JINGOISTS KEEP JAP-U. S. FIRES AT WHITE HEAT

By H. B. EKINS, United Press Staff Correspondent, Copyright, 1935, by the United Press, WASHINGTON.—(UP)—The great gap between east and west, conflict of economic interests, America's altruistic interest in China, Japan's resentment over American childing, and their intangible fears, have been enough to make it difficult for the United States and Japan to get along.

But
