

GARDEN CLUBS OF STATE CONCLUDE CONVENTION HERE

Saturday Devoted To Business Session And Valley Trips—Resolution Of Thanks Adopted.

Nearly 100 delegates from all parts of the state were expected to return to their homes today, having attended Friday and Saturday a very successful business and social convention of the Oregon Federation of Garden Clubs. It was the eighth annual gathering of the federation.

The program included committee reports, study of garden problems and other business matters, besides pleasant tours through the valley with visits to the many beautiful gardens that were in bloom, seemingly, for the occasion. These trips culminated at the home of Mr. and Mrs. Leonard Carpenter, where tea was served, and at the home of Mrs. H. D. McCaskey, where the delegates enjoyed covered dish supper. Other gardens visited were at the homes of Mr. and Mrs. George Roberts, Major and Miss Livingston, Mr. and Mrs. Alfred S. V. Carpenter and the Misses Carlton.

Music took a prominent part in the program, and many local artists appeared in vocal and instrumental presentations. Talks were also given by many prominent flower fanciers of the state, including Mrs. Florence Holmes Gerke, whose subject was "The Small Garden."

A no-host dinner was served Friday night at attractively decorated banquet tables at Hotel Medford, the roses and columbine bouquets having been brought by the Gold Hill members. Wild flowers were also banked in profuse exhibits at the court house auditorium, where all the meetings convened. Officers of the federation will remain for another year.

Mrs. Ralph Woodford, president of the Medford Garden club, and one of the principal speakers, was chairman of the arrangements committee. Other committee chairmen were: Music, Mrs. C. H. Packer; registration, Mrs. Curtis Darby; credentials, Mrs. L. E. Williams; hospitality, Mrs. Leland Menter; publicity, Jane Snedcor; decoration, Helen Bullis; transportation, Mrs. C. J. Beman; visiting gardeners, Mrs. Leonard Carpenter; banquet, Mrs. T. W. Miller; information, Jackson County Chamber of Commerce.

The following resolution adopted: "Whereas, the Oregon Federation of Garden Clubs has just experienced one of its most pleasant and successful conventions; therefore, be it

ED. KELLY JR., TO HEAD STATE WORK

PORTLAND, May 18.—(AP)—Dispatches from Washington indicate Oregon will have a set-up of three men to co-ordinate in the work relief program, one representing the FERA under Harry Hopkins, another representing the PWA under Harold Ickes and the third representing the division of vocational and information under Frank C. Walker.

Ickes is understood to be sending a complete PWA unit to Oregon, with Edward C. Kelly, ex-Jackson county, Ore., legislator, as chief legal adviser. Kelly has been with the PWA headquarters in Washington for two years.

As many attorneys as necessary as well as trained PWA stenographers also will be brought to Oregon from the capital, word from Washington indicated.

R. J. Griffith of Portland has been named state work progress administrator for Oregon.

SALEM, Ore., May 18.—(AP)—Governor Martin today appointed an interim committee of nine members to study, work and industries that might be undertaken by the state's penal institutions as a means of making those institutions self-supporting. The committee will serve without pay.

Elks Hold Benefit Smoker for "Vi" Beach, Thursday Nite

LILLARD CANCELS MAT CONTESTS TO HELP OUT CAUSE

CCC Boxers And Wrestling Bout Listed For Top Notch Card—Auto Accident Victim To Be Aided.

The Elks lodge, Mack Lillard, fight promoter, and all the mat and leather fans of Medford will unite next Thursday night to give a victim of tough luck a break with a benefit stag smoker for Vivian (Vi) Beach. The Elks will turn over the proceeds to the "Beach."

Vivian (Vi) Beach, well known and much-liked timekeeper at local wrestling events for a number of years, had both legs broken in an automobile accident on the Jacksonville highway last week. And the valley fight fans are standing by.

The Elks are sponsoring the benefit, to be given at their hall. The program includes 15 rounds of fast aggressive boxing from the spot of the Medford district CCC camp.

Mack Lillard, for whom "Vi" Beach has served as timekeeper on many occasions, has cancelled his regular Thursday night home crushing festival at the Army, and is furnishing some of his best talent for an hour of wrestling.

Caveman Simpson, CCC fighter of Oregon Cave, who challenged De Shields of Oak Knoll during the last Elks fight card, will meet the tough colored boy in the main event on the benefit boxing card.

Simpson and Deshields are believed to be a perfect match for this important spot. Both are hard hitters, and both like to lead the fight.

The full boxing card will be announced early this week by Capt. William C. Ryan, district athletic officer.

The Elks have a raised ring which makes every seat a good seat at the hall.

A 75 cent admission charge will be made and a real show is promised. The Elks and their friends and the friends of Vi Beach are urged to attend, and the proceeds will be used to make it a little easier for "Vi" to grin at his hard luck.

Admission will be to Elks and their friends.

