

Ross Regains Welter Crown by Outpunching McLarin for Decision

JIMMY THROUGH AVERS MANAGER FOLLOWING BOUT

Referee Dempsey and Two Judges Agree On Superior Performance of Chicago Fighter—No Knockdowns

By ALAN GOULD
Associated Press Sports Editor.
NEW YORK, May 29.—(AP)—Barney Ross, the flashing-eyed Chicago fighter who doesn't rest easy without at least one world's title crown atop his raven thatch, perched himself back on the welterweight throne today with the distinction not only of outpunching the great Jimmy McLarin, but of being probably the Irishman's final conqueror.

McLarin didn't take his defeat at the Polo Grounds last night as bitterly as did his veteran manager, Pop Foster, who said his protégé was through with the fight game after 10 spectacular years, but Jimmy was whipped with sufficient thoroughness to discourage much idea of making a successful comeback.

Says Dempsey Unfair.
The veteran manager not only insisted Jimmy will hang up his gloves in a heated statement after the fight, but delivered an attack on the selection of Jack Dempsey as referee, charging the former heavyweight king had disqualified himself by openly favoring Ross beforehand.

Although a large share of the crowd of 31,000 lustily booed the outcome, the decision of Referee Dempsey and the two judges, Abe Goldner and George Leeson, was unanimous in favor of Ross, who regained the 147-pound championship after 15 bruising, bloody rounds that had the spectators in an uproar throughout.

In this observer's opinion, there was no doubt about Barney's superiority, in speed, punching and all-around tactics, although the flashy Chicagoan was so weary after slugging it out with his rival all the way that he was barely able to stand up in the final round.

On the Associated Press score sheet Ross took ten rounds, McLarin four, with a draw, although at least half a dozen rounds were so close that it was difficult to detect any advantage either way. There were no knockdowns although McLarin's knees buckled under Barney's terrific barages to the head and body in both the second and fourth rounds, while Ross himself seemed in danger of slipping to the floor in the fifteenth.

Ross, who won and lost two welter title bouts with McLarin last year and abruptly discarded the world lightweight championship six weeks ago because he did not choose to make weight for that class of competition any longer, beat McLarin at the Irishman's own game.

Jimmy Outpunched.
Instead of simply trying to out-speed and outbox his rival as he did in capturing the crown a year ago, Ross stood his ground, absorbed a stream of left jabs that cut his cheek and nose, then waded in and outpunched McLarin decisively in nearly every two-fisted exchange.

From the fourth round on, Ross fought with the handicap of a steadily bleeding nose. From the seventh on, he revealed afterward, he was further handicapped by an injury to his left hand, but the challenger's remarkable stamina and new-found power in his 147 pounds, heaviest at which he has ever fought, carried him along at a terrific pace until the last round.

Dempsey Termed Square.
Referee Dempsey, whose selection drew Foster's ire to such an extent that he went so far as to protest before the fight to the chairman of the state athletic commission, Brice-

Ross Proves Superiority

adler General John Pheasant, gave McLarin the benefit of more doubt than any of the three officials. Jack's score-sheet showed five rounds for Ross, three for McLarin, and seven even.

Foster charged Dempsey had been "on the other side" referring to Jack's pre-fight predictions favoring Ross, but General Pheasant retorted: "You couldn't have a squarer man to referee. Go ahead with the fight."

WRESTLING

By the Associated Press.
SAN DIEGO, Calif.—Ernie Dusek, 223, Omaha, defeated Ted Christy, 210, Sunland, Calif., straight falls.
Hans Steinko, 249, Germany, tossed Pat Fraley, 213, Boston, 8-0.

TWIN FALLS, Idaho.—Ira Dern, 215, Salt Lake City, tossed Frank Seaman, 210, Phoenix, Ariz., straight falls.

SAN FRANCISCO.—Chief Little Wolf, 230, Oklahoma, beat Vic Christy, 210, California, straight falls; Nick Lutze, 210, Venice, Calif., defeated Wee Willie Davis, 250, Virginia, when latter unable to return after first fall.

LITTLE ROCK, Ark., May 29.—(AP)—Millard (Dixie) Howell, all-American halfback at the University of Alabama, said here today he had signed a two-year contract to coach the University of Mexico football team. Howell is playing second base for Birmingham of the Southern Baseball association.

"I think I'm mighty lucky to get a job like that my first year out of school," beamed Howell. "It's a great opportunity and you can bet I'll do my best to develop the game among the students there."

ANGELS CROWD ACORNS FOR LEAGUE LEAD WITH WIN OVER SACRAMENTO

(By the Associated Press)
LOS ANGELES was within one-half game of the top of the Pacific Coast league baseball scramble again today. "Lefty" O'Doul and his San Francisco Seals were instrumental in putting the Angels there, for they trounced the league-leading Acorns 9 to 6 last night while the Angels were taking Sacramento into camp 7 to 2.

