

LAW ON SALMON SELLING QUOTED BY STATE POLICE

The state police today issued a warning to those people who are catching and selling salmon caught in Rogue River, outside the bounds of Curry county. This is strictly against the law, which prescribes as follows:

An act to allow any person who has first procured an angling license to sell or offer for sale, if properly tagged, salmon lawfully caught or taken from the waters of the Rogue river in Curry county between April 1, 1935, and March 1, 1937, and declaring an emergency.

Section 2. Before said salmon is caught or taken or sold or offered for sale, as herein provided, they shall be properly tagged for the purpose of identification in accordance with the regulations of the state game commission. For the purposes of this act, the definition of the word "salmon," as used and defined in section 40-204, Oregon Code 1930, shall be deemed to apply.

Section 3. It hereby is adjudged and declared that existing conditions are such that this act is necessary for immediate preservation of the public peace, health and safety; and an emergency hereby is declared to exist, and this act shall take effect and be in full force and effect from and after its passage.

KAPLAN WAS WISE TO BUNCO ARTISTS GAME IN BUYING DIAMONDS

Harry Kaplan, Medford second-hand dealer yesterday reported as having come within an ace of losing \$1000 to three fakery on a phony diamond deal, today issued a denial that he had had anything to do with the buncos stone transaction which occurred in his place of business Monday, April 8. "It was merely an uninteresting spectator," said Kaplan.

He denied having been to the bank at all. The three buncos artists tried to get him to furnish \$1000, but Kaplan would have nothing to do with the proposition, saying that he knew nothing about stones. He realized, he said, that it was a skin game as soon as the deal was presented to him, through the peculiar actions of the main characters in the plot. He did, however, allow the "artists" to proceed with their game, hoping to trap them so that action could be taken by the police against them. The three, he believed, realized this, and hastily departed.

Daughters of Vets Discuss Memorial At Friday Meeting

Daughters of Union Veterans of the Civil War, spent a most enjoyable evening at their regular meeting, on Friday of last week, in connection with the regular order of business. Miss Winifred Walker, Mrs. Belva Aiken, Mrs. Dorothea Butrows and Mrs. Nellie Bowles were initiated into the order. The ceremony was very impressive and beautiful, made so by the excellent floor work, by the staff of young grand-daughters, directed by Miss Ora Cox. Refreshments served by the committee consisting of Mrs. Lucille Scheffel, Mrs. Kathrine Walt and Mrs. Britta Williams, completed a delightful evening.

During the meeting, the subject of the state memorial for the Union Veterans of the Civil War, was discussed. The site for the monument has been secured, in the state house grounds at Salem, and the sketch of the proposed statue is in the hands of the committee, awaiting the securing of required funds to complete the project. It is a regrettable fact that Oregon is one of the few states that has no memorial for Civil War veterans, the Sons and Daughters of the Department of Oregon, who are sponsoring this movement, point out.

If the citizens of Medford wish to contribute to this fund, they may call on Miss Maggie Edwards at 132 North Ivy street, phone 1608-Y, who is the authorized chairman of the local tent. Any contribution however small will be greatly appreciated by the Medford tent and also by the general committee at Salem. Several of the business men and women of Medford have subscribed to this fund and to those the tent extends thanks.

GILMORE LIONS WIN PRACTICE GAME WITH JACKSONVILLE 7-0

The Gilmore Lions, baseball team of independent status, emitted the first roar of the season yesterday by walloping out a 7-0 win over a pick-up team of Jacksonville town players and CCC men in the history city. With only a few hours of practice under their belts, the Lions looked impressive, and may give some of the league teams a good run in the exhibition games they are scheduling.

Bill Hensley of Gold Hill did the twirling honors in fine fashion, and the infield, made up of Jim Tungate, Dick Lewis, and Jack Predette, backed him up nicely. Hess, Kinton and Sakralds dodged rocks in the outfield, and may be permanent fixtures in the team. As yet no definite positions have been assigned. The men who worked out yesterday in the practice games were Hess, Lewis, Predette, Tungate, Hensley, Kinton, Conlin (manager-player), Sakralds, Smith, and Naumes.
