ENFORCING OF NRA THROUGH BOYCOTT IS HIT BY HOOVER

PAULO ALTO, Calif., May 24.—(AP)—Former President Herbert Hoover today issued a statement characterizing as "not American" use of the boycott to enforce the NRA. "American labor," his statement asserted, "will not long stand for price fixing, limitations of output, stifling of competition or any other of the monopolistic and fascist practices inherent in the NRA. Its enforcement by bureaucratic coercion, intimidation and boycott are not American."

Mr. Hoover's statement continued: "If all these things are liberal and progressive, we need new definitions of these terms. The purpose of the act, so far as it abolishes sweating, through minimum wages and hours, and so far as it abolishes child labor are right. But they should be accomplished by other, than fascist methods if they are to be truly liberal and progressive."

The former president gave out his statement just prior to leaving for Des Moines, Ia., by automobile to deliver a commencement day address at Drake university.

GOVERNOR SALARY TEST SUIT FILED

SALEM, May 24.—(AP)—The expected suit to test the legality of the governor's salary, setting out that he is constitutionally entitled to only \$1,500 a year, was filed in circuit court here yesterday by Ed A. Jory of Salem.

The complaint was filed against Governor Martin. Secretary of State Snell and Treasurer Holman, and asked the court to restrain the defendants from receiving, issuing or paying any salary warrants in excess of \$1,500 a year to the governor.

A similar suit was brought against Governor Julius L. Meier by Jory last year, but the case was later dropped. Rodney W. Alden, editor of the Woodburn Independent and a member of the state bar, will act as Jory's counsel.

AAA BREAD PRICE BOOST RESENTED

SPOKANE, Wash., May 24.—(UP)—A 20 per cent advance in code prices for bread under the AAA caused smaller bakeries to band in revolt here today.

The increase was not needed to allow bakers a fair profit, the independent bakers said, refusing to advance their bread prices although admitting injunctions may be served on them.

Local master bakers, controlled by three large bakeries that seek to juggle for their own gain at expense of the small firms and the public, fix inflated bread prices, the independents said.

"Since the AAA went into effect, prices have gone up almost 50 per cent, and there is absolutely no need for such an increase," said R. B. Hillsbeck, one of the dissenting bakers.

INSURANCE MEET HEARS OPTIMISM

SALEM, May 24.—(AP)—Confidence that existing conditions and the spirit of unrest were becoming better was expressed at the opening session of the annual meeting of the state insurance men here today. Approximately 150 were in attendance for the two day conference.

Merrill D. Olling of Salem, state president, opened the meeting with the annual report. Delegates were welcomed by Major V. E. Kuhn with John C. Strum, Portland responding. Strum, chairman of the executive committee, was being mentioned as president to succeed Olling.

Speakers at the morning session were Hugh H. Earle, state insurance commissioner; George L. Dutton, Portland, president of the special agents' association; John Benkey, safety engineer for the state highway commission; A. V. Holman, Portland, special agent of the "American fore group"; Earl Snell, secretary of state and Paul O. Landry, Klamath Falls, national councilor.

PHILADELPHIA, May 24.—(AP)—Henry Wehrmann carried a box containing five whimpering puppies into headquarters of the women's S. P. C. A.

"These pups," he told Charles Smith, the attendant, "have to be fed or they'll cry their heads off."

"Well, why don't you feed them," said Smith.

"How can I?" Wehrmann replied. "You've got their mother here."

The mother, Lasele, picked up as a stray, was released from "jail."

LAVAL NOT GOING TO BERLIN SOON

GENEVA, May 24.—Pierre Laval, France's foreign minister, said today an understanding between France and Germany is necessary in the interest of peace, but that there was "no question for the moment" of his making a visit to Reichsfuehrer Hitler in Berlin.

"Can you foresee the probability of an understanding between France and Germany?" he was asked.

M. Laval answered: "An understanding is necessary because peace requires that ententes (understandings) shall be made not alone with one's friends."

Because of an increasing volume of rumors from both Berlin and Paris that M. Laval planned to go to Germany for conversations with

Shirley Temple Is Sensation in Film On Craterian Bill

Shirley Temple, that arch darling of the screen, has captured the hearts of all Medford show-goers again!

Her new picture, "Our Little Girl," opened yesterday at the Craterian theater to an eager audience. The transports of delight from young and old prove once more what a hold this wonder child has on the movie public.

It is an amazing performance she gives here. Without exaggeration "Our Little Girl," an emotional story that might happen in any home, can be called her greatest picture to date. The rich spontaneous art she displays here rebuilds faith in all that goes to make life a joyous adventure.

By this time one takes for granted the splendid natural acting accomplishments of Shirley. But how she can sing!

In this compelling picture Shirley sings a song which bears the title of the picture. She captivates young and old, tugs the heart strings with her unassuming but perfect art, singing with the same rich humanity that holds her audience when she is acting.

Shirley plays the adorable little charmer who touches to heart one instant and sends you into gales of mirth the next.

Here Sunday

Jess Harlow and William Powell, two of screenland's most famous and colorful stars, become a co-starring team for the first time in "Reckless," which opens Sunday at the Craterian theater.

The union of the two popular stars takes place in a lavish musical production against a dazzling background of theatrical Broadway. It introduces many new song hits and dance ensembles.

The musical score was written by Jerome Kern, celebrated composer of "Show Boat" and "Cat and the Fiddle," in collaboration with several other successful composers.

Miss Harlow is cast as the bewitching dancing star who introduces the new songs and dances in the production, and Powell appears as the front-page promoter of everything from flapper affairs to trained fleas.

Franchot Tone plays the reckless scion of a grumpy millionaire and falls in love with the dancer.

May Robson, Ted Healy, Nat Pendleton, Robert Light, Rosalind Russell, Henry Stephenson and Louise Henry also have prominent parts in the picture.

Drop Transamerica Expansion Project

SAN FRANCISCO, May 24.—(AP)—The vision of a big expansion in Transamerica corporation's bank investments evaporated here today when John M. Grant, Transamerica's president, announced the negotiations had been dropped.

Grant confirmed reports that he had been in conference with Floyd B. Odum, president of Atlas corporation, seeking to put through a deal for the American Trust company stock.

At Rialto

The hair raising thrillers of the Pearl White and Helen Holmes era fade into insignificance when compared to the modern thriller of the rails, "The Silver Streak," at the Rialto theater for today and Saturday.

It shows a train going at an incredible speed with the engineer at death grips in the cab. Around curves it goes, and through switches that open just in time, missing freight trains by an eyelash, over drawbridges that close in the nick of time.

The relief from the thrills, aside from a strong love interest between Sally Blane and Charles Starrett as the romantic leads, is the comedy provided by an able team of funny men, Edgar Kennedy, Arthur Lake and Glenn "Big Boy" Williams.

The picture features the new streamline train of the Burlington Railroad, which, together with Boul-

der Dam, comes to the screen for the first time in "The Silver Streak."
