Degree of Honor Meeting Thursday
The Degree of Honor will meet Thursday at the Eagles hall promptly at 8 o'clock. Initiations will be followed by a social.

The Degree of Honor Juveniles held an interesting meet June 1 at the Eagles hall, with Clara Gill acting president in the absence of Ernest Smith, the regular officer, with a good attendance.

Two readings were given by Ida M. Wilson, after which games were played and refreshments served. The children are practicing a play in honor of Clara Gill, who is to enter the Burnie hospital in Portland on June 11. It was announced at the meeting that the club junior director will leave soon to attend the national convention in St. Paul, Minn., from June 23 to 27.

Ralph Woodford Will Entertain Garden Club
Medford Garden club will meet tomorrow evening at 7 o'clock at the home of Mr. and Mrs. Ralph Woodford, 228 South Holly street. There will be a club flower exchange at this time and each member is asked to bring any extra plants she may have that someone else's garden may be made more interesting through the addition of new varieties.

Members of the Medford Garden club are invited to attend the flower show which the ladies of Klamath Falls are staging tomorrow. The show opens at 2 o'clock.

Judging from their classifications and the condition of their gardens at present, this should be an outstanding event members of the local club said.

Party for Orchestra Scheduled on Thursday
The party for the orchestra of the Girls' Community club will be held Thursday evening at the club house, instead of next week as originally planned, because the leader, Alice Holmbeck, has been called to take up her position at Crater Lake national park sooner than anticipated. All members are urged to attend as plans will be discussed for continuing orchestral work during the summer.

Large Crowd Hears Spring Piano Recital
Careful training was evident in the spring recital given by pupils of Imogene Wallace last evening at the Baldwin Piano shoppe, and a large crowd of music lovers that filled the hall was delighted with the work of the young musicians.

A well-founded program gave the pianists opportunity to display finished phrasing and technique that is highly complimentary to the instructor. The presentation of several vocal numbers by Harvey Field, guest soloist, was an especially enjoyable feature of the recital which closes the year's work for the Wallace pupils.

On Friday, May 31, Mrs. H. F. W. Spilner, retiring regent of Grater Lake Chapter, Daughters of the American Revolution, presented prizes to John Baird, Ned Lyman and Lois Rusak for outstanding work in United States history in the Junior high school.

ATTORNEY ED KELLY OF PWA ENJOYS FEW HOURS VISIT AT HOME

Attorney Ed C. Kelly returned to Portland this morning after enjoying an over-night visit with his parents, Attorney and Mrs. E. E. Kelly, the first since he and Mrs. Kelly, the former Mary Greiner, went to Washington, D. C., two years ago when Mr. Kelly was appointed on the legal staff of the Public Works administration. Mrs. Kelly who is suffering from a cold remained in Portland, but their two children, Bernard and Nora, accompanied their father here and will visit their grandparents for several days.

The Kellys arrived in Portland Sunday after a strenuous six-day trip from the capital by automobile, during which they encountered some of the floods which have caused havoc in the middle-west of late. They will make their home in Portland as Mr. Kelly has been transferred to that point upon the opening up of Oregon district offices by the P.W.A. The new divisional headquarters, located in the Falling building, has a staff of twelve, according to Mr. Kelly, and will probably employ more as the work demands.

According to Attorney Kelly the project which will be built through help of the P.W.A. is ready for calling of bids and it is expected that the call will be made June 12.

BRUNO COMPOSES SONGS IN PRISON

NEW YORK, June 5.—(AP)—Bruno Richard Hauptmann, while awaiting his appeal two weeks hence from conviction for the slaying of the kidnaped Lindbergh baby, composed music in prison.

Hauptmann wrote the words and some of the music, said Rosenzweig, and three other inmates of the Trenton death house join him in the rendition.

The "death house quartet" Rosenzweig said includes one negro who has an excellent voice.

"When I saw Hauptmann yesterday, the four of them were singing one of Hauptmann's compositions," said the attorney. "It was some sort of a love hit."

"The prison authorities have no objection to their harmonizing unless they get hysterical or hysterical."
