

ST. MARKS FILLED FOR IMPRESSIVE EASTER SERVICES

The Easter services yesterday at St. Mark's Episcopal church brought forth Episcopalians from every vale and dell contingent to Medford and the assembled concourse was the largest gathering of the laity that ever packed the four walls of St. Mark's. After the pews were filled the ushers placed chairs in the aisles, choir room and vestibule, yet a few were compelled to stand throughout the services because of the lack of space for additional chairs.

St. Mark's choir, which has long been noted for its talented soloists, lived up to its tradition and under the direction of Elsie Carleton Strang was in perfect form and charmingly rendered the beautiful special Easter selections, with Nina Mulholland and Elsie Carleton Strang singing the incidental solos. Dorothy Burgess presided at the organ.

Father Bartlam's sermon theme was regarding the resurrection of Jesus, an assurance to mankind that there is neither defeat nor dying but instead there will be victory and rebirth. The best proof offered that Jesus did rise from the dead is the effect the event has had on His followers. Only faith in a living leader can explain the zeal of the early Christians, their simple unflinching heroism and the conquering power of their message; and the same faith must account for the triumph of Christianity to the present day.

The services were brought to a conclusion by administration of the holy communion.

At 9:45 a. m., prior to the regular Sunday services Rev. Bartlam conducted a baptismal ceremony in the church, at which fourteen persons were administered the rites of baptism.

South Methodist Easter Services Climaxed Sunday

Chapter of D.A.R. Hears Reports of Meet at LaGrande

Crater Lake chapter, D. A. R., was pleasantly entertained April 20, at the home of Mrs. C. B. Warren, when the two delegates to the state convention at LaGrande gave their reports.

The trip over the Blue mountains in a blizzard and the cold experienced in the high altitude of eastern Oregon made both speakers voice their appreciation of the climate of the Rogue River valley.

Mrs. H. P. W. Spilver, regent of Crater Lake chapter, after describing the hearty welcome given the delegates, told of the activities of the first day of the convention. Besides the numerous social activities planned for their pleasure, much routine business was transacted and all state chairmen gave reports. Among the most pleasurable items of general interest was the singing of Indian songs by a Umattila Indian youth, dressed in full tribal regalia; also a description of the first home in Oregon—that of the Whitmans.

Mrs. B. G. Harding, state vice-regent, gave a report on the second day of the convention. Patriotic addresses, reports and social events made a very full but most enjoyable day, she said.

A beautiful memorial service for members lost during the past year was vividly described. She said resolutions were adopted advocating the following measures: Increase in armed forces, display of flags, registration of aliens, crime prevention, national defense and patriotic education.

The delegates reported that a banquet the last night most pleasantly closed the convention. As a final tribute to the D. A. R.'s the American Legion drum corps serenaded them during the banquet.

In the social hour that followed, Mrs. Warren was assisted by Miss Detweiler, Mrs. E. M. Wilson and Mrs. A. E. Stratton.

It is composed of carbohydrate and protein, is absolutely harmless, yet its benefits are immediate and far more effective than the old system of dosing.