BOWERMAN SIZES UP COACH BERTH

Bill Bowerman, widely known star athlete of Medford high school and the University of Oregon in the not too distant past, and at present athletic director at the Franklin high school in Portland, was a Medford visitor Saturday.

Mr. Bowerman is remembered for his presence on the Medford high school state championship team of 1926 to 1928, and for his brilliant football career at the University of Oregon under Doc Spears. He is remembered at Seattle for a 63-yard run which he made from an intercepted pass in a Washington-Oregon game. In one of the many defeats which Oregon handed the Washington school.

When questioned regarding his candidacy for the Medford high school coaching position, as yet unfilled, he was noncommittal. He has some exceptional material developed for his team at Franklin for the next season. He did state, however, that "if anything would induce me to become a candidate for the local post, it would be the exceptionally fine physical education program carried on in the Medford schools. The participation of all students in the athletic activities here is a delight to any coach. In most institutions only the outstanding players in their selected fields are encouraged to participate. Medford has a fine system."

E. H. Hedrick, superintendent of the Medford schools, was questioned yesterday, had no statement to make concerning the appointment of a new coach. Applications from several well qualified coaches have been received, and an appointment is expected soon.

ROOSEVELT FIRST PELICANS THIRD, STATE HIGH MEET

Big Stan Anderson Of Portland Star Performer With New Records—Benson Second.

ENGENE, Ore., May 18.—(AP)—Big Stan Anderson grand slammed his way to new records in the shot put and discus to lead Roosevelt high of Portland to the state track and field championship here today.

Five records fell, some in unexpected places. Roosevelt scored 23 points, making a clean sweep of first places in the weights, and ranking surprisingly high in the sprints.

Benson high of Portland was second with 19 points and Klamath Falls high third with 17. Grant high of Portland scored 15 and Washington high of Portland 8 1/2.

But even Anderson with his two records, and Leslie of Klamath Falls who won the 100 and 200-yard dashes, had to give way to Carlson of Benson in scoring honors. Carlson flashed over both the low and high hurdles for first places and placed second in the century for 13 points.

Not content with setting a new shot put mark in the qualifying round yesterday, the big blonde Anderson raised the mark an inch today to 51 feet 2 1/2 inches. Peters of Lincoln high held the former record of 50 feet 1 3/4 inches.

From the shot put ring Anderson strode to the discus circle, wrapped his octopus-like hand around the wood and metal platter and spun it 131 feet 1 1/4 inches to break the old record of 129 feet 4 1/4 inches set in 1933 by Brock of Washington.

Roosevelt's other first was turned in by Shabee who sent the javelin 177 feet 6 inches.

LAWSON STALE ON EVE OF BRITISH AMATEUR MATCH

ST. ANNE'S-ON-THE-SEA, England, May 18.—(AP)—Tonight's low descending sun over the Irish sea found Lawson Little and 224 rivals for his British amateur golf championship cleared for action.

As the Royal Latham course, over which the husky Californian will defend his title beginning Monday, will be closed tomorrow, most of the competitors got in what will prove to be their final practice tees today.

Little displayed unmistakable signs of approaching staleness in today's round with Cyril Tolley, Dan R. Topping, one of the American entrants, and T. A. Dele Bourn.

After shooting the first nine in 34, the champion allowed his drives all over the home stretch, winding up with a 75 to tie Tolley. However, the Little-Topping combination defeated Tolley and Bourn, 4 and 3.

Despite his wobbly showing before a big gallery on the back-breaking home nine, the young Californian remained a firm 5-to-1 favorite in the betting, being challenged only by Jock McLean, the Scottish ace, at 7 to 1.

Hector Thompson, the Irish champion, is placed third by the bookies at 9 to 1. Piping Rock, L. I., the metropolitan amateur champion, at 10 to 1. Ross Somerville, the Canadian, at 12 to 1, and the veteran Tolley at the same figures.

In the event Dizzy cannot work, Paul Dean will oppose Babe Ruth and the Braves in the series final.

COLORED STAR OF OHIO TRACK TEAM BETTERS RECORD

EVANSTON, Ill., May 18.—(AP)—Spectacular Jesse Owens unlimbered his long, brown legs today to better one world record, match another, and ruin a pair of meet marks, as he carried Ohio State to an easy triumph over Wisconsin, Northwestern and Chicago, in their annual quadrangular track and field party at Dyche stadium.

The splendorous negro started his afternoon by equalling Frank Wykoff's world record of 9.4 seconds for the 100-yard dash. Then, in between turns at the broad jumping pit, Owens raced 220 yards in 20.7 seconds, only a tenth of a second slower than Roland Locke's world standard, and followed up with a flight over 220 yards of low hurdles in 22.9 seconds, a tenth of a second faster than the accepted world record set by Iowa's Charlie Brookins in 1924, and tied by Norman Paul of California in 1933.