While the jangling for the top spot was going on in the southland, Seattle was manhandling the Missions 10 to 4, and Portland was doing the same to Hollywood, 11 to 3.

Down in Los Angeles, Mike Meade, with his spaghetti ball, held the Senators to nine hits. Jimmy Zinn, late of the Seals, allowed the Angels 33 runs in every frame but the seventh and eighth.

Marvellous fielding by Bill Cassell, who handled 12 chances without a bobble, and two double-plays, saved the day for Bobo Carson, who allowed Hollywood 14 hits. Oil English, with a double, a triple and two singles, helped the Portland Beavers score their 11 runs on 13 hits.

STREAMLINE JOBS ADD NEW COLOR TO 500-MILE CLASSIC

Front Drive and Eight Cylinders Regain Popularity—33 Cars Will Start—Gas and Oil Limited

By CLAUDE H. WOLFF
INDIANAPOLIS.—(AP)—The motors are roaring again at the famous old motor speedway here as America's greatest drivers career around the bricks getting ready for the annual 500-mile race May 30.

If anything, it's even a more colorful speed playground than ever before, made so by many brand new streamlined cars, some of them capable of doing 160 miles an hour on the straightaways.

There are more front drive cars than in several years. Incidentally, race day will be the tenth birthday of such type of speedster. The late Dave Lewis drove the first one here in 1925 and finished second.

The race will bring back to speedway popularity the eight-cylinder motor, which a few years back dominated the field but more recently gave way to the new type, high speed four-cylinder job.

Miller Has 16-Man Team.
The largest racing team in the history of the sport—10 cars—will roar its taunts to the masses. The speedsters have been built by Harry Miller, master motor engineer from Los Angeles.

Thirty-three cars will start, shown as usual through a series of 25-mile qualifying runs.

The drivers and their mechanics have but few "days" to bother them this spring. Activity has centered around carburetion and better manufacturing, with a view to stepping up the pickup in the sharp turns of the track.

Many old-timers who are national figures of the roaring road will gamble their lives against the \$100,000 in prizes. Will Bill Cummings, 1934 national champion, will be there. So will Phil (Red) Shaffer, Cliff Bergere, Russell Snowberger, Lou Moore, Deacon Litz, Ralph Hepburn, Dave Evans, Wilbur Shaw and Louis Meyer.

Held to 4 1/2 Gallons Gas.
Mauri Rose, Herb Ardinger, Keith Pettito, George Barringer, Rex Mays, Al Gordon and Doc MacKenzie—coast to coast sensations of the younger crowd of drivers—have fine cars with which to challenge the skill and daring of the veterans.

Cummings, in winning last year, established a record speed of 104.855 miles an hour. In doing it, he had to make three compulsory stops at the pits to refuel, and had to slow down several times when accidents occurred.

The cars must go the distance on not more than 4 1/2 gallons of gasoline and six gallons of motor oil in 8 1/2 years. They were allowed 48 gallons of gasoline last May and not one ran out of fuel. There is no change in oil allowance.

Louis Meyer will be after his third speedway victory here. He won in 1928 and again in 1933. Tommy Milton, Detroit star of a decade ago, is the only other driver to win the race twice.

WIMER CCC NINE WINS 11-2 OVER TRANSIENTS

CAMP WIMER, May 29.—(AP)—The Wimer Tigers took the Savage Crookers on the latter's grounds Sunday, 11 to 2. Stubbierfield was too much for the transient camp, striking out 13 men and keeping the 7 hits made by Savage Crook widely scattered. The Tigers hit Hayes Reedy.

LIONS AND ROGUES IN RAGE AS GAME TIME DRAWS NEAR

Bats crack tomorrow at the fairgrounds when the Jacksonville Gilmore Lions meet the Medford Rogues in their long anticipated grudge fight, with both teams making elaborate claims as to what they intend doing to the others.

Bob Lewis, Gilmore manager, said today: "We'll put the 'grand old men' in their places. Before they would consider us for a game, 'Scooby' Puhl, their manager, said that we'd have to get a reputation for ourselves. We've got ours, but can't see how to recommend the Rogues. Any high school team could get into the league cellar. Our pitcher, Brown, says he'll whip Hoffard every time he comes to bat."

Hoffard, when he heard this discourse, flew into rage, and announced that he will take the Lions on at least nine runs. "Why, every team in the Southern Oregon league has sent me at least one player who wants to get a crack at Gilmore. They talk too much, without producing anything to brag about. They yell about their young players, who as a matter of fact, several of them are older than I am. The rest are infants. I've had several of those men playing for me. They couldn't hit the ground with their bats, and they couldn't catch a fly ball if it had ears on it."

"Last year they signed up for a three game series (Gilmore defeats this. Ed. Note) and then we dropped the first game through an accident, and they wouldn't play us again. Said they couldn't get their team together. But every night they were all hanging around DeVoce's corner together. Bah! We'll get even for that by giving them the beating of their lives."

