SPRING ENSEMBLE CONCERT PLANNED AT SONS SUNDAY

On Sunday afternoon, May 3, at 4:15, Southern Oregon Normal at Ashland, presents its Spring Ensemble concert under the direction of Lucie Landon.

The following groups will take part: the college orchestra, the college string quartette, the Lincoln school chorus, and the class in conducting.

The college orchestra, with a membership of twenty, has been working hard and will appear in two groups of pure orchestral numbers. In addition, the orchestra will act as accompanist for Miss Margery Paley, violin soloist, and for the Lincoln school chorus.

Sharing the honors with the orchestra, is the college string quartet, made up of four talented and well trained students who show their ability and taste for ensemble in the well chosen groups, ranging from the classic spirit of Beethoven to the modern idiom of Mousourgy.

Miss Margery Paley will appear as violin soloist, playing the first movement of the de Beriot G Major Concerto, accompanied by the college orchestra (orchestration by Lucie Landon).

Miss Paley handles her instrument well, is possessed of fleet fingers, a well-controlled bow arm, and plays with warmth and intelligence. She brings to the de Beriot much serious preparation and musical understanding, and richly deserves her reputation as a serious violinist.

The second soloist is the Lincoln school chorus, comprised of the fifth and sixth grades, which will sing a group of three numbers. The chorus is under the guidance of the class in conducting and will be led by Misses Merna Morgan and Ruby Waddell, and Mrs. Viasta Hannon.

This concert is sponsored by the State Federated Music Clubs, and is the first concert of Music Week. The public is cordially invited. No admission is charged. The complete program will be announced later.

A number of Medford students are taking active part in the Spring Ensemble concert. In the orchestra are: Margery Paley, concert master; Ruby Waddell, second concert master; Beth Gillings, John Gillings and Ray Lewis. Ruby Waddell, of the class in conducting, will conduct one of the choral numbers.

Miss Margery Paley, gifted Medford violinist, will be the violinist of the first movement of the de Beriot Concerto, accompaniment will be furnished by the college orchestra.

L. A. Piercy, who has successfully represented the Hickman Products company in the Medford area, has been transferred to Portland where he will be associated with the Frank Pink company. Best Foods distributor in Oregon, The Frank Pink company, newly established successor to the Hickman Products company handling Best Foods products, in the Oregon territory, will be represented in this city and throughout southern Oregon by Bert P. ALFRED DU PONT, BUSINESS GENIUS, PASSES SUDDENLY

JACKSONVILLE, Fla., April 29.—(AP)—Alfred Iremore Du Pont, 70 year old organizing genius of the wealthy Delaware family, a chemist, captain of industry, politician and philanthropist, died early today in Epping Forest, his 21, Johns River estate. A heart attack, his second within a week, caused his death.

Taking charge of the far-flung Du Pont organization in 1902 upon the death of Eugene Du Pont, he organized the firm and molded its interests into the E. I. Du Pont de Nemours company, within 10 years, with Du Pont as vice-president, the organization's assets increased from \$15,000,000 to \$22,000,000.

He developed promissory powder, used by the United States government in its large calibre cannons, and designed all the machinery used in the company's manufacture of black powder.

Even after severing relations with the company in 1916, his power in the family was felt as he continued to hold large interests in its varied organizations.

Du Pont's political exploits were said to have caused friction with other members of the family. After perfecting his control of the republican party in Delaware to slip for several years, he employed a bold stroke in 1916 to regain power.

Much of the radium used for cancer treating experiments was produced in a testing and producing mill Du Pont perfected at great cost. He owned four radium mines at Central City, Colo. He was one of Florida's largest landowners.
