On returning to Seattle, they will take their car and start the homeward trip, traveling throught Canada and visiting Banff, Lake Lonise and other points of interest en route.

Both were so well impressed with southern Oregon, and especially with those whom they met while here, that they said they would like to come back and make Medford their permanent home.

SEEK MAGAZINES FOR CCC CAMPS

An appeal for old magazines as reading matter for the new CCC camps in the Medford district was issued Saturday by A. H. Banwell, manager of the Chamber of Commerce.

Although the war department supplies regular magazine subscriptions for the CCC camps, the new companies in the district have not yet received their full quotas of men and do not enjoy the status of regular companies. As a result, the men now assigned to these camps are short of reading matter and the Chamber of Commerce hopes to receive a supply of old magazines for their use.

Magazines suited for men's reading are especially desired. The magazines should be left at the Chamber of Commerce headquarters.
