

TIGERS PULL OUT OF EARLY SLUMP WITH THREE WINS

By Associated Press.

That surprising early season slump of the Detroit Tigers, champions of the American league, is beginning to yield to baseball's infallible treatment—heavy hitting, tight fielding and effective pitching.

Mickey Cochrane's Bengals, after dropping nine of their first 11 games, have won three games in a row.

A faltering pitching staff suddenly has regained form with Joe Sullivan, Tommy Bridges and Alvin Crowder starting and finishing the Tigers' last three engagements; the team has played errorless ball in that span, and the batters have scored 34 runs on 41 hits, 14 of them for extra bases.

This compares with the Tigers' record of 36 runs on 91 hits, 22 for extra bases, in their first 11 games.

The hapless St. Louis Browns once again felt the weight of the Tigers' bats yesterday as Detroit punched out 14 hits and won, breezing, 11 to 3.

In New York, the Yankees chalked up their sixth triumph in a row, rallying for two runs in the ninth to nose out the Washington Senators, 9-8.

Rain and cold weather held other American league clubs idle.

In the National league, the year's first clash between the New York Giants and Brooklyn Dodgers saw the Dodgers and Bill Clark stagger through to a 12-5 victory in a wild game marked by 25 hits and seven errors.

The Chicago Cubs pulled closer to the leaders by beating Pittsburgh, 6-0.

Gene Schott throttled the St. Louis Cardinals batsmen, permitting only five hits, and the Cincinnati Reds clubbed out a 12-2 victory to regain fourth place. Rain forced postponement of the Phillies-Braves game.

GILMORE TO PLAY IN WEED SUNDAY

The Jacksonville Gilmore Lions have had one more game cancelled since under their noses according to Manager Bud Conlin, who last night received a telephone call from Yreka cancelling the proposed game in that city Sunday. The excuse given by Yreka was that their team was not ready for such tough competition this early in the year, the players having rebelled for fear of hurting later sale receipts. Conlin stated Grants Pass cancelled a scheduled game with the Lions last Sunday, giving no reason, but playing Eugene on that date, the Gilmore manager said.

As soon as word was received of the cancellation, Conlin got busy on the phone, and in a short time had arranged a game in Weed, which team he considers much stronger than the Yreka outfit. Weed last year twice defeated the southern Oregon league winners, Grants Pass. Turk Valencia, well known here where he played ball some years ago, is manager of the Weed team, and holds down first base.

The Lions game Sunday, May 5, will open the Weed season, and a big day is planned in that town. A band concert and a parade will feature the day, and the streets will probably be decorated, Valencia said.

COLUMBO-HEALY BOUT EXPECTED TO PROVIDE PLENTY OF FIREWORKS

After a brief respite from wrestling matches on the Armory mat, Casey Columbo, gentleman mauler from California, will swing into action tomorrow night in a bout with Jim Healy, another grappler from the sunshine state.

Columbo, according to the promoter, is figuring on battering away some of the toughness that cropped out in Healy in his match here last Thursday night, when Jim, always before careful with his temper and fits while wrestling in Medford, surprised the fans by turning meanie in no uncertain terms. He is planning to stow Columbo away with the fistcuff route, if unable to beat him with clean wrestling, so the match should fulfill the desire of the most blood-thirsty fans as well as those who like their grappling speedy.

A similar set-up is promised in the other half of the program, when popular Joe Hubka of Nebraska meets a fellow Cornhusker, big Glen Wade of Winsdale. Hubka is the best-killed wrestler to appear in Medford for many months and the fans hope to see him beat Wade, but Joe himself admits that it is going to be a hard bout.

RECORD BREAKING CAR MAKING TOUR

Local automotive enthusiasts will have an opportunity to view the Hemphill Diesel special race car which broke the world's Diesel speed record at Daytona Beach, Florida, last February 15 and brought this record from England back to America.

According to word received from Ralph Hemphill, president of the Hemphill Diesel schools and owner of the Diesel special, the car is making an extended exhibition tour and is expected to reach this city Thursday, May 2. "When the Diesel special has completed the tour," says Mr. Hemphill, "we intend to take it to Muroc Dry Lake and attempt to break the speed record it recently established in Florida."

