Talkies!

Every American Mail Liner is a sea-going moving picture theatre. First-run talking movies are featured, and your front row seat is free!

Japan and return \$240

This is just one example of the greatly reduced summer roundtrip fares now in effect on the American Mail Line. What can you buy for so little money that will give you as much pleasure as a trip to the Orient? Material things depreciate in value and wear out. But a trip to the Orient will make a new person of you. It will give you memories to last a lifetime, and no one can take them away from you!

Examples of low summer roundtrips now in effect from Seattle and Victoria, B. C.:

To	Tourist	First Class
JAPAN and return	\$240	\$427
JAPAN, CHINA and return	277	496
JAPAN, CHINA, MANILA and return	300	517

All Tourist and First Class staterooms on American Mail Liners are big and outside, with luxurious twin beds, hot and cold running water and all other conveniences. Promenade decks are glass-enclosed. Dancing, deck games, talkies and an outdoor swimming pool are part of the fun.

American Mail Liners sail every other Saturday from Seattle and Victoria. For details, see your travel agent or our office.

Special THIS MONTH

A MOST EXTRAORDINARY OFFER

This very fine range regularly sells for a great deal more money than we are asking this month. By placing a large order and making a special deal directly with the factory we are now able to pass the saving on to you. The quality of the range is the same in every respect as is the case when sold at its regular list price of more than \$150.00. This is the same range that we sold last fall for \$99.50 to a large number of our customers. The very great satisfaction these purchasers derived from the many revolutionary features and the outstanding high quality of the range they obtained at such a bargain, led us to make the present successful effort to duplicate the finest offer on an electric range we have ever been able to make. The price includes the range complete as shown with latest type sliding oven, warming compartment, four fast surface burners, automatic oven control, condiment jars, latest type toggle switches, special light standard, electric clock, and built in cooking chart. The range is second to none in finish, beauty of design, and appearance. No description could convey to you the exceptional bargain this range really is at this very low price. By all means see it. We hope our supply is large enough to last through the month but this is by no means assured.
