

GRANTS PASS WINS 4-3 OVER ROGUES ON FINE PITCHING

With Frankie Earhart coming off the injured bench to pitch the greatest game of his career at Grants Pass yesterday, the Grants Pass Merchants defeated the Medford Rogues in a hotly contested game, 4-3. Earhart, who pitched a leg tendon three weeks ago and has not pitched since, whiffed 13 Medford batters.

In the sixth, with the bases full and no outs, Earhart tightened up and fanned the next three batters up. In the ninth, with three men on, he threw Cavelli out at second, and then retired the side with two straight strike-outs. In commenting on the game today, Manager Hoffard of the Rogues predicted that Earhart will be in the major leagues in but a few years. Even after a three-week lay-off, Earhart was throwing them past the plate so fast that they were almost invisible.

Hess pitched most of the game for the Rogues, being relieved for awhile by Bergdorff. The game was featured by light hitting. Medford getting nine to Grants Pass' eight. Hoffard and Donovan for the locals, lead in that department, with three each.

140-Yard Shot Rolls Into Cup For Eighth Dodo

NEW YORK, July 1.—(AP)—New York's greatest thrill, the hole in one, has come eight times to Captain E. P. Carter of Sands Point, L. I.

Playing in a foursome at the Sands Point course Saturday, Captain Carter sank a 140-yard spade masher blow.

He is a former champion of Ireland. On his last trip to England he had a one-shot hole while playing with Sandy Herd, who is reputed to lead all hole-in-one golfers with a total of 21.

TRAP BOYS ENJOY CLUB HOSPITALITY

A special 25-target event, including free targets and ammunition, was staged Sunday for the trap boys who so loyally labored through the Oregon state tournament recently staged at Medford. A number of the boys were unable to be on hand, however, 14 sturdy young lads faced the traps and shot down the line while the veterans did the necessary work in connection with the event.

Ten dollars in cash prizes were awarded on a "blind bogey" added target handicapping system. This element of chance created a great deal of interest and enthusiasm, and after the smoke cleared away it was found that Ray Ettinger and Ronald Baker took first money, amounting to \$3.50 apiece. Cyril Sander took the next purse of \$2.00, and Clyde Richmond and Jim Henry each took \$1.00 apiece. Some of the boys turned in some excellent scores for beginners and with a little practice will give the veterans a run for their money.

LOCAL GUN CLUB WILL SEND SQUAD TO INDIAN SHOOT

Medford Gun club will be represented by at least a squad of five shooters at the Pacific Indian trapshoot at Harrison Hot Springs, in British Columbia, this month.

The Pacific Indian was originally organized in Medford in 1908, and held its second shoot here in 1909. Since that time shoots have been held in Eugene in Oregon and at Nelson, British Columbia, and at Lake Crescent, Stanwood, Seattle, Tacoma and Tokeland, Washington.

These trapshoots differ from the ordinary tournaments, as the shooters do not contest for money but for trophies only, and the programs are so arranged that every contestant gets a trophy, each winner being eliminated from further trophy possibilities until every shooter has received an award. The finest trophy goes to the shooter making the poorest score.

Elaborate arrangements are being made at Harrison Hot Springs for the entertainment of the visitors, the Indian shoots being more on the order of good fellowship affairs for shooters and their wives than as highly competitive meets.

Harrison Hot Springs, where the headquarters for the shooters will be, and where the shooting grounds are located, is a very fine hostelry situated on a beautiful lake in the Canadian Rockies, and is an internationally famous resort.

Medford shooters who have attended the Indian shoots look forward each year to the affair as the bright spot in trapshooting on the Pacific coast, for poor scores are often the order and no one cares particularly.

Cupid Recovering From Depression

During the month of June 53 marriage licenses were issued in Jackson county, an increase of seven over 1934 when 46 marriage licenses were issued in the same month. Last Saturday six licenses were issued.

In 1932 and 1933, the depression curbed the activities of Dan Cupid, but the past two years romance has been recovering.

IN LOVE WITH HIS SECRETARY?

Mark Albery knew the tragedy in Laurie Moore's life... knew that she was the widow of Rex Moore, lost with his plane on a Pacific flight.

"I sometimes wonder if you still hope against hope," he ventured, "that he might come back."

A curious question to ask her! Mark Albery was not at all certain he was not falling in love. Perhaps that explained it.

CALL OFF STRIKE OF COAL MINERS FOR THIRTY DAYS

contends it would stabilize the industry and permit employers to comply with the U. M. W. demands for a 30-hour week and a 10 per cent pay rise. One large group of operators supports the bill. On the other

hand another segment of the industry, mostly southern operators, opposes it strenuously. John L. Lewis, president of the union, called off a strike scheduled for this morning. Lewis had issued the strike call Saturday, but when the government intervened, he postponed it 30 days, offering to extend present wages and hours for that period.
