

Washington Crew Wins Varsity Classic by 'Nose and Nose' Finish

NORTHWEST SHELL WINS BY 6 FEET IN CLOSE FINISH

California First Reported As Winner—Huskies Also Gain Junior Varsity And Freshmen Victories On Oakland Estuary.

OAKLAND, Cal., April 13.—(AP)—Driving their gleaming shells over choppy waters in their latest fashion, University of Washington's varsity oarsmen rowed to a thrilling victory over California today in a three-mile race so close it was first announced California had won the classic.

In the confusion following the "nose and nose" finish, the public address system announced California had won by a matter of feet.

While thousands of followers were cheering what they thought was the first Bear victory over the Huskies on Oakland estuary since 1929, judges returned the official verdict that Washington had won by a matter of nearly six feet.

The two shells shot under the bridge at the finish line so close together the two flags denoting the end of the race dropped almost simultaneously. There was only a matter of two-fifths of a second between them.

Washington's winning time was 16 minutes 12 seconds, considerably slower than the course record of 14:53.4-5 set by the Huskies in 1931.

With the varsity victory, Washington wrote a brilliant chapter into far western regatta history, as the junior varsity and freshmen crews had won their races earlier in the afternoon. The Husky boys shell won its three-mile race in 17 minutes 43 seconds by a margin of five and one-half lengths, while the yearlings showed the way in the two-mile opener in the time of 11:44.8-10. The freshmen finished three lengths ahead of their California rivals.

The closeness of the finish of the varsity race furnished a rare climax to the spectacular duel between two youthful crews, Washington represented entirely by sophomores and California having only two members of last year's national intercollegiate championship in its boat.

After the race ended, the first announcement over the official public address system was that the judges' verdict would have to be awaited before the winner could be named. The announcement of the Bears had won came after a lapse of a few minutes.

CULBERTSONS WIN BRIDGE TOURNEY

NEW YORK, April 13.—(AP)—The last trump has been played, the last finesse taken, the last trick collected. The Sims-Culbertson bridge match is ended. Victory goes to Ely and Josephine Culbertson by 16,130 points.

That was their final margin over Mr. and Mrs. P. H. Sims at the end of the 150th rubber of the match that Culbertson called the "bridge battle of the century."

Clatsop Man Freed Elk Slaying Charge

ASTORIA, Ore., April 13.—(AP)—An acquittal was ordered in justice court here today for Jasper Hovgaard, Seaside rancher, who killed 20 elk which invaded his property and which, he said, damaged his crops and frightened his livestock. The elk were killed over a period of several months.

Hovgaard admitted killing the big animals but declared he had pleaded for years with the state game commission for protection against the hungry herds, and had received no aid. The justice court jury deliberated but ten minutes.

BEAVERS PUT UP BATTLE TO LOSE

LOS ANGELES, April 13.—(AP)—A five-run rally in the sixth inning plus "Tarzan" Meola's pitching gave Los Angeles a 6 to 2 victory over Portland today, and brought the Angels to the end of the first week in the 1935 coast league race without a defeat. The Seraphs have won six straight.

For more than half the game today, it was a pitcher's battle between Meola and Ulrich, in which the Portland twister, allowing only three scratch hits, had the better of it.

But in the sixth, the Angels batted around, pushing five runs over the rubber on three singles and an error.

R. H. E. Los Angeles 2 6 1 1 Ulrich, Carson, Bryan and Doerr; Meola and Goebel.

SACRAMENTO, April 13.—(AP)—Sacramento took its second straight win from the San Francisco Missions here today, 4 to 2. In a game played on a sloppy field during a continual drizzle.

R. H. E. Sacramento 2 6 1 1 W. Beck, Lucas and Outen; Salvo and Salkeld.

No other games—rain.

PORTLAND, Ore., April 13.—(AP)—University of Portland put 10 hits with 10 errors by the opposition to defeat University of Oregon's baseball team 13 to 5 here today. The Webfoots scored three runs in the first inning and hit Doran, Portiano southpaw freely, but couldn't do much with his offerings in the pinches. ALIX, WOLVERINE AGE BREAKS LEG, BEARS WIN MEET

Ward, Michigan Colored Outstanding Athlete Of Day—Tragic Injury Mars Track Meet At Berkeley.

