BISHOP SUMNER TO ADMINISTER RITES

The St. Rev. Walter T. Sumner, Bishop of this Episcopal diocese, accompanied by Mrs. Sumner, arrived in Medford Friday evening from their

BISHOP W. T. SUMNER

services at St. Mark's the bishop will administer the rites of confirmation to a class of nineteen communicants and on this occasion will deliver his annual sermon to the congregation. During the past twenty years Bishop Sumner has made his annual visitation to St. Mark's at this season of the year to induce into the church the class that has been prepared for confirmation. And on these once-a-year occasions the church is always packed with communicants and visitors who come to witness the ceremony and to hear those interesting and highly instructive sermons that the bishop unfailingly delivers. The services will be considerably shorter than those on similar occasions in the past as it has been decided to dispense with the morning prayer which usually consumes about thirty minutes of the service. The choir, under the direction of Hale Carleton Strang, will sing "The Gloria" from Mozart's twelfth mass. A general invitation is extended to visitors to be present.

WHY SUFFER CONSTIPATION HERE'S EASY, QUICK RELIEF PUT ON YOUR DAILY MENU

Faulty Elimination Quickly Aided by Regular Three-Times Daily Use of New Honey Crushed Wheat Bread.

It is surprising how quickly sufferers from bowel troubles are benefited by the regular addition to their menu of Honey Crushed Wheat Bread. Many who have had to take two or three cathartics a week report that they are now kept regular without the use of drugs with this new bread baked by the Elmhurst Bakers, Inc.

Honey Crushed Wheat Bread is not a medicine but Nature's own remedy for this common complaint which enables sufferers to quit resorting to harsh drugs, purges and laxatives which often cause serious harm and which forces them to take more and more.

This delightful new loaf combines the entire whole wheat kernel which gives the diet the necessary roughage, with pure honey which lessens Doctor's now recommended for its gentle stimulation of the intestines. Because of its combined whole wheat and honey, Honey Crushed Wheat Bread tastes good even when the diet is lacking, due to poisonous wastes that clog the intestines. Honey Crushed Wheat Bread, it eaten regularly three times daily, stimulates the flow of gastric juices and cleans up the system.

Make This Test: The daily addition of Honey Crushed Wheat Bread to your diet for a period of ten days will quickly show you its amazing relief qualities. Before you realize it, your pen will return, your elimination will function normally and in just a short time your complexion will clear up and you will look and feel like a different person.

The effect of Honey Crushed Wheat Bread is marvelous. The results prompt and beneficial. Dull headaches from constipation are unknown. That tired, sluggish feeling passes and you're braced in your work returns. You must feel right to be a success today. You owe it to yourself and family to try Honey Crushed Wheat Bread today. Your grocer has it. Wrapped in moisture proof cellophane so you can see what you are getting and all ready to eat. Try it. See how your digestion improves. Honey Crushed is made by Elmhurst in the finest bakery of its size in the West. A. (Copyright 1934. All rights reserved.)
