of the Jayson SHIRT with No Starch... No Wilt attached collar...

No matter how much you perspire, you can never give your shirt more of a soaking than it gets in the JAYSON Fish Tank we're displaying at the store. Yes this JAYSON shirt has been soaking there for several days... and can stay soaking INDEFINITELY... without the collar curling, wrinkling, crushing, wrinkling or blistering. For the collar stretched to the JAYSON shirt is a new idea in collar comfort and collar smartness. The JAYSON collar needs no starch... yet it looks like a well collar... always, and under all conditions... although it's so soft and pliable as you please... as well as being practically pure cotton, allowing full circulation of perspiration.
