TIGERS WIN, 7-1, AGAINST TALENT

The Medford high school baseball nine last night blasted out a 7-1 win over the Talent high school at Talent. With very little practice, the locals showed a well polished infield, and an outfield that worked nicely together. Erickson chucked nice ball for Medford striking out five, and allowing no hits. Carr, who relieved him in the sixth, struck out two, and allowed two hits.

Pepper, the peppery Talent heaver whiffed nine while allowing five hits. Three errors were chalked up against Talent to only one by Medford.

The error in the seventh allowed the only advance hit of the day to turn into a run.

Two base hits: Sears, three base hit, Campbell.

Medford—Coss, cf; Campbell, 2b; Lewis, ss; Sears, cf; Simmons, 1b; Hensley, 3b; Baga, rf; Boyd, lf; Talant, p.

Talent—West, 3rd; Yaryan, c; Jones, ss; Pepper, p; Skeeters, 2b; Maxson, rf; Smith, cf; E. Jones, 1b; Gulliford, lf.

Wall St. Report

NEW YORK, May 8.—(AP)—The stock market reached out for new peaks today in one of the most aggressive advances in 10 days or longer. A number of prominent old shares and individual stocks in other groups penetrated their old 1935 highs without difficulty and the majority ended the session around the day's top. The closing tone was firm to strong. Sales aggregated 1,900,000 shares.

Leading commodities shared in the bullish enthusiasm but to a lesser extent. Wheat and other grains worked modestly higher and cotton showed some improvement in late trading. Bonds had fairly easy going under leadership of U. S. governments and foreign exchanges remained quiet with some weakness noted in silver currencies.

Among shares breaking through their old highs were such leaders as Standard Oil of New Jersey, American Telephone, Westinghouse, Chrysler, and United Fruit.

Late news, nearly all of which was of a favorable sort, was high-lighted by the report of the F. W. Dodge corporation the April contracts for residential construction were larger than for any other month since 1931.

Wallace Beery Coming to Craterian

Wallace Beery, one of the screen's topmost favorites, comes to the Craterian theater tomorrow in a stirring dramatic role in "West Point of the Air," story of the United States Army Air Corps.

Beery plays the gruff, soft-hearted "non-com" of Uncle Sam's flying forces, whose love for a conceited

girl (Robert Young) is built into the foundation of one of the most smashing screen climaxes ever filmed. Innumerable thrilling and exciting sequences of the air patrol are intermingled with comedy and romance.

Maureen O'Sullivan, Lewis Stone and James Gleason are also featured.

Following the day by day adventures and daredevil existence of this famous police group, "Car 99" is said to be one of the most action-filled screen adventures shown here for some time.

Ann Sheridan and Sir Guy Standing are also featured.

"Car 99" Now on Rialto Screen

The exploits of the radio patrol of the Michigan state police, who won nationwide fame through Karl Dreyer's Saturday Evening Post stories, are thrillingly portrayed on the screen of the Rialto theater today and tomorrow by Fred MacMurray in "Car 99."

LOWER GRADE OF EGGS ADVANCES CENT WHILE TOP GRADE UNCHANGED

PORTLAND, May 8.—(AP)—There was a queer turn of values during the late session of the produce exchange when lower grade eggs were advanced 1c dozen while the top grades were unchanged in price.

Even though it has been shown for some time past that demand for the best quality has been most favorable, there was no advance on either extra or specials, which are literally large eggs on the exchange during the season. Only standards and mediums showed the advance.

Portland has continued the lowest of the big markets for eggs along the Pacific slope although in all sections the surplus was being moved into storage.

Rapid increase of butter was showing here with a liberal gain in the receipts as well as output of centralizer plants. Exchange values continued below open market sales.

Local trade was well supplied with white spring broilers and while there has been no further change in the price the demand lacked snap. Colored springs remained scarce in call.

Strength in the hen market was continued on a liberal scale with receipts light and demand in excess of supply. Full prices were being held for both light and medium sorts.
