

### CANFIELD HOPES FOR WINTER USE OF CRATER PARK

Convinced that there is a definite use for Crater Lake National Park in winter time as well as during the summer, David H. Canfield, superintendent, outlined an ambitious program for the year round in a talk yesterday before the regular luncheon meeting of Medford Kiwanis club. Canfield was elected an honorary member.

Having been advised recently that a new appropriation of \$5000 had been made for keeping the park roads open throughout the winter, the superintendent disclosed many plans for the betterment of the park through keeping the entrance roads open in the winter. The public is becoming more and more interested in winter sports, Canfield said, and beginning next year he hopes to be able to keep the roads free of snow at all times. There is also a possibility of reconstructing the entrance roads, he said, in eliminating sharp curves and steep grades.

By June 15th everything should be in good shape at the park for the summer season, according to the superintendent, which is favorable, considering the lateness of the season, caused by unusually heavy wet snow. During the summer most of the park roads will be under construction, with continuation of work on the rim road along three-fourths of its length, and beginning of oiling operations along the road between the lake and Diamond lake. The rim road will be open by July 15th, Canfield said.

With Oregon Caves national monument and Lava Beds national monument, Calif., now under jurisdiction of Crater Lake National Park. Superintendent Canfield's duties and responsibilities have increased.

Frank P. Farrell, city attorney, also spoke, giving an interesting review of state and city legislation. He said that through recent state legislation, the state highway department is cooperating with the cities, wholeheartedly, as was shown by the recent project in Medford in which Riverside avenue was paved at no expense to the city.

Discussing the forthcoming city election, Farrell explained that the city now has \$250,000 outstanding in bonds, which, if the interest passed, will be refunded at the bill rate so low that a saving to the city of \$3800 annually will be affected.

Under the present relief set-up, Farrell stated the city at present furnishes a certain amount annually for SERA labor and part of the expense of materials and supplies, and to pay workmen's compensation. The fund for this purpose is exhausted, he pointed out, and it is being put to the vote of the people whether or not the city's cooperation with the SERA shall be continued.

Guests at the meeting were V. E. Beall, Pacific Telephone and Telegraph Co., of Portland; Robert S. Wright, manager of the American Laundry, and Kiwanian Walter E. Potter, illuminating engineer for General Electric Co., at Portland.

The Women's State society, the Oregon Ministers' conference and the Oregon Council of Baptist Men also are in session. Meetings are to continue through Thursday.

### BAPTIST ASSOCIATION LAUDS DR. EATON AND HITS LIQUOR TRAFFIC

Among the resolutions passed by the resolutions committee of the Rogue River Baptist association meeting May 7 and 8 in Medford were the following of local interest:

"Whereas, this association has, during the past 10 years, been privileged to enjoy the fellowship and counsel of Dr. W. H. Eaton, who retires from the active ministry on June first, 1935, therefore

"Be it resolved that this association extend to Dr. Eaton our sincere appreciation for his work among us as a true servant of God, in advancing the cause of Christ, and His kingdom."

"Whereas the deplorable condition existing because of the liquor traffic and the effect it has on the morale of the people, especially the young men and women of our community, and

"Whereas the liquor traffic as operated at the present time is a disgrace to our state and nation, and existing conditions are worse than the old-time saloon, therefore

"Be it resolved that we go on record as unalterably opposed to the liquor traffic because of its ruin and destruction, not only to our growing boys and girls, but to future generations."

**SUMMER SCHOOL STARTS JUNE 10.**  
ASHLAND, May 14.—(Spl.)—Southern Oregon Normal school will conduct a regular grade school for a term of six weeks beginning Monday, June 10, and ending Friday, July 19, it was announced today. The sessions will be from 9 o'clock in the morning until noon, offering all the courses for the first eight grades under the supervision of Miss O'Brien, with the regular teaching staff of Lincoln school in direct charge of each grade.

Children who have work to make up or those who are not strong in any work will find it quite profitable to be in the summer school, states G. A. Brace, city school superintendent, who adds:

"Those pupils who wish to do advanced work in any of the grades will find a welcome and efficient guidance. In fact, the summer school is a splendid opportunity for any child to spend half the summer day in new and profitable experiences."

### FORMER VALLEY RESIDENT PASSES

ASHLAND, May 14.—(Spl.)—Many valley friends will be sorry to hear of the death Saturday of Mrs. F. C. Holtbaugh, at her home in Escandido, Calif. Mrs. Holtbaugh, the former Ethelra Hurley, was a graduate of the old normal, and had taught many years in Ashland and in schools of neighboring districts.

Her death following a long illness. She had spent much time in recent months in a San Diego hospital but had returned to her home a month ago.

She was the daughter of the late Mr. and Mrs. William Hurley, pioneers of southern Oregon, and had spent her girlhood on the family home on Anderson creek. Following her marriage she had continued to live for a number of years in the Valley View district north of Ashland. She had been in California for four years.

Her death her husband leaves one brother, D. O. Hurley of Talent, and a host of friends.

### JOHN J. MILLER OF PHOENIX PASSES

John J. Miller, 66, passed away near Phoenix this morning after a gradual decline in health caused by

**"I Can't Resist the Impulse to Compliment It's Makers"**

**Mrs. JOSEPHINE E. WRIGHT** of Walla Walla, Washington, wrote this letter to tell us about the results of Silk-Sifted bakings in her home: "I am so enthusiastic about the results I obtained in bread-baking with Silk-Sifted that I cannot resist the impulse to compliment its makers. I have really never seen such a fine loaf of such even texture, making an appetizing as well as nutritious necessity to every meal. Its trusting efforts in some measure reward the makers of Silk-Sifted in our behalf."

**Why Silk-Sifted is Guaranteed to Satisfy . . .**

Years of testing and striving to produce the perfect home baking flour have given Centennial the knowledge necessary to make Silk-Sifted—the flour guaranteed to give entire satisfaction or your money back. Just the right varieties of wheat are blended to provide easy baking and insure perfect results. Its lightness is "built in" by sifting through silk. Ask your grocer for Silk-Sifted and know the thrill of perfect baking.

Your baker uses the best flour . . . that's why his products are so good
