship besides Captain Edwin C. Musick and the five others of the crew were John C. Leelle, division engineer for Pan-American Airways, and H. C. Baabrouck, representative of the Pratt & Whitney engine manufacturers, who went aloft to watch the test of a gasoline flow meter which records fuel consumption.

The Pan-American staff at the airport here—or, more accurately, the seadrome—expressed pleasure over the ease with which the four motored seaplanes took the air. The load carried was 4,000 pounds more than the 18,000 pound weight of the ship, they said.

Extra Film Feature Craterian Saturday

"Gigolette," revealing the life behind the scenes in the adventure laden lives of the night-club hostesses, will be the preview for the Craterian theatre after the last regular show tomorrow night. Adrienne Ames, Ralph Bellamy, Donald Cook and Robert Armstrong have the leading roles.

"David Copperfield," the picturization of the famous story by Charles Dickens, continues to win praise at the Craterian where it closes its successful run tomorrow. A cast of 55 bring the story to life.

Rialto Thriller

That worn out gag, 'I don't want a book—I have one,' may have been funny once, but it becomes serious business in 'Secret of the Chateau,' Universal's thrilling French mystery screen play at the Rialto theatre, for today and Saturday, with Claire Dodd, Clark Williams, Alice White, and Jack LaRue in the leading roles.

In the production, a dozen different people are trying to get possession of a book, an original of the Gutenberg Bible, printed about 1450 A. D., valued today at anywhere from \$250,000 to \$500,000, depending on how much you like books and how much money you have in the bank.

Two persons are murdered, the book is stolen and everyone is suspected before the mystery is exposed and the secret of the old chateau is cleared up.

Coming Sunday

Ring Crosby, as Dixie's fiercest fighter and sweetest singer, leads the comedy, singing and romantic cast of "Mississippi," which comes Sunday to the Craterian theatre.

"Mississippi," a story of the Old South, stars Crosby with W. C. Fields and Joan Bennett, while Queenie Smith, John Miljan, Gail Patrick and the Cabin Kids are prominently featured in the supporting cast.

The plot of "Mississippi" revolves about a Yankee youth, unfamiliar with the ways of the Old South, who declines to duel for his sweetheart's hand.

Branded as a coward, he finds refuge with old Commodore Jackson's troupe of actors as a singing attraction. Under the Commodore's tutelage, he becomes the most feared gunfighter on the river, and just as he is about to return to the girl, he finds that he is in love with another lady who detests dueling.

Richard Rodgers and Lorenz Hart composed the four new tunes sung by Crosby in "Mississippi." They include "Soon," "Down by the River," and "It's Easy to Remember."

Western Thriller On Roxy Program

"Five Bad Men," a vivid story of an old feud between a cattle rancher and a former army colonel, comes to the Roxy theatre tomorrow with Noah Beery Jr., heading the cast. Others include Bill Patton, Buffalo Bill Jr., Wally Wales, Pete Morrison and Art Mix. When the colonel turns on his old friends and imports five gunmen to carry out his plans, things start popping.

On the same program will be the

CONGRESS ACTION IS CONCLUDED BY SENATE APPROVAL

projects under way a year from next summer when they can have an effect on the election.

Taber quoted from what he described as a "democratic campaign paper" named the "Window Seat" this statement, in connection with the bill:

"Don't forget that this expenditure will practically assure President Roosevelt's re-election."

There were some democratic hand-claps when he read that sentence, but no one interrupted him as Taber added:

"That is the object of this bill. It's raw, raw."

He claimed, too, that "we are going to be assured of incompetent administration" because Harry L. Hopkins, relief administrator; Secretary Ickes and Rexford Guy Tagwell, undersecretary of agriculture, would have a hand in it.

The democratic chiefs obviously were pleased at the "compromise" reached over the provision which would have required that one-third of the \$900,000,000 allocated for non-federal projects should go to "direct work."

They were particularly pleased that the work requirement had been reduced to 25 per cent and the word "direct" eliminated, claiming that there were very few types of projects on which "indirect" work would not exceed that figure.

Less than a hundred members were present when the conference report was brought in, but the big hall filled rapidly as debate began.

KITTEN-BALL LEAGUE WITH 10 TEAMS WILL OPEN PLAY APRIL 15

The Medford Twilight Kittenball league will go into action April 15, plans drawn up at a recent meeting of managers of 10 teams indicate. The complete league schedule has not been drawn up as yet, but already pairings have been made for the first four games of the year.

On Monday, April 15, at Van Scoyoc field the Active club and the Christian church will tangle in the seasonal curtain raiser, and the Standard Bikers will swap swings with Lamports. The next night the Jennings Tire and Snider's Dairy outfits will clash, and the Union Oilers will meet the Office Boys.

The first 10-team league for this city promises more action than the fans will need, and Sam Colton, manager and pitcher for the Office Boys, foresees unprecedented interest in the 35 season. Kittenball, because of the small expense involved, has almost superseded "hard ball" as the universal pastime in this city for the warm spring and summer days. More than a hundred men will actively participate in this year's events.