To which Lewis replies, "Talk. We beat Ashland and Klamath Falls, and Grants Pass was afraid to play us. Anybody that reads the papers knows how the Rogues came out against those teams. Let 'em ring in outsiders on us too, if they want to. We're not expecting much competition anyway, and outside talent would help a lot."

Courtney, Rogue first sacker, will be absent, he being forced to take special geology work for his credit at Southern Oregon Normal on that day. To fill his place, Hoffard will start Scott, another normal man, in that position. Big "Speedball" Thompson, ace Rogue pitcher, can't get away for the game so Clint McLean, also of the normal, will start. Bodie, brother of Ping Bodie, who pinch hit last Sunday, will be the only other change. Hoffard stated.

The game will start promptly at 2:30, and music for the occasion will be furnished by the Reno Raconteers. The grandstands will be covered, so nothing short of a monsoon will stop the game. The players of both squads are now so mad at each other that they don't seem to care much about a spot of rain.

The lineups announced today are: Rogues—Calvert, catcher; Scott, first base; Arnie, second base; Donnan, third base; Woodyard, shortstop; Pritchett, left field; Hoffard, center field; Bodie, right field; McLean, pitcher.

Lions—Pool, catcher; Kenton, first base; G. Smith, second base; Demowski, third base; D. Lewis, shortstop; Swanson, left field; Sakralda, center field; Reinking, right field; Brown, Hess Naumes, pitchers.

YAKIMA NEGRO GIVES ABE ISRAEL BEATING

SEATTLE, May 29.—(AP)—Henry Woods, Yakima negro state lightweight champion, had very little trouble with Abe Israel last night and was awarded an easy 10-round decision over the little Seattle featherweight in the top bout of a ring show here.

Mike Stankovich, Denver welterweight, pounded his way to a decision over Buzz Brown, Portland, in the eight-round semi-final.

Tommy Corbett, Omaha welter, was over Frankie Monroe of Klamath Falls, by a technical knockout in the fifth round of a scrap slated for six rounds.

SEMI-FINALS IN SPRING HANDICAP SLATED THURSDAY

Cowing to the fact that several trips out of the city have been made the past week, participants in the annual spring handicap golf tournament now under way at Rogue Valley golf course have been unable to get together as per schedule, and the semi-finals instead of the finals will be held tomorrow, Memorial day. The 36-hole finals will be held Sunday.

H. B. Bentley and Ed Simmons, Mark Miller and Bud Simmons, will meet in the semi-finals, which the Simmons boys seem to have well in hand. Both matches are expected to be hot contests and are considered toss-ups from all angles. Miller, however, may pull a surprise, as he has been playing 16-handicap golf during the tourney, although his handicap is set at 18.

Bud Simmons was way off form yesterday in his quarter-final match with J. B. Kirk but, for that matter, so was the latter, and Simmons held a 3-to-2 victory over the former southern Oregon champ. The match was replete with dubb shots, and Simmons is afraid that if he doesn't climb back into form in a hurry he will take a beating in his match tomorrow.

There has also been considerable activity at the course in the popular mixed Scotch two-ball foursome, and several matches are scheduled to be played within the next few days. H. B. Bentley and Mrs. Aletha Vawter defeated C. J. Semon and Mrs. Homer Marx yesterday, five and four, to bring the standings up to date.

Modern Soil Analysis

By the new modern analysis that has been perfected within the last five or six years by Michigan College, also M. F. Morgan of the Connecticut Experiment Station and Dr. Paul Emerson of the Agricultural Experiment Station at Ames, Ia., it is now possible to show by a simple, quick test, and by use of color charts and a chemical reaction agent, the amount of available plant food in the soil.

TESTING ACID SOILS
This analysis enables the farmer to cut down lime costs, because it shows him just where the lighter or heavier applications should be made. It enables the farmer to grow better legumes because he is able to balance the lime content of his soils. Any grower sending a sample of his soil to The Chas. H. Lilly Co., Seattle, Washington, can have it tested free of charge.

FREE SOIL ANALYSIS

On June 5th we will have soil analysis free at our store during the day from 9 a. m. to 4 p. m. Soil analysis is necessary to crop insurance—don't guess what to plant. Bring in your samples.

MEMORIAL DAY

Sixty-four years ago, General Logan, Commander-in-Chief of the Grand Army of the Republic, sent out his letter to all Department Commanders naming May 30 a day to be set aside "For the purpose of strewing with flowers or otherwise decorating the graves of Union soldiers who died in defense of their country during the Civil War."

From being a day set aside for the decoration of the graves of the Union soldiers who died in the war, May 30 has grown to be a great memorial to all those who have lost their lives in the cause of our country. Their sacrifice must not be forgotten.
