#### Three Teams Tied for League Lead Will Battle to Escape Elimination From Chance for Pennant

#### Games Next Sunday

Klamath Falls at Ashland.  
Grants Pass at Medford.

Virtual elimination from the Southern Oregon league pennant battle will befall one of the three teams tied for the top after games next Sunday, and if Medford can do the improbable—upset Grants Pass—then the Merchants, last year's title holders, will be shoved back into second place a game back of the winners of the Ashland-Klamath Falls tilt.

At Ashland, where Cliff McLean's Lithians battle Vernon Francis' Klamath Red Sox, the greatest game of the year seems to be in store for probably the largest baseball crowd in Ashland history. Both teams, with Grants Pass, are tied for the league lead, and both, for the first time in over a month, will have their strongest lineups on the field.

At Medford, Paul Hoffard and his Rogues, mathematically out of the race altogether, will try to make it as tough as possible for Jack Cipe's Grants Pass Merchants. Last Sunday the heavy hitting Medfords dropped a 4-3 heartbreaker to the Merchants and, with the added advantage of playing in their own backyard Sunday, may prove to be the downfall of the Grants Pass club, which came

It was the fourth time in two seasons that the two teams have played games featured by one point victories. The game was not a part of the state

### ASHLAND FIELDER LEADING BATSMAN SOUTHERN LEAGUE

Arnold Gosnell, stocky Ashland left fielder, poked out 3 singles against Klamath Falls last Sunday to jump ahead of all other Southern Oregon league hitters with the exception of a teammate, Bob Hardy, who holds the nominal lead with a mark of 500. Gosnell has garnered 10 hits in 21 times at bat for the mark of .476.

Paul Hoffard and Paul Bernadou, Medford and Klamath Falls respectively, are practically tied for second place, Hoffard having a slight edge after his average was taken to four decimals.

Brooks, Klamath Falls and Calvert, Ashland, are tied for the lead in runs scored with 14 apiece and McLean, Ashland and Earhart, Grants Pass lead the pitchers with 4 wins and no losses.

Following are the batting averages for players hitting .250 or better and playing in 4 or more games:

### SERAPHS REGAIN LEAD AS MISSIONS CRACK IN HOLIDAY DOUBLE BILL

By the Associated Press.

A pair of double-headed fire-crackers blasted the San Francisco Missions out of the lead in the Pacific Coast league and skyrocketed Los Angeles back to its traditional pace-setting spot.

In a little fireworks of their own, "Bald Bill" Kieper and E. J. Scherler, owners of Seattle and Portland respectively, pulled off a mid-game trade that sent Harry Rice into the Duck outfield in exchange for Pitcher Ed Bryan.

Bryan hurled the first game for Portland and lost, 4 to 3. He came back as a pinch hitter for the Tribe in the second as the Indians lost, 1 to 3.

The Missions might have been able to remain the circuit leaders if their schedule didn't call for doubleheaders. They have a habit of playing snappy baseball on week days and falling apart whenever they face a double bill.

After taking five straight games from Sacramento, they lost both ends of Sunday's doubleheader as their pitchers allowed 43 hits. The Red hurling staff led to pieces again yesterday as the San Francisco Seals pounded out 50 hits to win, 17 to 7, and 17 to 3.

### PEACOCK FLASHES TO VICTORY OVER 100 METER STARS

LINCOLN, Neb., July 5.—(AP)—Eulace Peacock, a Temple university negro sophomore, today stood beside Ralph Metcalfe and Jesse Owens in the top flight of American track and field competition.

Peacock, compact piece of athletic machinery who chased Owens to the tape in the N. C. A. A., who finished fifth in the broad jump in the same meet, yesterday in the national senior A. A. U. championships, flashed to a decisive victory over Owens and Metcalfe in the 100 meter event. His time of :10.2 equaled the world record.

And before incredulous thousands had ceased roaring their tribute, this same Eulace Peacock hurled his body through the air 26 feet, 3 inches in the broad jump to again steal a victory from Owens in an event in which the Ohio State star was considered supreme.

Even the feat of the New York Athletic club in winning its fourth straight team championship in the face of stern competition from the Olympic club of San Francisco paled into insignificance beside Peacock's performance.