By Russell J. Newland (Associated Press Sports Writer) EDWARDS STADIUM, Berkeley, Calif., April 13.—In a meet climaxed by the tragic injury of Nereus Alix, Michigan two mile runner, University of California defeated the Wolverines on track and field today by the score of 74½ to 54½.

Alix, favorite to win the eight lap test, and leading at the time, suffered a compound fracture of the right leg just above the ankle to mar an otherwise sensational if not close meet.

The plucky little Michigan long distance man was two yards ahead of his teammates, Walter Stone, when his spike caught in the side board of the oval. He turned his ankle and fell heavily. His leg bone protruded through the flesh as he writhed in pain on the track. Stone was forced to hurdle over his fallen mate.

Alix was taken to the infirmary hospital while the race went on. Bob Fowler, California's undefeated runner, won the event by eight yards over Stone while Robert Howell of Michigan came in third.

Braten, Michigan nevertheless produced the outstanding individual performer of the day in Willis Ward, all around negro star.

Jumping from track to jumping pit, Ward won the 120 yard high hurdles and broad jump; tied for first in the high jump, and took second in the hundred yard dash to score 17 points.

Five thousand fans who sat through drizzling rain gave him a tremendous ovation.

His time in the high barriers was 14.8 seconds and he broad jumped 23 feet, 11½ inches. He tied with his teammate, Konrad Meisdo, at six feet over in the high jump, but was unable to keep up with California's fleet footed George Anderson in the hundred.

HURT DIXIE STAR IN UNIFORM SOON

LYNCHBURG, Va., April 13.—(AP)—Millard (Dixie) Howell, who suffered a fracture of the cheek bone in baseball practice here, rested well during the night and his condition was reported by hospital attendants today to be "very good." The fractured bone, Dr. John W. Devine reported, will probably heal without an operation, and hopes were entertained that the former Alabama football star would be back in his Detroit Tiger uniform within a few weeks.

NEGRO RING ACES WIN EASILY OVER OLIN AND LAZER

SAN FRANCISCO, April 13.—(AP)—Bob Olin of New York today wore a light heavyweight boxing crown rudely dented by the mauling he took from John Henry Lewis, Phoenix negro, in a ten-round battle here last night.

The crown was still there only because it was a non-title overweight bout, but the dusky Lewis captured every round from the champion before a near capacity crowd of about 8,000 at Dreamland auditorium.

Olin won going away from the opening round with a barrage of rights and lefts that put Olin down for a no-count knockdown in the third and opened up cuts over both eyes of the champion.

The New York boy who took the title away from Max Baer last fall made a couple of cantos close and rallied toward the end of the struggle, but Lewis captured each of the rounds by varying margins.

Olin weighed in at 176, a pound over the light heavyweight limit, and Lewis tipped the beam at 179.

CHICAGO, April 13.—(AP)—Roy Lazer of Paterson, N. J., who had placed together a string of 35 straight victories, today was just number eighteen of the list of heavyweights who tried to lick Detroit's sensational Joe Louis, and didn't even come close.

The calm, cunning negro, who is mentioned every time there is talk of a contender for a world championship battle with Max Baer, spent not quite three rounds in battering Lazer out of action last night in the Chicago stadium. The triumph, Louis' eighteenth straight as a professional, goes into the book as a technical knockout. Lazer's seconds having ended the bout by tossing a towel into the ring at the count of six on their warrior's third trip to the floor. The timekeeper, however, could have counted indefinitely.

PRESIDENT READY FOR FIRST PITCH

WASHINGTON, April 13.—(AP)—Proclaiming his pitching arm in fine shape, President Roosevelt promised today to toss out the first ball in the season's opening baseball game here next Tuesday between the Washington Senators and Philadelphia Athletics.

He smilingly agreed as the annual presidential National League complimentary pass was given him by Ford Frick, new head of the senior-major league, and an American league pass by Clark Griffith, president of the Washington club.

The president has pitched the first ball in both of the previous years of his administration.

HAMMOND SR. AND CHILDERS SET FOR CUP PLAY TODAY

Today will be guest day at Regie Valley golf course, and the largest crowd of the season is anticipated to take part in the blind bogey events for non-members and De-finitals of the President's cup tournament.

