

ANTI-GOLD CLAIM BILL INTRODUCED AT BEHEST OF F.R.

Measure Would Take From Holders of Bonds and Other Securities Privilege of Suing Government

WASHINGTON, June 28.—(AP)—An administration bill to deny holders of government securities the right to claim damages in court as a result of dollar devaluation was introduced today by Chairman Steagall of the house banking committee.

The legislation was requested yesterday by President Roosevelt in a special message to congress.

Steagall said the measure would be taken up by the banking committee Monday and reported to the house after possibly a couple of days' hearing.

"There won't be any trouble in the committee or house either, I'm sure," he added.

His bill would take from holders of bonds, notes, certificates of indebtedness, treasury bills, and other government securities which contain the "gold clause" the privilege of suing the government on the ground that devaluation of the gold dollar has harmed them.

It also would give holders of securities which contain the gold clause until September 1, 1935, to exchange them for other securities which do not have the gold clause.

The gold clause is a promise to pay off in gold.

The bill declares that "no holder of any of the money or securities of the United States has suffered any damage because of measures heretofore taken" by the government in its monetary program.

A fight against the bill was in the making. Conservatives in the senate said passage of it would add "reputation to repudiation." They also spoke of "dishonesty" in governmental policy.

DEMAND FOR CHICKENS FAILS TO BOOST PRICE ON PORTLAND MARKET

PORTLAND, Ore., June 28.—(AP)—Scramble for chickens was again generally showing in the local trade. There was a good demand at the moment for practically all offerings.

Chief shortage, continued in the smaller broilers. Some of the killers tried to advance the selling price on these 1/2 to 1 cent a pound but met with little or no success, but did not materially change the buying price.

Conditions within the butter trade were generally of steady character in all parts of the country. No further changes were shown here on the open market for the day.

While quality eggs were getting scarce, a fair supply was reported generally, although some operators report a liberal decrease during the last few days of hot weather.

Exceptionally good tone was showing for country killed meats considering weather conditions, with all prices well maintained as a rule except for beef, which remained slow.

Apricots were being offered low down to 75c per 16-pound box.

PLENTY PILCHARDS FOR COOS CANNERS

MARSHFIELD, Ore., June 28.—(AP)—Coos Bay fish reduction plants have no complaint of a shortage of pilchards, said to be bothering Astoria operators. One unit of the Pacific Sea Products plant here opened its second day of operation this morning with 100 tons of the fish brought in by two purse seiners. North Bend fisheries, which had difficulty processing the first 175-ton lot brought in, because of incomplete installation, will complete factory arrangements before again sending out the fleet.

The two plants are employing about 60 men in the fish reduction operations, and 11 men are employed on each of 70 fishing boats playing these waters.

YOUNG IRISHMAN THROWS LONDOS

BOSTON, June 28.—(AP)—Dan O'Mahoney, a young giant from County Cork who marched in the ranks of the Irish Free State army only seven months ago, paraded today at the head of the heavyweight wrestling division.

The Irish grappler last night strip-

ped Jimmy Londos, the Greek Adonis, of his title before a crowd of 30,000.

AL LITRELL ELECTED HEAD OF LION'S CLUB LUNCHEON MEETING

Members of Medford Lions club elected the following officers at a regular luncheon meeting yesterday: Al Littrell, president; Verne Shangle, first vice-president; Frank Gray, second vice-president; Leland Knox, secretary-treasurer; Charles Prichett, lion tamer; R. M. Harry, tall twister.

Directors chosen for two years were George Newberry and H. T. Hubbard. The officers will be installed at the time the losing team in the membership contest gives a picnic, date for which has not been set. Shangle's team defeated the team captained by Newberry in the contest.

It was announced today that boxes are still available in the various grocery stores for the Alpine milk labels which, if placed in the containers, will be taken over by the club to furnish a fund for toys for poor children.

OSTEOPATH MEETINGS START AGAIN IN FALL

It was decided at a recent meeting of the Southern Oregon Osteopathic society, held at the home of Dr. Russell R. Sherwood, that meetings during the summer months be discontinued until September. Dr. Sherwood announced today. Members of the association spent the evening discussing case reports.

Of 644 schools conducted in Kansas in 1934, more than 7000 were of the one-room type.

OREGON GOLFERS ARE SHOVED OUT BY SEATTLE BOYS

SEATTLE GOLF CLUB, SEATTLE, June 28.—(AP)—Staging an amazing finish, Mrs. Vera Hutchins Ford, of Seattle, six times Northwest women's amateur golf champion, reached the finals of the annual tournament today with a victory on the 22nd hole over Miss Florence Sellars, of Portland. Miss Sellars sank a 74-foot approach shot on the 19th to remain in the running.

Miss Barbara Beach Thompson, of Palo Alto, Calif., won from Miss Marian McDougall, of Portland, defending champion, in the other semi-final match, 4 and 3.

In the men's division, an all-Seattle affair, Scotty Campbell, twice Canadian amateur champion, was two up on Dick Haskell at the halfway mark, the 18th hole, and Harry Givan, long-driving ace, was also two up on Clyde Finlay, in the semi-finals, after a morning of hectic golf.

SEATTLE, June 28.—(AP)—Oregon's hope of regaining the Pacific Northwest amateur golf championship after a lapse of two years had faded today when four Seattle youngsters moved into the semi-finals by moving out Don Moe and Eddie Hogan, Portland, and H. Chandler Egan, Medford, Ore.

Oregon lost control of the title when Scotty Campbell of Seattle won the crown in 1933 and Kenny Storey, Spokane, captured the championship last year, and this tournament will make it three in a row for Washington. Prior to Campbell's victory, Egan, Frank Dolp, Hogan, Dr. E. F. Willing, and Rudy Wilhelm had given the neighboring state six successive honors. And in the 36 years of competition, Oregon stars have won 19 times.

Much of the color was pulled out of the fast tournament by the elimination of the three famous Oregon men, but prospects of a friendly "grudge" match became possible between Seattle's two great shot-makers—Harry Givan and Scotty Campbell—with the two youngsters playing in opposite brackets in the semi-finals today.

Givan was meeting Clyde Finlay, and Campbell was tangling with Dick Haskell.

Givan defeated Moe 1 up, Campbell defeated Hogan, 5 and 4; Haskell eliminated Egan, 3 and 2, and Finlay downed Harry Hjert, 6 and 5 yesterday.

PLANTING OF FISH IN SQUAW LAKE PROMISED

Frank DeSouza, president of Southern Oregon Sportmen, Inc., announced today that, having taken up with the Oregon state game commission the matter of restocking Squaw lake with trout, he received a letter from M. L. Ryckman, superintendent of the division of fisheries, that the commission will plant fish in the lake this fall.

The commission stated that cutthroat trout will be the most suitable and will be available at the Butte Falls fish hatchery. The lake, which is the nearest Medford, has not been stocked for some time, and DeSouza stated that the restocking will be of great benefit.

Oregon lost control of the title when Scotty Campbell of Seattle won the crown in 1933 and Kenny Storey, Spokane, captured the championship last year, and this tournament will make it three in a row for Washington. Prior to Campbell's victory, Egan, Frank Dolp, Hogan, Dr. E. F. Willing, and Rudy Wilhelm had given the neighboring state six successive honors.
