## NATURAL LAXATIVE FOOD WINS NATION

Kellogg's ALL-BRAN Helps Millions to Regular Habits

Kellogg's ALL-BRAN is one of the most popular laxative foods in the country today. Millions have found it thoroughly satisfactory for correcting constipation due to in-sufficient "bulk" in meals,

In addition to its popular ap-proval, ALL-BRAN has been ac-cepted by science. Research shows it offers mild "bulk" to aid climination. Also vitamin B and iron. The American Medical Associa-

tion Committee on Foods has granted Kellogg's ALL-BRAN its Seal of Acceptance. This delicious cereal is also approved by Good Housekeeping Institute.

Within the body, ALL-Bran forms a soft mass which gently clears out the intestinal wastes. More effec-tive than the "bulk" in fruits and vegetables, as it does not break down in the body.

Isn't this food better than patent medicines? Unlike cathartics, it re-mains effective with continued use. Two tablespoonfuls daily are usu-ally sufficient. Chronic cases, with each meal. If not relieved this way, see your doctor.

Get the red-and-green package at your grocer's. ALL-BRAN is much more satisfactory than part-bran products. Made by Kellogg in Battle To Entertain Committee.
