Why Shop Around for Bargains  
You May Get Them All -- At  
SUPER FOOD MARKETS

**HOT WEATHER** means nothing to the meats handled through our ultra-modern meat markets. . . With automatic temperature control on every case and refrigerator—with all cases insulated by three heavy plate glasses, proper temperatures are assured and all meats are as well protected in summer as in winter.

With the very finest quality meats protected by the best of modern equipment—yet sold at popular prices—our Meat Markets prove conclusively that you don't have to pay a fancy price to get the best. Quality, at the right price is always the most sensible economy.
