SUPER Meat Market

Do We Southern Oregonians Like Good Beef?

We'll say we do! When we put the first of the 46 Bybee steers in the coolers we had on hand 17 dressed steers from our own feed lot at the Lydiard ranch—making 63 in all.

Within a few days the last of the Bybee steers will go to the coolers.

We have an option on another very fine herd of steers—the quality you like so well will be here—always.
