THEY TO GRAPPLE ITALIAN COLUMBO ON COMING CARD

Ted They, belligerent Portland wrestler, will return from an invasion of the south this week to meet Casey Columbo, smooth-tongued Italian, in one of the double main-event matches next Thursday night at the armory. Announcing the card today, Promoter Mack Lillard said Joe Hubka, popular ex-football player from University of Nebraska, will appear in the other half of the program against Joe Smolinski, 200-pound newcomer from Poland, who is coming out west with a reputation for fast, hard wrestling gained along the Atlantic coast.

It has been some time since They appeared at the local grip and groin emporium, and many fans will welcome him back as one of the most colorful grapplers seen here. He is big and burly, with no scruples when it comes to roughness. Columbo, who wrestled to a draw with Joe Hubka last week, likes his wrestling clean, but probably will be able to take care of himself against the big Portlander.

The chance to see both Columbo and Hubka work on the same card again promises to go over big with the fans, who consider these two bon-benders the most popular to visit Medford in some time.

"Iron Man" Hubka may be matched against a good man in the Polish star, but if he keeps up the fast, clean network he has demonstrated here for the last several weeks, it should go hard for the newcomer.

GUEST TOURNAMENT AT ROGUE VALLEY COURSE SCHEDULED ON SUNDAY

Non-members of Rogue Valley golf club and newcomers to Medford are invited to attend the guest tournament at the course next Sunday. It was announced today by Verne Shangle, head of the club's membership campaign.

Letters are being sent this week to prospective members and newcomers who are interested in golf, and between 50 and 100 are expected to attend the tourney, which will commence at 9 o'clock in the morning. Shangle pointed out that it is not possible to remember everyone who will wish to enter the tournament, and urged that whether they receive letters or not, all those interested come out.

The tourney will be played under blind bogey rules to assure all an equal chance of winning regardless of their game. The prize will be a month's membership card, which has a cash value of \$5.50.

Purpose of the tourney is to encourage golf interest in Medford and to get new players acquainted with one another, as part of a drive to increase the club membership from 100 to 150.

OPENING GAMES WASHED OUT IN MOST OF PARKS

By the Associated Press

The Coast league baseball season, its scheduled gala openings badly crippled by rain, will try for a fresh start tomorrow, although the Seals and Missions will try to get in one game at San Francisco tonight.

Tuesday's schedule, still tentative in view of rain clouds and mucky diamonds, calls for Oakland to meet the San Francisco Seals at Oakland, Portland to swing into action against Hollywood at Los Angeles, the Angels to invade Sacramento and Seattle to clash with the Missions at San Francisco.

Only two games of those scheduled to open the season Saturday and Sunday were played.

A crowd of 15,000 saw the Angels, last year's pennant winners, take the Hollywood Skeks 10 to 8 at Los Angeles. Marvin Gudat supplying the winning margin with a homer with a man on in the eighth inning.

At Sacramento 6000 watched the Senators swamp the Seattle Indians 10-0 in a game cut short by rain after seven innings.

The other two openers, Portland vs. the Oaks at Oakland and the Seals vs. the Missions, were completely rained out, and all games scheduled for yesterday were also cancelled.

HAMMOND TRIMS CLARK TO ENTER GOLF CUP FINAL

R. B. Hammond, Sr., a dead-eye on approach shots, and E. L. Childers, a dark horse who set a surprising pace in early competition, will meet in the finals of the President's cup golf tournament, it was determined over the week end with completion of the semi-final matches. The finals will be held next Sunday in a 36-hole contest.

Hammond eliminated Leland Clark, after leading him around in the rain yesterday, 2 and 1, the win coming as no great surprise because Clark gave his opponent five strokes. Clark, five down at the turn, staged a plucky comeback, but it was not quite strong enough to overcome the telephone chief's lead.

Hammond, as usual, played a bang-up approach game, finding his way to the greens with little trouble and sinking long putts. The last holes of the match were played in a driving rain, which seemed to add zest to Clark's performance.

Childers earned the right to enter the finals by eliminating Sprague Riegel, 7 and 6, in an easy match Saturday afternoon. Playing on an even basis with handicaps of 16, both played good games. Childers looked like Walter Hagen in the rough, pulling his shoe's out from behind the trees and weeds with uncanny persistency and no little amount of luck. Fellow golfer say he is good on the rough "because he's out there as much," but nevertheless, Childers is pointed to win the tourney if he keeps up the pace he has set.

In his match with Riegel, he was three up on the fifth. They played nip and tuck for the next two, but Childers was five up at the turn, took the tenth, tied the 11th and took the 12th to end the match.

Hammond and Childers will represent a field of more than 30 when they enter the final match.

Socialists complained today that they were mishandled before the elections and that 60 beatings were administered the socialist party members at Zoppot.

The defeat was the first real defiance Nazidom has encountered since it attained ascendancy in the Reich.

The outcome was regarded here as having far greater significance for the Nazi program than its mere effect on the division of parties in the Volkstag.

WHAT KIND DID YOU GET?

When Mrs. Brown tells Mrs. Smith about the new car, Mrs. Smith is pretty sure to ask, in genuine, friendly interest, "What kind did you get?" With a new piano, a hot-water heater, or a package of pastry flour, it's likely to be the same . . . For names mean something to every wise woman.

The name of any commercial product is of interest only because its maker has made it mean something . . . has made it stand for definite qualities in the public mind.
