DRS. HOWARD AND SHERWOOD LAUNCH CRAIG WOOD SETS HOSPITAL PROJECT

Work Started On Remodeling Luke Ryan Home On East Jackson - Modern

Work is under way on the remodel ing and expansion of the large residence at 215 East Jackson, formerly known as the Luke Ryan home, preparatory to theopening of a hospital. Drs. W. W. Howard and Russian Drs. W. W. Howard and Russian Russi pital. Drs. W. W. Howard and Russell R. Sherwood recently purchased the property from J. W. Jacobs and are planning the organization of the hospital to fill a need for a more complete and modern aervice in the community.

Within six weeks the building will be completed and equipped and the hospital opened to the public not only through the associate practice of Drs. Howard and Sherwood but

of Drs. Howard and Sherwood but also through the services of all other reputable physicians of the valley. The hospital staff will be composed of graduate pures.

of graduate nurses.

The building, which is set back from the street in a large lawn and autrounded by shade trees, is to be refinished on the outside as well as

partitioned and transformed into offices, a physiotherapy room and dressing rooms.

A feature of the hospital will be construction of the walls, which will be of sound-proof material to insure the utmost quiet. The entire building will be air conditioned by a cooling system that will circulate air drawn by fans from cold-air intakes, continuously during warm weather. In the winter a complete new heating system will give hot-air radiation from an automatic oil burner and mailation in the roof will further regulate the target of which are registered to the target of the form and a four shot the day of the turn of the turn of the winter a complete and the day of the turn of the winter a complete of which are the day of the form and and withing a to the turn of and away their Senators emerge with a two-day count of 135 and a four shot two day ount of with a two-day count of 135 and a four shot two day ount of with a two-day count of 135 and a four shot two day ount of with a two-day count of 135 and a four shot two day ount of with a two-day count of 135 and a f

In the winter a complete new heating system will give hot-air radiation-from an automatic oil burner and insulation in the roof will further regulate the temperature inside. Electric refrigeration and electric socking equipment will be installed. The second floor will be equipped with from eight to ten of the latest type sirflow beds, which have three-spring suspension and may be operated from the foot to any desirable position. Wheel chairs will be provided for use on the large convalencent aun porch, which is to be open-air on the east and south.

An an utility room adjoining the aurgery there will be a bank of sterrs and an autoclave, a live steam ellizers and an autociave, a live season aterilizer to assure adequate steriliza-tion of all surgical equipment. A success short-wave disthermy will be installed in the physiotherapy room. Wiring throughout the building will

Wiring throughout the building will be installed in fire-proof pipes, and electrical equipment in and near the urgery will be equipped with explo-sion proof material to insure safety during anaesthesis.

Dr. Howard has practiced as phy-sician and surgeon in Medford for the past 22 years, specializing in eye, ear, nose and threat treatment. Dr. Sher-wood has recurred recently after a wood has returned recently after ofesional course and four-year in

professional course and four-year au-ternably and residency in Los Angeles county hosiptal, recieving special training in surgery and obstetrics. The new institution will be known as the Osteopathic Clinic and Hos-
