

MOTT, EKWALL HIT BACK AT PIERCE FOR ACCUSATIONS

WASHINGTON, July 5.—(AP)—An attack by Representative Pierce (D.

Ore.) on their stand against the "death sentence" clause in the holding company bill brought caustic rejoinders from two Republican congressmen from Oregon yesterday during debate on the measure. Representatives Mott and Ekwall both took exception to the accusation of the former Oregon governor that they favored "utility company racketeering" like the "robbery of Oregon investors by the central public service corporation."

"I am amazed to learn," Pierce said, "that a congressman representing those investors can raise his voice in defense of the financial pirates who robbed us."

Ekwall said he voted against the death sentence because of the "millions of investors in this country whose life savings I thought were imperiled."

BERMUDA ONIONS ARE RAISED HERE

Bermuda onions are now being raised in Jackson county. It was announced this morning by W. A. Gates, chairman of the agricultural committee of the Jackson County

Chamber of Commerce. The chamber, during the past few months, has advocated the raising of sweet Spanish onions and it is expected that the crop this year will be three times that of last year.

It would appear, according to Mr. Gates, that there is a good profit in Bermuda onions and a ready market is available all over the United States.

Delay Bond Sale.
Salem, July 5.—(AP)—The date for the \$5,000,000 bond sale by the state highway commission has been changed from July 18 to one week later, the commission announced here today. Proceeds of the sale will be used toward retirement of the \$4,200,000 government loan on the Oregon coast bridges.
