

# GROCETERIA SUPER FOOD MARKETS

## BREAD AND CAKES LIKE MOTHER MADE

### FLOUR PRICES!

**F**LOUR is down a little but the market will stand watching. Should the processing tax be declared unconstitutional, the price will drop considerably. The test is in the courts now.

While we are making no predictions, we give you this information for what it is worth. As for ourselves—we are buying just our immediate needs.

### Timely Savings In the GROCERY DEPARTMENTS "A Dependable Source of Supply"