The New York A. C. scored 49 points and the Olympic club 39. A brisk, gusty wind that ranged from 7 to 11 miles an hour most of the afternoon probably robbed Peacock of recognition for his record time.

### LESZAR DECISIONS TO SUPECK TO ANNEX CCC CHAMPIONSHIP

Rudy Leszar, 158, hard hitting batter from Camp South Fork, took a close four-round decision over Bill Speck, 154, Coos Head, to win the Medford CCC district middleweight boxing championship on the Fourth of July card at Ashland.

Leszar had reached the top through a series of elimination bouts, and was pitted against the dangerous Supeck, a new arrival, with the district crown at stake. Although both boys have been winning earlier bouts by knockouts, neither could put the other down for the count in their four closely contested rounds.

Tiger Curran, 160, Oak Knoll, advanced as a formidable contender in this division by a technical knockout in the third over Russ Lobell, 159, of Headquarters Detachment. Jess Brierley, 132, Leszar's stablemate from South Fork, defeated Harvey Snyder, 130, Diamond Lake, on a technical knockout when Snyder was unable to return in the third because of a hard blow over the heart.

Charles Knight, 159, of Upper Rogue knocked out William Cooper, 160, Diamond Lake, in the first round after both boys had started fast. Cooper opened a cut on Knight's cheek but dropped like a slain steer when Knight measured him with a right to the jaw.

Red Dean, Wimer, and Tim Murphy, 153, Upper Rogue, went three fast rounds to a draw that left both contestants barely able to hold up their hands. Abel Garcia, 142, Gasquet, fought his way to a clean decision over Howard Matson, 142, Upper Rogue.

### ROGUES TRAMPLE CRESCENT, 17-3

The Medford Rogues romped home to an easy win over the Crescent City K. P. nine yesterday at the coast city, by the lopsided nod of 17-3, in a hitting spree that could not be checked. Bouman, new chucker formerly with Ashland did remarkable work on the mound, limiting the coast lads to six hits.

Donovan for Medford whacked out with Johnson of Crescent City. Kenton got a 3-bagger; and Arnie, Hoffman, Donovan and Kenton each got a 2-base hit.

The Rogues left Crescent City this morning for Grants Pass, where they play the Merchants this afternoon in a game held in connection with the Eagles convention in the Climate city.

### BROUILLARD WINS NOD OVER YOUNG CORBETT IN COMEBACK ATTEMPT

SAN FRANCISCO, July 5.—(AP)—"Lefty" Lou Brouillard, square-jawed French-Canadian, square-jawed French-Canadian, was over another obstacle today in his drive toward the top of the middleweight division he once ruled. The latest victim in his comeback campaign was Young Corbett of Fresno.

Before 8,000 boxing fans, assembled for the main attraction of San Francisco's Independence day celebration, Brouillard gave Corbett a ten round beating yesterday afternoon to remove one of the strong challengers for the 160-pound crown.

Brouillard won convincingly through an unceasing body attack. There was no doubt of the outcome after the bout had passed the halfway mark. The chunky two-fisted boy from the east buried his gloves into the body of the Freeman with such effectiveness and so regularly, the raising of his arm by Referee Jack Kennedy was a mere formality.

The bout brought together two of the country's outstanding left-handers, between them former holders of three championships. Brouillard, winner and loser of the welterweight and middleweight titles during his ring career, blasted Corbett's hopes of donning the regal robes of the 160-pound king in piece of the 147-pound laurels he once held.

### STATE ELECTION NECESSARY FOR CAPITOL FUNDS

(Continued from Page One.)

from the government and a loan for the balance to be repaid by the state from rentals in the new building. In this connection the governor wired McNary as follows:

general, I am of the conclusion that plan of financing state office building approved in Eastern & Western Lumber Company versus Patterson . . . is not available in case of rebuilding state capitol. Attorney general advises that rental plan with other than state itself would create state debt in violation of article 11 of section 7 of state constitution.

Same plan was contemplated in Brewster versus Deschutes County . . . but supreme court held debt would have been created in violation of constitution. May grant of 35 per cent be obtained, leaving to state proposition of securing remaining 65 per cent through legislature or if necessary by vote of the people?

It was indicated here that as soon as program is outlined the governor will call a special session of the legislature and submit the board recommendations. It was also believed the state planning board would have its report on the new capitol completed shortly for similar consideration.