The Hemphill Diesel special was designed and built in the Chicago schools of the nationally known schools located at Los Angeles, New York, Chicago, Seattle and Vancouver, B. C.

SEALS CRAWL UP TO SECOND PLACE, OUSTING SERAPHS

By the Associated Press.

Letty O'Doul's managerial determination to put the Seals back in the running bore rosate fruit today at the expense of the Los Angeles Angels, last year's pennant winners.

The San Francisco club nudged the southerners out of second place in the league by defeating them, 12 to 6, last night. It was an uneventful game, marked principally by wildness on the parts of Pitchers Kimball and Grant, of the Angels.

Sacramento and Portland staged a merry carnival of hitting that wound up in a 9 to 8 win for the Senators. A double by Russ Olson, a single by Glenn Chapman, and two errors by Bill Caswell allowed Sacramento to tie the score, 5 to 5, in the fifth. A four-hit barrage in the seventh knocked Ed Bryan, Portland hurler, out of the box and gave Sacramento three runs.

Oakland kept a safe distance out in front of the league by defeating Seattle, 3 to 1, in a game inaugurating night ball in the northwest city.

Trailing 4 to 2 in the last half of the eighth, Hollywood opened a hitting barrage off Clarence Mitchell and Beryl Hume to score six runs and defeat the Missions 8 to 4.

YEAR'S EXTENSION AFTER 3 CHANGES FAVORED FOR NRA

(Continued from Page One)

ported to have agreed to sign a resolution merely extending the recovery law until next spring if congress preferred that method.

President Roosevelt declined any comment on NRA today at his press conference.

Richberg Objects

Donald Richberg, NRA chief, vigorously objected at the White House conference to the temporary extension, but in view of the overwhelming sentiment of the senate conferred later with Harrison on the proposal approved today.

A subcommittee was named to draft a resolution and the full committee agreed to meet again tomorrow morning to formally report it to the senate.

Harrison expressed the opinion to newspaper men that most of the criticism of NRA could be met by administrative action. He predicted that President Roosevelt would act in this direction and expressed the hope the recovery law would become more popular by next January when congress would undertake a more permanent revision of NRA on the basis of court decisions on its constitutionality.

Provisions Outlined

He outlined the three provisions that would be included in the continuing resolution as follows:

That no price fixing shall be permitted or sanctioned under any code except in those codes of mineral natural resources which now have price fixing provisions.

That no trade engaged wholly in intrastate commerce shall be eligible for a code.

That the president shall have a certain number of days to review the present code with a view to conforming them to the two exceptions provided in the resolution.

TREATS TO LINDY NOT REMEMBERED

PATERSON, N. J., May 1.—(AP)—Philip Martin, 46-year old night watchman, was held by police today pending arraignment on a charge of sending obscene letters in which he threatened Col. Charles A. Lindbergh with death.

Newman Stone, Paterson detective, and Detective Sergeant E. A. Hausling of the state police, who brought about Martin's arrest, said the prisoner admitted the letters were in his handwriting but told them he "doesn't remember" writing them.

One of the letters was sent to the Paterson police, the other to Warden Lawrence of Sing Sing prison. In them the writer said he was the "John" of the Lindbergh kidnaping.

"This is from John," one of the letters said in part. "This is not a ransom note; this is a killing note. I'll kill Lindy and kill myself. I am John and I am going to take the law in my hands."

FARMER'S WIFE TRIED TO SHOOT HIM CLAIMS NEIGHBOR AT OLALLA

ROSEBURG, Ore., May 1.—(AP)—Claiming he had been shot at twice and had suffered powder burns in a battle for possession of a pistol, V. S. Van Gundy, Olalla farmer, this morning swore out a complaint for the arrest of Thelma Brooks, 35, who was taken into custody.

According to the report from Sheriff Percy Webb, Van Gundy had accused his neighboring farmer, Brooks, and the latter's wife of petty thefts. Mrs. Brooks, according to the report from the sheriff's office, borrowed a pistol from a neighbor and rode to Van Gundy's home, where she opened fire on the accused. Two shots, it was stated, went wild. Van Gundy seized the pistol which was discharged in the struggle for possession, inflicting power burns on his hand.

Mrs. Brooks is being held in the county jail on a charge of assault with a dangerous weapon while officers are making an investigation.
