

FARM INCREASE SHOWN IN LAST COUNTY CENSUS

According to an announcement from the United States department of agriculture, just released, Jackson

county shows a farm census increase for the period of 1930 to 1935 of 729 farms, an increase of 33 per cent. That the entire state also enjoyed a healthy increase is indicated by the figures which show a growth during the same period from 53,123 to 64,961, an increase of 18 per cent for Oregon.

Only two counties in the state show a greater increase than Jackson, namely, Josephine with a percentage increase of 53, and Curry with a percentage of 48. That this county would be well in the vanguard for farm growth was indicated by local

realtors some time ago, when they announced that it was extremely difficult to supply the demand for small farms, particularly those close to Medford or Ashland.

The farm population for the entire United States, according to figures compiled by the Oregon State Agricultural college, shows a net increase of 270,000 people during the past year, bringing the total increase since 1930 up to 2,500,000. In spite of the increase of farm population, however, the demand for hired help this spring was strong and farm wages advanced nearly 10 per cent during the first quarter.

One of the most gratifying increases was in the poultry line. The OSCA bulletin declares. Last year 11 per cent fewer chickens were raised in this country than in 1933, but this year 10 per cent more were registered than in May of 1934. This is a decidedly cheering sign, the bulletin states, and may be taken as a barometer in general farm production.

BANQUET TONIGHT AT FIRST BAPTIST WILL BE JUBILEE FEATURE

The golden jubilee of the First Baptist church opened last evening with Dr. O. C. Wright of Portland and Rev. Dunham and family of Ashland as guests.

The two living charter members, Mrs. S. L. Bennett and Mrs. C. Richardson, were present, selected hymns in the song service and gave their testimony in the devotional meeting.

The special musical numbers were an anthem, "More Like the Master" (Gabriel), by the choir, and a mixed quartet, "Sanctuary" (Runyan), sung by Mr. and Mrs. Platt, Mrs. Neff and Dr. Carlow.

Rev. Dunham gave a very forceful and helpful sermon from the words of Jesus, "All power is given unto me in heaven and in earth," and the great commission that follows, "Go ye therefore and teach all nations."

All members and friends of the church are urged to be out to the jubilee banquet this evening at 6:30 and the interesting program that follows in the auditorium at 8 o'clock. The history of the church will be given in interesting form Sunday evening. Special music at all services.

DITSWORTH BERRIES RIPENING - FASTER

Marketing conditions and the quality of Ditsworth strawberries are better than at any time during the past several years, according to Dale Sawyer, foreman of pickers on the Ditsworth ranch. Mr. Sawyer says the demand for the mountain grown strawberries has greatly exceeded their expectations. The present hot weather

will ripen the berries faster and in greater quantities. The Reliable Grocery has contracted for the entire crop.