R. B. Hammond and E. L. Childers, who represent the best talent of a field of more than 30 who teed off several weeks ago in the first rounds of the event, will start at 9:00 o'clock in a contest for the beautiful silver cup which has been offered as the championship prize by President Harry McMahon.

A real battle is anticipated, for although Hammond has shown consistently better golf in the past, Childers has gone through the brackets in leaps and bounds in this tourney, and is conceded to have an excellent chance to cop the trophy.

A feature of the Guest tournament is the fact that all players will be given an equal chance at the prizes, which will be three one-month memberships, with cash values of \$5.50. So much enthusiasm has been shown in the tourney that President McMahon decided to increase the number of prizes to three instead of one, as was planned at first.

Lunch will be served at noon by Anna Lee of the Polar Freeze.

HINDU SOUGHT TO TACKLE COLUMBO

Jagat Singh, colorful Hindu grappler, will return to Medford next Thursday night for a bout with Casey Columbo, clever maitman from California. Promoter Mack Lillard announced last night. The bout was arranged by long distance telephone, as Singh has been headquarters in Portland and Seattle for the past several weeks.

The big Hindu is undoubtedly the most unique grappler on the coast. He has many clever holds that make him a formidable opponent, as was proved in Seattle recently when he gave Champion Jim London one of the toughest evenings he has had on his latest invasion of the north-west.

By matching Singh with Columbo, Promoter Lillard has secured a natural bout that promises to be replete with thrills and crammed full of action, as both contestants are as speedy a pair as ever exchanged grunts and groans. Columbo has proved a new favorite in Medford with several recent wins over big-time westerners, and matched against a bone-bender such as the Hindu, will be given a chance to exhibit the spectacular calibre of wrestling of which he is capable.

The promoter has not signed up the other bout, but says Popular Joe Hubbs of Nebraska will be one of the tusslers.

BASEBALL AGAIN HI SCHOOL SPORT

For the first time since the spring of 1930 the Red and Black of Medford high school will be represented on the baseball diamonds of southern Oregon. That is the announcement made yesterday by Ed Kirtley, who is to be coach of the team. Acting for the squad in the capacity of assistant coach will be Bowen, flash from the Medford Merchants.

Superintendent Hedrick, enthusiastic about the move, is cooperating to the extent of being sure that the field of play is graded and smoothed to afford good playing conditions, and seeing that the team is properly equipped. The former project, granting the field, is particularly important. Coach Kirtley said, in that a rough infield is highly undesirable.

Prospects for a good team are bright, with much enthusiasm being displayed at the school. Coach Kirtley said yesterday, it is still too early to give a possible lineup, the coach stated, but mentioned a few likely prospects, and the positions that they will try for. They are:

Ericsson and Red Sears at the twirling post, Kindred and Baylis on the receiving end, "Stretch" Bittner, Ed Simmons and Sam VanDyke on first, Ray Lewis or Ross Johnson at short, Sam VanDyke at first or second, Roy Hensley, a newcomer, at third, and the outfield entirely open to discussion, with many reporting for those positions.

Iowa Judge Elected Walton League Chief CHICAGO, April 13.—(AP)—Judge George W. Wood, of the Waterloo, Iowa, juvenile court, was elected president of the Lewis Walton League of America today at the final meeting of the league's thirteenth annual convention.

HOFFARD TO PICK BALL TEAM TODAY

When the Medford Merchants, newly organized baseball team, reports for practice at 1:30 this afternoon as the senior high school field, Manager "Hooey" Hoffard will select the 18 or 19 men who will make the trip to Grants Pass a week from today for the opening game of the Southern Oregon league for the Medford outfit. It was announced yesterday.

The squad will probably scrimmage today. It was stated by Hoffard, who also remarked that he had secured several new stars for the 1935 team. Among the ones who signed up during the week are "Chief" McLean, Courtney, Calvert, Donovan, Abbey, and Pope, a huge outfielder, formerly with a Klamath Falls team.

Hoffard asked that all local men who feel the urge to join the team do so today by reporting for the practice. He promised them a real welcome.

Work has been under way for the past week with men and tractors busy on the field putting it in shape for the coming season. Bleachers have been moved from the fair grounds to the field and will probably be put in place some time this week.

The season ticket committee will start work tomorrow in the downtown district distributing tickets, which are to be good for any member of a family, for all games to be played during the summer in this city.
